#### **CONCLUSIONS OF LAW**

The Medical Assistance Program is established pursuant to Title XIX of the Social Security Act and is implemented by Title 42 of the Code of Federal Regulations (CFR). It is administered in accordance with state statute, the Social Welfare Act, the Administrative Code, and the State Plan under Title XIX of the Social Security Act Medical Assistance Program.

This Appellant is claiming eligibility for services through the Department's Home and Community Based Services for Elderly and Disabled (HCBS/ED). The waiver is called MI Choice in Michigan. The program is funded through the federal Centers for Medicare and Medicare Services to the Michigan Department of Community Health (Department). Regional agencies, in this case, MORC, function as the Department's administrative agency.

Waivers are intended to provide the flexibility needed to enable States to try new or different approaches to the efficient and cost-effective delivery of health care services, or to adapt their programs to the special needs of particular areas or groups of recipients. Waivers allow exceptions to State plan requirements and permit a State to implement innovative programs or activities on a time-limited basis, and subject to specific safeguards for the protection of recipients and the program. Detailed rules for waivers are set forth in subpart B of part 431, subpart A of part 440 and subpart G of part 441 of this chapter. 42 CFR 430.25(b)

1915(c) (42 USC 1396n (c) allows home and community based services to be classified as "medical assistance" under the State Plan when furnished to recipients who would otherwise need inpatient care that is furnished in a hospital SNF, ICF or ICF/MR and is reimbursable under the State Plan. (42 CFR 430.25(b))

Effective November 1, 2004, the Michigan Department of Community Health (MDCH) implemented revised functional/medical eligibility criteria for Medicaid nursing facility, MI Choice, and PACE services. Federal regulations require that Medicaid pay for services only for those beneficiaries who meet specified level of care criteria.

Section 4.1 of the Medicaid Provider Manual Nursing Facilities Section references the use of an online Michigan Medicaid Nursing Facility Level of Care Determination tool (*Michigan Medicaid Nursing Facility Level of Care Determination, March 7, 2005, Pages 1 – 9* or LOC). The LOC must be completed for all Medicaid-reimbursed admissions to nursing facilities or enrollments in MI Choice or PACE on and after November 1, 2004.

The Level of Care Assessment Tool consists of seven-service entry Doors. The Doors are: Activities of Daily Living, Cognition, Physician Involvement, Treatments and Conditions, Skilled Rehabilitative Therapies, Behavior, or Service Dependency. In order to be found eligible for MI Choice Waiver services, the Appellant must meet the requirements of at least one Door as follows:

# Door 1 Activities of Daily Living (ADLs)

Scoring Door 1: The applicant must score at least six points to qualify under Door 1.

- (A) Bed Mobility, (B) Transfers, and (C) Toilet Use:
- Independent or Supervision = 1
- Limited Assistance = 3
- Extensive Assistance or Total Dependence = 4
- Activity Did Not Occur = 8
- (D) Eating:
- Independent or Supervision = 1
- Limited Assistance = 2
- Extensive Assistance or Total Dependence = 3
- Activity Did Not Occur = 8

## **Door 2 Cognitive Performance**

Scoring Door 2: The applicant must score under one of the following three options to qualify under Door 2.

- 1. "Severely Impaired" in Decision Making.
- 2. "Yes" for Memory Problem, and Decision Making is "Moderately Impaired" or "Severely Impaired."
- 3. "Yes" for Memory Problem, and Making Self Understood is

"Sometimes Understood" or "Rarely/Never Understood."

## Door 3 Physician Involvement

Scoring Door 3: The applicant must meet either of the following to qualify under Door 3:

- 1. At least one Physician Visit exam AND at least four Physicians Order changes in the last 14 days, OR
- 2. At least two Physician Visit exams AND at least two Physicians Order changes in the last 14 days.

# **Door 4 Treatments and Conditions**

Scoring Door 4: The applicant must score "yes" in at least one of the nine categories above and have a continuing need to qualify under Door 4.

In order to qualify under Door 4 the applicant must receive, within 14 days of the assessment date, any of the following health treatments or demonstrated any of the following health conditions:

- A. Stage 3-4 pressure sores
- B. Intravenous or parenteral feedings
- C. Intravenous medications
- D. End-stage care
- E. Daily tracheostomy care, daily respiratory care, daily suctioning
- F. Pneumonia within the last 14 days
- G. Daily oxygen therapy
- H. Daily insulin with two order changes in last 14 days
- I. Peritoneal or hemodialysis

## **Door 5 Skilled Rehabilitation Therapies**

Scoring Door 5: The applicant must have required at least 45 minutes of active ST, OT or PT (scheduled or delivered) in the last 7 days and continues to require skilled rehabilitation therapies to qualify under Door 5.

The waiver agency found that the Appellant did not qualify through Door 5 because she did not have any skilled rehabilitation therapies within the relevant 7-day review period. The Appellant's representative did not dispute this information. Accordingly, the Appellant did not receive skilled rehabilitation therapies within the 7-day period that would have allowed her to

qualify through Door 5.

### Door 6 Behavior

Scoring Door 6: The applicant must score under one of the following 2 options to qualify under Door 6.

- 1. A "Yes" for either delusions or hallucinations within the last 7 days.
- 2. The applicant must have exhibited any one of the following behaviors for at least 4 of the last 7 days (including daily): Wandering, Verbally Abusive, Physically Abusive, Socially Inappropriate/Disruptive, or Resisted Care.

#### <u>Door 7</u> Service Dependency

Scoring Door 7: The applicant must be a current participant and demonstrate service dependency under Door 7.

The waiver agency presented testimony and documentary evidence that the Appellant met the criteria for Door 3 because, at the time of the assessment, she had two recent doctor visits. The waiver agency explained that Door 3 is a temporary door and that because the condition that necessitated the doctor visits was resolved by the time of the assessment, the Appellant could not be provided waiver services. The waiver agency referred this Administrative Law Judge to the Michigan Medicaid Nursing Facility Level of Care Determination Field Definitions Guidelines, which confirms that qualification under Door 3 requires a discharge plan. (Exhibit 3)

In addition, the waiver agency found that the services the Appellant is receiving—homemaking services and personal care services could be provided by other community-based programs, such as the Home Help Services (HHS) program through the Department of Human Services. The waiver agency referred this Administrative Law Judge to the MI Choice Operations Advisory Letter # 26, dated the Choice Contract waiver agencies must consider if the beneficiary's needs can be met by the HHS program before authorizing waiver services. (Exhibit 1, page 26) Because other services are available to meet the Appellant's needs, the waiver program stated that it cannot provide waiver services.

The Appellant's representative testified that her mother does need the waiver services and that she does not show her needs to others. However, she could not articulate any particular need that could not be met by the HHS program.

While this Administrative Law Judge is sympathetic to the Appellant's circumstances, I do not have authority to override or disregard the policy set forth by the Department. Because it appears that the Appellant's service needs can be met through the HHS program, waiver service could not continue to be authorized.

#### **DECISION AND ORDER**

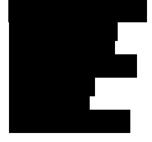

The Administrative Law Judge, based on the above findings of fact and conclusions of law, finds the waiver agency properly denied the Appellant MI Choice Waiver services.

#### IT IS THEREFORE ORDERED that:

The Department's decision is AFFIRMED.
