CONCLUSIONS OF LAW

The Medical Assistance (MA) program is established by Title XIX of the Social Security Act and is implemented by Title 42 of the Code of Federal Regulations (CFR). The Department of Human Services (formerly known as the Family Independence Agency) administers the MA program pursuant to MCL 400.10, *et seq.*, and MCL 400.105. Department policies are found in the Bridges Administrative Manual (BAM), the Bridges Eligibility Manual (BEM) and the Program Reference Manual (PRM).

The State Disability Assistance (SDA) program which provides financial assistance for disabled persons is established by 2004 PA 344. The Department of Human Services (DHS or department) administers the SDA program pursuant to MCL 400.10, *et seq.*, and MAC R 400.3151-400.3180. Department policies are found in the Bridges Administrative Manual (BAM), the Bridges Eligibility Manual (BEM) and the Program Reference Manual (PRM).

Clients must cooperate with the local office in determining initial and ongoing eligibility to provide verification. BAM 130, p. 1. The questionable information might be from the client or a third party. Id. The Department can use documents, collateral contacts or

home calls to verify information. Id. The client should be allowed 10 calendar days to provide the verification. If the client cannot provide the verification despite a reasonable effort, the time limit to provide should be extended at least once. BAM 130, p.4; BEM 702. If the client refuses to provide the information or has not made a reasonable effort within the specified time period, then policy directs that a negative action be issued. BAM 130, p. 4. Before making an eligibility determination, however, the Department must give the client a reasonable opportunity to resolve any discrepancy between his statements and information from another source. BAM 130, p. 6.

In the present case, Claimant testified that she requested records from her physician and that the physician required a fee for records, and she was unable to pay the fee. Claimant did not request assistance from the Department or an extension of the deadline. Claimant failed to make a reasonable effort to cooperate. The Department was correct to deny Claimant's MA and SDA applications because the required verifications were not submitted prior to the deadline without a reasonable excuse. BAM 130.

DECISION AND ORDER

The Administrative Law Judge, based upon the above findings of fact and conclusions of law decides that the Department was correct in the denial of Claimant's MA and SDA
