Wayne County DHS (31)

ADMINISTRATIVE LAW JUDGE: [REDACTED]

HEARING DECISION

This matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9 and MCL 400.37 upon the Claimant's request for hearing. After due notice, a telephone hearing was conducted from Detroit, Michigan on [REDACTED]. The Claimant appeared and testified. [REDACTED], FIM appeared and testified on behalf of the Department.

ISSUE

Whether the Department properly denied the Claimant's Adult Medical Program ("AMP") benefits because the Claimant's income exceeded the AMP income limit of [REDACTED] per month.

FINDINGS OF FACT

The Administrative Law Judge, based on the competent, material and substantial evidence on the whole record, finds as material fact:

1. The Claimant's AMP case was closed in [REDACTED] by the Department when she began receiving unemployment compensation benefits for the

reason that the Claimant's monthly unearned income exceeded the AMP limit of [REDACTED]

2. The Claimant receives [REDACTED] biweekly in unemployment benefits. The Claimant confirmed this amount at the hearing.
3. The Claimant's gross monthly income from unemployment is [REDACTED] Exhibit 1.
4. The Claimant requested a hearing on [REDACTED], seeking a hearing regarding the closure of her AMP case.

CONCLUSIONS OF LAW

The Adult Medical Program (AMP) is established by Title XXI of the Social Security Act; (1115) (a) (1) of the Social Security Act, and is administered by the Department of Human Services (formerly known as the Family Independence Agency) pursuant to MCL 400.10, *et seq.* Department policies are contained in the Bridges Administrative Manual (BAM), the Bridges Eligibility Manual (BEM) and the Program Reference Manual (PRM).

The Adult Medical Program (AMP) is available to individuals who meet all the eligibility factors. BEM 640. There are two categories of AMP. The G program (AMP-G) is for SDA cash payment recipients who are not eligible for MA or other Department medical programs, and who do not have private health care coverage. The H program (AMP-H) is available to clients who receive medical benefits only. BEM 640, p. 2. The Claimant if eligible for AMP would be in the H category.

Income eligibility exists when the applicant's net income does not exceed the program group's AMP income limit. BEM 640, p. 3, RFT 236. Countable income is

income remaining after applying AMP policy in BEM 500. Id. Only available income is used. Available means income which is received or can reasonably be anticipated.

At the time the Department closed the Claimant's AMP case, the monthly income limit for an AMP group of one person living independently was [REDACTED] per month. BEM 640, RFT 236. In the present case, Claimant received unemployment benefits in the amount of [REDACTED] biweekly for a total of [REDACTED] per month. The determination by the Department, finding the Claimant's income exceeded the AMP [REDACTED] income limit, was correct. Based upon the foregoing facts and relevant law, it is found that the Department's determination to deny the Claimant's AMP application is AFFIRMED.

DECISION AND ORDER

The Department's decision to deny the Claimant's application for AMP benefits, because the Claimant's monthly income exceeded the AMP income limit, is AFFIRMED.
