CONCLUSIONS OF LAW

The regulations governing the hearing and appeal process for applicants and recipients of public assistance in Michigan are found in the Michigan Administrative Code, MAC R 400.901-400.951. An opportunity for a hearing shall be granted to an applicant who requests a hearing because his or her claim for assistance has been denied. MAC R 400.903(1). Clients have the right to contest a department decision affecting eligibility or benefit levels whenever it is believed that the decision is incorrect. The department

will provide an administrative hearing to review the decision and determine the appropriateness of that decision. BAM 600.

The Medical Assistance (MA) program is established by Title XIX of the Social Security Act and is implemented by Title 42 of the Code of Federal Regulations (CFR). The Department of Human Services (DHS or department) administers the MA program pursuant to MCL 400.10, *et seq.*, and MCL 400.105. Department policies are found in the Bridges Administrative Manual (BAM), the Bridges Eligibility Manual (BEM) and the Program Reference Manual (PRM).

A **reconsideration** is a paper review of the facts, law and any new evidence or legal arguments. It is granted when the original hearing record is adequate for purposes of judicial review and a rehearing is **not** necessary, but one of the parties believes the ALJ failed to accurately address all the relevant issues **raised in the hearing request**.

Rehearing/ Reconsideration Requests

All Programs

The department, client or authorized hearing representative may file a written request for rehearing/reconsideration. Request a rehearing/ reconsideration when one of the following exists:

- Newly discovered evidence that existed at the time of the original hearing, and that could affect the outcome of the original hearing decision.
- Misapplication of manual policy or law in the hearing decision which led to a wrong conclusion.
- Typographical, mathematical, or other obvious error in the hearing decision that affects the rights of the client.
- Failure of the ALJ to address in the hearing decision relevant issues raised in the hearing request.

The Department, AHR or the client must specify all reasons for the request.

A written request made by the AHR or, if none, by the client, must be faxed to:

- (517) 335-6088- Attention: SOAHR Client Requested Rehearing/Reconsideration
- SOAHR (now MAHS) will not review any response filed to any rehearing/reconsideration requests.

A request must be received within 30 days of the date the hearing decision is mailed. The request must be received as follows:

- Department request -- received in SOAHR (MAHS).
- Client or authorized hearing representative request -- received anywhere in DHS.

Granting A Rehearing/ Reconsideration

All Programs

SOAHR (MAHS) will either grant or deny a rehearing/reconsideration request and will send written notice of the decision to all parties to the original hearing. SOAHR (MAHS) grants a rehearing/reconsideration request if:

- The information in the request justifies it; **and**
- **There is time to rehear/reconsider the case and implement the resulting decision within the standard of promptness; see STANDARDS OF PROMPTNESS in this item.**
- **If the** client or authorized hearing representative made the request and it is impossible to meet the standard of promptness, the client or authorized hearing representative may waive the timeliness requirement in writing to allow the rehearing/reconsideration.

All Programs

Pending a rehearing or reconsideration request, implement the original Decision and Order unless a circuit court or other court with jurisdiction issues an Order which requires a delay or stay.

If such an order is received by the client, SOAHR, the court or the Legal Affairs, or if there are questions about implementing the order; see Administrative Handbook manual Legal & FOIA Issues (AHN) item 1100, How to Obtain Legal Services. BEM, Item 600.

On December 9, 2009 the Social Security Administration determined that claimant was eligible for Retirement, Survivors and disability Insurance (RSDI) with a disability onset date of June 22, 2009. Because of the Social Security Administration determination, this Administrative Law judge must vacate the prior decision to affirm the Department's determination that claimant was not disabled for the months of October and November 2009. It is no longer necessary for the Administrative Law Judge to address the issue of disability under the circumstances. The department is required to initiate a determination of claimant's financial eligibility for the requested benefits, if not previously done.

DECISION AND ORDER

The Administrative Law Judge, based upon the above findings of fact and conclusions of law, decides that based upon the December 1, 2009 decision by the Social Security Administration that found claimant disabled under Social Security rules with an RSDI disability onset date of June 22, 2009, that claimant meets the definition of medically disabled under the medical assistance and retroactive medical assistance program as of the January 8, 2010 application date and for the months of December, November, and October 2009 based upon the retroactive Medical Assistance Application.

Accordingly, the February 1, 2011 decision to deny claimant eligibility for Retroactive Medical Assistance benefits is hereby **VACATED**. The department is **ORDERED** to initiate a review of the January 8, 2010 Medical Assistance and retroactive Medical Assistance Application, if it has not already done so, to determine if all other non-medical eligibility criteria are met, and if so, determine eligibility for Medical Assistance and Retroactive Medical Assistance for the months of October 2009 forward. The department shall inform the claimant of the determination in writing. The department is also **ORDERED** to conduct a medical review of claimant's eligibility in June 2012.
