Issue No: 3008
Case No: [REDACTED]
Hearing Date: August 11, 2011
Van Buren County DHS

ADMINISTRATIVE LAW JUDGE: Christopher S. Saunders

HEARING DECISION

This matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9 and MCL 400.37 upon claimant's request for a hearing. After due notice, a telephone hearing was held on August 11, 2011. The claimant personally appeared and provided testimony.

ISSUE

Did the department properly close the claimant's Food Assistance Program (FAP) case for failure to return the required verifications?

FINDINGS OF FACT

The Administrative Law Judge, based upon the competent, material and substantial evidence on the whole record, finds as material fact:

1. The claimant submitted a FAP redetermination form (DHS-1010) on January 4, 2011. (Department Exhibit 1).
2. The claimant stated on her redetermination that she was receiving child support. (Department Exhibit 1).
3. The department attempted to verify the child support through the circuit court but was unable to do so. (Department Hearing Summary).
4. The claimant was sent a request for verification for her child support to be returned to the department by April 25, 2011. (Department Exhibit 2).

5. The claimant failed to submit the requested verification by the due date of April 25, 2011.
6. The claimant was sent a Notice of Case Action (DHS 1065) on May 11, 2011 informing her that her case was being closed due to her failure to submit the required verifications. (Department Exhibit 3).
7. The claimant submitted a hearing request on May 17, 2011.

CONCLUSIONS OF LAW

The regulations governing the hearing and appeal process for applicants and recipients of public assistance in Michigan are found in the Michigan Administrative Code, MAC R 400.901-400.951. An opportunity for a hearing shall be granted to an applicant who requests a hearing because his claim for assistance is denied. MAC R 400.903(1).

Clients have the right to contest a department decision affecting eligibility or benefit levels whenever it is believed that the decision is incorrect. The department will provide an administrative hearing to review the decision and determine the appropriateness. BAM 600.

The Food Assistance Program (FAP) (formerly known as the Food Stamp (FS) program) is established by the Food Stamp Act of 1977, as amended, and is implemented by the federal regulations contained in Title 7 of the Code of Federal Regulations (CFR). The Department of Human Services (DHS or department) administers the FAP program pursuant to MCL 400.10, *et seq.*, and MAC R 400.3001-3015. Department policies are found in the Bridges Administrative Manual (BAM), the Bridges Eligibility Manual (BEM) and the Program Reference Manual (PRM).

Claimants are required to comply with the local office to allow the department to determine initial or ongoing eligibility. BAM 105. The department informs the client what verification is required, how to obtain it, and the due date by using the Verification Checklist form (DHS-3503). BAM 130. Clients are provided ten days to return the verifications, but can request an extension of time to provide the verifications. BAM 130. If the time period to provide the verifications elapses and the verifications have not been provided, the department is directed to send a negative action notice. BAM 130.

Department policy states as follows:

Verifications

All Programs

Clients must take actions within their ability to obtain verifications. DHS staff must assist when necessary. See BAM 130 and BEM 702. BAM 105.

Assisting the Client

All Programs

The local office must assist clients who ask for help in completing forms (including the DCH-0733-D) or gathering verifications. Particular sensitivity must be shown to clients who are illiterate, disabled or **not** fluent in English. BAM 105.

Verification is usually required at application/redetermination **and** for a reported change affecting eligibility or benefit level. BAM 130.

Obtaining Verification

All Programs

Tell the client what verification is required, how to obtain it, and the due date (see “**Timeliness Standards**” in this item). Use the DHS-3503, Verification Checklist, or for MA redeterminations, the DHS-1175, MA Determination Notice, to request verification. BAM 130.

The client must obtain required verification, but you must assist if they need and request help.

If neither the client nor you can obtain verification despite a reasonable effort, use the best available information. If **no** evidence is available, use your best judgment. BAM 130.

Timeliness Standards

FIP, SDA, CDC, FAP

Allow the client 10 calendar days (**or** other time limit specified in policy) to provide the verification you request. BAM 130.

Exception: For CDC only, if the client cannot provide the verification despite a reasonable effort, extend the time limit at least once.

Verifications are considered to be timely if received by the date they are due. For electronically transmitted verifications (fax, email), the date of the transmission is the receipt date.

Verifications that are submitted after the close of business hours through the drop box or by delivery of a DHS representative are considered to be received the next business day.

Send a negative action notice when:

- . the client indicates refusal to provide a verification, **or**
- . the time period given has elapsed and the client has **not** made a reasonable effort to provide it. BAM 130.

Note: For FAP only, if the client contacts the department prior to the due date requesting an extension or assistance in obtaining verifications, you must assist them with the verifications but do not grant an extension. Explain to the client they will not be given an extension and their case will be denied once the VCL due date is passed. Also, explain their eligibility will be determined based on their compliance date if they return required verifications. Re-register the application if the client complies within 60 days of the application date; see BAM 115, Subsequent Processing. BAM 130.

In the case at hand, the claimant testified that she did receive the request for verification from the department. She further testified that she did not return the verification because she simply forgot about the verifications until after they were due to be submitted. The claimant has not presented a valid excuse for the failure to return the requested verifications. Therefore, the department acted properly according to policy by closing the claimant's FAP case for failure to return the requested verifications.

DECISION AND ORDER

The Administrative Law Judge, based upon the above findings of fact and conclusions of law, decides that the department properly closed the claimant's FAP case for failure to return the requested verifications.

Accordingly, the department's actions are **AFFIRMED**.

SO ORDERED.
