Eaton County DHS

ADMINISTRATIVE LAW JUDGE: Suzanne Morris

ORDER OF DISMISSAL

This matter is before the undersigned Administrative Law Judge by authority of MCL 400.9; and MCL 400.37 upon claimant's request for a hearing filed on March 25, 2011. After due notice, a hearing was held June 7, 2011.

Prior to the closure of the hearing record, the claimant's issues became resolved or were determined to be outside the scope of this hearing. The claimant indicated that she had issues with her CDC benefits from May through October, 2010. The undersigned indicated that this issue was untimely, as it was not filed within 90 days of any action. The claimant also stated she had an issue with a reduction in her CDC approved hours. However, it was determined that this was a recent issue that did not occur until after the hearing request was filed. The claimant was advised to submit a new hearing request on the issue if it was not resolved. The claimant also testified that her FAP benefits had been reinstated, so her FAP issue was resolved. Lastly, the claimant indicated that her other CDC issue had been resolved because the claimant's provider had been paid for the care provided.

Therefore, it is not necessary for the Administrative Law Judge to decide the matter that was in dispute. Pursuant to MAC R 400.906 and 400.903, claimant's hearing request is HEREBY DISMISSED, because claimant is no longer aggrieved by a department action.
