ADMINISTRATIVE LAW JUDGE: Kevin Scully

HEARING DECISION

This matter is before the undersigned Administrative Law Judge by authority of MCL 400.9 and MCL 400.37. Claimant's request for a hearing was received on March 25, 2011. After due notice, a telephone hearing was held on Thursday, May 12, 2011.

ISSUE

Whether the Department of Human Services (Department) properly determined the Claimant's Medical Assistance (MA) eligibility?

FINDINGS OF FACT

The Administrative Law Judge, based upon the competent, material and substantial evidence on the whole record, finds as material fact:

1. The Claimant was an ongoing recipient of Medical Assistance (MA) under the Adult Medical Program (AMP) category.
2. On January 13, 2011, the Department sent the Claimant a Redetermination form with a due date of February 4, 2011.
3. On February 4, 2011, the Department sent the Claimant a Notice of Missed Interview form.
4. On March 18, 2011, the Department notified the Claimant that it would terminate her Medical Assistance (MA) as of April 1, 2011.

5. The Department received the Claimant's request for a hearing on March 25, 2011, protesting the termination of her Medical Assistance (MA) under the Adult Medical Program (AMP). The notice was received 7 days after the Department sent its notice of case action.

CONCLUSIONS OF LAW

The Medical Assistance (MA) program is established by Title XIX of the Social Security Act and is implemented by Title 42 of the Code of Federal Regulations (CFR). The Department of Human Services (DHS or Department) administers the MA program pursuant to MCL 400.10, et seq., and MCL 400.105. Department policies are found in the Bridges Administrative Manual (BAM), the Bridges Eligibility Manual (BEM).

Clients must cooperate with the local office in determining initial and ongoing eligibility. This includes the completion of necessary forms. BAM 105. Verification means documentation or other evidence to establish the accuracy of the client's verbal or written statements. BAM 130. Verification is usually required at application/redetermination and for a reported change affecting eligibility or benefit level when it is required by policy, required as a local office option, or information regarding an eligibility factor is unclear, inconsistent, incomplete, or contradictory. BAM 130. The Department uses documents, collateral contacts, or home calls to verify information. BAM 130. A collateral contact is a direct contact with a person, organization, or agency to verify information from the client. BAM 130. When documentation is not available, or clarification is needed, collateral contact may be necessary. BAM 130.

Clients are allowed ten calendar days to provide the verifications requested by the Department. BAM 130. The Department should send a negative action notice when the client indicates a refusal to provide the verification, or the time period provided has lapsed and the client has not made a reasonable effort to provide it. BAM 130. The Department should extend the time limit no more than once if the client cannot provide the verification despite a reasonable effort. BAM 130.

In this case, the Claimant was an ongoing recipient of Medical Assistance (MA) under the Adult Medical Program (AMP) category. On January 13, 2011, the Department sent the Claimant a Redetermination form with a due date of February 4, 2011. This form includes instructions to complete, and return it to the Department along with all required verification documents before the due date. When the Department did not receive the Claimant's Redetermination form, it did not conduct the Redetermination interview scheduled for February 4, 2011.

The Department then sent the Claimant a Notice of Missed Interview form. This form instructed the Claimant that it was her responsibility to contact her caseworker and reschedule the Redetermination interview.

On March 18, 2011, the Department had not received the Claimant's Redetermination form, and the interview had not been rescheduled. The Department then sent notice that it would terminate her Medical Assistance (MA) as of April 1, 2011.

The Claimant argued that she was available for the Redetermination interview, but her caseworker must have forgotten about the interview.

The group loses their right to uninterrupted FAP benefits if they fail to do any of the following:

- File the FAP redetermination by the timely filing date.
- Participate in the scheduled interview.
- Submit verifications timely, provided the requested submittal date is after the timely filing date.

Since the Claimant did not return the Redetermination form along with the required verification documents, the Department did not conduct the Redetermination interview as directed by BAM 210. Instead, the Department sent the Claimant notice of her responsibility to contact the Department.

Based on the evidence and testimony available during the hearing, the Department has established that the Department properly terminated the Claimant's Medical Assistance (MA) for failure to provide information necessary to determine her eligibility to receive benefits.

DECISION AND ORDER

The Administrative Law Judge, based upon the above findings of fact and conclusions of law, decides that the Department acted in accordance with policy in determining the Claimant's Medical Assistance (MA) eligibility.

The Department's Medical Assistance (MA) eligibility determination is AFFIRMED. It is SO ORDERED.
