CONCLUSIONS OF LAW

The Medical Assistance (MA) program is estab lished by Title XIX of the Social Sec urity Act and is implemented by Title 42 of the C ode of Federal Regulations (CFR). The Department of Human Services (DHS or department) administers the MA program pursuant to MCL 400.10, *et seq.*, and MCL 400.105. Department policies are found in

the Bridges Administrative Manual (BAM), the Bridges Eligibility Manual (BEM) and the Program Reference Manual (PRM).

Department policy states:

MA GROUP 2 INCOME ELIGIBILITY

Deductible

.

Deductible is a proc ess which a llows a client with excess income to become eligible for Group 2 MA if sufficient allowable medical expenses are incurred.

Active Deductible

Open an MA case **without ongoing Group 2 MA coverage** on CIMS as long as:

- The fiscal group has excess income, and
- At least one fiscal group member meets all other Group 2 MA eligibility factors.

Such cases are called active deductible cases. Periods of MA coverage are added on CIMS each time the group meets it deductible.

Deductible Period

Each calendar month is a separate spend-down period.

Deductible Amount

The fiscal group's monthly excess inc ome is calle d a deductible amount. BEM 545, pp. 8-9.

Meeting a Deductible

Meeting a deductible means reporting and verifying allowable medical ex penses (defined in " **EXHIBIT I**") that equal or exceed the deductible amount for the calendar month tested. BEM, Item 545, p. 9.

The group must report expenses by the last day of the third month following the month for which it wants MA coverage. BAM 130 explains verification and timeliness standards. BEM, Item 545. p. 9. The goal of the Medicaid program is to ensure that essentia I health care s ervices are made available to those who ot herwise could not afford them. Medicaid is also known as Medical Assistance (MA). BEM 105.

The State of Michigan has set guidelines for income, which determine if an MA group is eligible. Income eligibility exists for the calendar month tested when:

- . There is no excess income, **or**
- Allowable medical expenses equal or exceed the excess income (under the D BEM 545.

Net income (countable income minus allowable income deductions) must be at or below a certain income limit for eligibility to exist. BEM 105. Income eligibility exists when net income does **not** exceed the Group 2 needs in BEM 544. BEM 166. The protected income level is a set allowance f or non-medical need items such as shelter, food and incidental expenses. PRT 240 lists the Group 2 MA protected income levels based on shelter area and fiscal group size. BEM 544. An eligible Medical Assistance group (Group 2 MA) has income the same as or less than the "protected income level" as set forth in the policy contained in t he Program Re ference Table (PRT). An indiv idual or MA group whose income is in excess of the monthly protected income level is ineligible to receive MA.

However, a MA group may become eligible for assistance under the deductib le program. The deduc tible program is a process, which al lows a client with excess s income to be elig ible for MA, if sufficient allowable medical expenses are incurred. Each calendar month is a separate deductib le period. The fiscal group's monthly excess income is called the deductible am ount. Meeting a deductib le means reporting and verifying allowable medica I expenses t hat equal or exceed the deductible amount t for the calendar month. The MA group must report expenses by the last day of the third month following the month it wants medical coverage. BEM 545; 42 CFR 435.831.

In this case, the claimant's gross income is RSDI in the amount of **\$** per month. The claimant testified that the department was using the correct figures for income. The claimant's protected income limit is **\$** for After subtract ing a **\$** disregard from the claimant's gross income, his net income is **\$** for a claimant was given credit for his insurance premiums that he pays, in the amount of **\$** for the amount of **\$** which was properly computed by the department.

DECISION AND ORDER

The Administrative Law Judge, based upon t he above findings of fact and conclusion s of law, decides that the department properly placed the claimant on a MA deductible case.

2011-37778/SLM

Accordingly, the department's determination is UPHELD. SO ORDERED.
