ADMINISTRATIVE HEARINGS FOR THE
DEPARTMENT OF HUMAN SERVICES

IN THE MATTER OF:

Reg. No: 2011-17643
Issue No: 6019
Case No: [REDACTED]
Hearing Date:
March 9, 2011
Calhoun County DHS (21)

ADMINISTRATIVE LAW JUDGE: Suzanne D. Sonneborn

HEARING DECISION

This matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9 and MCL 400.37 upon Claimant's request for a hearing. After due notice, a telephone hearing was held on March 9, 2011. Claimant personally appeared and provided testimony.

ISSUE

Whether the department properly denied Claimant's Child Development and Care (CDC) benefit application for lack of verification?

FINDINGS OF FACT

The Administrative Law Judge, based upon the competent, material and substantial evidence on the whole record, finds as material fact:

1. On October 25, 2010, Claimant applied for CDC benefits. (Department Exhibits 1-7).
2. On November 22, 2010, the department mailed Claimant a Verification Checklist (DHS 3503), requesting that Claimant provide proof of her employment by no later than December 2, 2010, for purposes of determining her eligibility for the CDC program. (Department Exhibits 8-9).
3. On December 8, 2010, the department mailed Claimant a Notice of Case Action (DHS 1605), informing Claimant that her CDC application had been

denied because Claimant failed to verify necessary information. (Department Exhibits 10-13).

4. On January 10, 2011, Claimant submitted her proof of employment information to the department, specifically her pay check stubs for the month of December 2010. (Department Exhibits 14-15).
5. On January 21, 2011, Claimant requested a hearing, protesting the denial of her CDC application.

CONCLUSIONS OF LAW

The Child Development and Care program is established by Titles IVA, IVE, and XX of the Social Security Act, the Child Care and Development Block Grant of 1990, and the Personal Responsibility and Work Opportunity Reconciliation Act of 1996. The program is implemented by Title 45 of the Code of Federal Regulations, Parts 98 and 99. The Department of Human Services (DHS or Department) provides services to adults and children pursuant to MCL 400.14(1) and M.A.C.R. 400.5001-5015. Department policies are found in the Bridges Administrative Manual (BAM), the Bridges Eligibility Manual (BEM), Reference Table Manual (RFT), and the Bridges Reference Manual (BRM).

Department policy provides that clients must cooperate with the local office in determining initial and ongoing eligibility with all programs. This includes completion of the necessary forms. BAM 105. Department policy further states that CDC payments will not be made until all eligibility and need requirements are met and care is being provided by an eligible provider. BEM 706. Eligibility and need requirements can not be determined until all forms have been received by the department. BEM 702.

Department policy further provides that clients must take actions within their ability to obtain verifications and Department staff must assist when necessary. BAM 130, BEM 702. Verification is usually required at application/redetermination and for a reported change affecting eligibility or benefit level. BAM 130. A client must be given 10 calendar days (or other time limit specified in policy) to provide the requested verification. If the client cannot provide the verification despite a reasonable effort, the department should extend the time limit at least once. BAM 130. The department should send a negative action notice when (i) the client indicates a refusal to provide a verification; or (ii) the time period given has elapsed and the client has not made a reasonable effort to provide it. BAM 130.

In this case, Claimant disputes the denial of her CDC application based on her failure to provide the requested verification. At the hearing, Claimant admitted she received the Verification Checklist requesting that she provide proof of her employment by no later than December 2, 2010. However, Claimant testified that she did not deliver the requested information to the Calhoun County DHS office until January 2, 2011 (in fact, the department's records indicate that she delivered the requested information on January 10, 2011). Consequently, based on the evidence presented at the hearing,

Claimant was unable to provide competent, material and substantial evidence that she provided the department with the requested information in a timely fashion.

DECISION AND ORDER

The Administrative Law Judge, based upon the above findings of fact and conclusions of law, decides that the department properly denied Claimant's CDC application for failure to timely return the necessary verification.

Accordingly, the department's actions are UPHeld. SO ORDERED.
