#### CONCLUSIONS OF LAW

The Medical Assistance (MA) program is established by Title XIX of the Social Security Act and is implemented by Title 42 of the Code of Federal Regulations (CFR). The Department of Human Services (DHS or department) administers the MA program pursuant to MCL 400.10, *et seq.*, and MCL 400.105. Department policies are found in the Bridges Administrative Manual (BAM), the Bridges Eligibility Manual (BEM) and the Bridges Reference Manual (BRM).

The State Disability Assistance (SDA) program which provides financial assistance for disabled persons is established by 2004 PA 344. The Department of Human Services (DHS or department) administers the SDA program pursuant to MCL 400.10, *et seq.*, and MAC R 400.3151-400.3180. Department policies are found in the Bridges Administrative Manual (BAM), the Bridges Eligibility Manual (BEM) and the Program Reference Manual (PRM).

Department policy at BEM 260 states that if a claimant has been found eligible for either SSI or RSDI based upon a finding of disability, the person meets the Department's MA disability criteria. No other evidence is required to establish disability. In the present case, the claimant was found by the Social Security Administration to be eligible for RSDI benefits based upon disability, and has presented prima facie evidence of the same. This disability was found by the Social Security Administration to have an onset date of February 27, 2007, prior to Claimant requesting MA-P and SDA. Therefore, the Administrative Law Judge

finds that the Claimant met the Department's definition of disabled for the purposes of MA-P and SDA.

DECISION AND ORDER

The Administrative Law Judge, based upon the above findings of fact and conclusions of law, decides that the Claimant is medically disabled for the purposes of the MA and SDA programs, pending a review of all non-medical eligibility factors.

Accordingly, the Department's decision in the above stated matter is, hereby, REVERSED.

The Department is ORDERED to process Claimant's Medicaid and SDA applications of September 3, 2010, and initiate a review of all non-medical eligibility factors, if it has not already done so.

The Department is further ORDERED to initiate a full review of this case in July 2012.
