ADMINISTRATIVE HEARINGS FOR THE
DEPARTMENT OF HUMAN SERVICES

IN THE MATTER OF:

Registration No: 2011-38319
Issue No: 1038
Case No: [REDACTED]
Hearing Date: August 4, 2011
Calhoun County DHS

Administrative Law Judge: Mark A. Meyer

HEARING DECISION

In accordance with MCL 400.9, MCL 400.37, and 1999 AC, R 400.903 a hearing was held in this matter on August 4, 2011. Claimant appeared at hearing and provided testimony. The Department of Human Services (the Department) was represented by agency personnel.

ISSUE

In dispute was whether the Department properly terminated and sanctioned Claimant's Family Independence Program (FIP) benefits, based on a determined third noncompliance with Work First/Jobs, Education, and Training (WF/JET) requirements.

FINDINGS OF FACT

Based on the competent, material, and substantial evidence on the whole record, the Administrative Law Judge finds as relevant fact:

1. At all times relevant to this matter, Claimant was receiving FIP benefits.
2. On October 13, 2010, Claimant was assigned twelve hours of part-time work and eight hours of job search as part of her WF/JET work requirements. (Department's Exhibits D-5; D-7.)
3. On January 6, 2011, Claimant's treating physician indicated that she was unable to work for "6 - 8 weeks" due to a fractured right ankle. At that time, Claimant was temporarily deferred from participation in the WF/JET program for 30 days. (Department's Exhibits D-5; D-10.)
4. On February 7, 2011, Claimant's 30-day medical deferral expired and she was placed into pending deferral because there was an indication that she might need surgery to repair her fractured ankle. (Department's Exhibit D-5.)

5. As of March 7, 2011, Claimant had not reported a need for further medical deferral from the WF/JET program. At that time, she was placed back into the program and assigned eight hours of job search activity. (Department's Exhibit D-5; D-7.)
6. On March 30, 2011, the Department informed Claimant's WF/JET case manager that, although Claimant had continued to be paid for twelve hours of chore services throughout this time, the agency was unaware of any continued need for deferral from the WF/JET program. Claimant had reported no job search activities during this time. (Department's Exhibits D-5; D-7.)
7. The Department submitted a notice of noncompliance to Claimant on April 13, 2011, informing her that due to her failure to engage in job search activities as requirement under the WF/JET program, a triage meeting was scheduled for April 25, 2011. (Department's Exhibits D-1; D-5; D-7.)
8. No good cause for Claimant's failure to meet her WF/JET program requirements was found at the April 25, 2011, triage meeting. (Department's Exhibit D-5.)
9. On April 26, 2011, the Department notified Claimant that her FIP case would be closed, effective June 1, 2011, and that she would be sanctioned from the program for at least twelve months. (Department's Exhibits D-5; D-2.)
10. From the Department's FIP case closure determination and twelve month penalty, Claimant filed a request for hearing. (Claimant's hearing request, dated June 15, 2011.)

CONCLUSIONS OF LAW

The hearing and appeals process for applicants and recipients of public assistance in Michigan is governed by 1999 AC, R 400.901 through 400.951, in accordance with federal law. An opportunity for hearing must be granted to an applicant who requests a hearing because his claim for assistance is denied or not acted on with reasonable promptness, and to any recipient who is aggrieved by Department action resulting in suspension, reduction, discontinuance, or termination of assistance. Rule 400.903(1). Indeed, an applicant or recipient holds the right to contest an agency decision affecting eligibility or benefit levels whenever it is believed that the decision is incorrect. The Department must provide an administrative hearing to review the decision and determine its appropriateness. Bridges Administrative Manual (BAM) 600, p. 1.

Here, the Department determined that no good cause existed for Claimant's third failure to comply with WF/JET requirements; specifically, her failure to communicate with the

agency regarding her temporary medical deferral, and her failure to complete the required eight hours of job search activities. Claimant's FIP cash benefit case was closed and she was sanctioned from the program for twelve months. From this determination, Claimant filed a request for hearing.

The FIP was established under the Personal Responsibility and Work Opportunity Reconciliation Act of 1996, 8 USC 601, *et seq.* The Department administers the FIP in accordance with MCL 400.10, *et seq.*, and Rules 400.3101 through 400.3131. The FIP replaced the Aid to Dependent Children (ADC) program, effective October 1, 1996. Agency policies pertaining to the FIP are found in the BAM, Bridges Eligibility Manual (BEM), and program reference manuals. The program's purpose is to provide temporary cash assistance to support a family's movement to self-sufficiency. BEM 230A, p.1. The focus is to assist clients in removing barriers so that they may participate in activities leading to self-sufficiency. BEM 233A, p.1.

Federal and State laws, from which the Department's policies derive, require each work eligible individual (WEI) in a FIP group to participate in the WF/JET program, unless temporarily deferred or engaged in activities that otherwise meet the program's participation requirements. BEM 230A, p. 1. The purpose of the WF/JET program is to increase a client's employability and to obtain employment. BEM 230A, p. 1.

A WEI who fails or refuses, without good cause, to participate in assigned employment or other self-sufficiency related activities is subject to penalties. BEM 230A, p. 1; BEM 233A, p. 1. These penalties include the following:

- A delay in eligibility at the time of application;
- Ineligibility;
- Case closure for a minimum of three or twelve months.

BEM 233A, p. 1.

Noncompliance in engaging in WF/JET employment or self-sufficiency related activity requirements generally means doing any of the following without good cause:

- Failing or refusing to:
 - Appear and participate with the [WF/JET] [p]rogram or other employment service provider.
 - Complete a Family Automated Screening Tool (FAST), as assigned as the first step in the FSSP [Family Self-Sufficiency Plan] process.

- Develop a[n] . . . FSSP.
- Comply with activities assigned on the FSSP.
- Provide legitimate documentation of work participation.
- Appear for a scheduled appointment or meeting related to assigned activities.
- Participate in employment and/or self-sufficiency-related activities.
- Accept a job referral.
- Complete a job application.
- Appear for a job interview[.]
- Stating orally or in writing a definite intent not to comply with program requirements.
- Threatening, physically abusing or otherwise behaving disruptively toward anyone conducting or participating in an employment and/or self-sufficiency-related activity.
- Refusing employment support services if the refusal prevents participation in an employment and/or self-sufficiency-related activity. [BEM 233A, pp. 1-2.]

Good cause for not complying with WF/JET employment or self-sufficiency related activities means "a valid reason for noncompliance . . . that [is] based on factors that are beyond the control of the noncompliant person." BEM 233A, p. 3. A claim of good cause must be verified. BEM 233A, p. 3. Good cause includes the following:

- Employed forty hours
 - The person is working at least 40 hours per week on average and earning at least the State minimum wage.
- Client unfit
 - The client is physically or mentally unfit for the job or activity, as shown by medical evidence or other reliable information. This

includes any disability-related limitations that preclude participation in a work and/or self-sufficiency-related activity.

- Illness or injury
 - The client has a debilitating illness or injury, or an immediate family member's illness or injury requires in-home care by the client.
- Reasonable accommodation
 - The Department, employment services provider, contractor, agency, or employer failed to make reasonable accommodations for the client's disability or the client's needs related to the disability.
- No child care
 - The client requested child care services from the Department, the Michigan Works Association (MWA), or other employment services provider prior to case closure for noncompliance and child care is needed for an eligible child, but none is appropriate, suitable, affordable, and within reasonable distance of the client's home or work site.
- No transportation
 - The client requested transportation services from the Department, the MWA, or other employment services provider prior to case closure and reasonably priced transportation is not available to the client.
- Illegal activities
 - The employment involves illegal activities.
- Discrimination
 - The client experiences discrimination on the basis of age, race, disability, gender, color, national origin, religious beliefs, etc.
- Unplanned event or factor
 - Credible information indicates an unplanned event or factor that likely prevents or significantly interferes with employment and/or self-sufficiency-related activities. Unplanned events or factors include, but are not limited to the following:

- a. Domestic violence
 - b. Health or safety risk
 - c. Religion
 - d. Homelessness
 - e. Jail
 - f. Hospitalization
- Comparable work
 - The client quits to assume employment comparable in salary and hours. The new hiring must occur before the quit.
 - Long commute
 - Total commuting time exceeds:
 - a. Two hours per day, NOT including time to and from child care facilities, or
 - b. Three hours per day, including time to and from child care facilities.

BEM 233A, pp. 4-5.

The penalty for noncompliance without good cause is closure of the FIP case as follows:

- First occurrence of noncompliance = FIP case closure for not less than three calendar months, unless the client is excused from the noncompliance. See BEM 233A, pp. 8-9.
- Second occurrence of noncompliance = FIP case closure for not less than three calendar months.
- Third and subsequent occurrence of noncompliance = FIP case closure for not less than twelve months.

BEM 233A, p. 6.

Here, it was undisputed that Claimant was temporarily deferred from the WF/JET program based on an injury to her right ankle; it appeared that this injury occurred on or about January 6, 2011. However, the only medical documentation provided by Claimant to the Department indicated that she was only unable to work or engage in work activities for a period of "6-8 weeks." (Department's Exhibit D-10.) After this time, Claimant provided no further documentation establishing that she was medically unable to engage in the WF/JET program. She was subsequently placed back into the program and assigned eight hours of job search activities. Claimant failed, however, to complete

this assignment and admittedly failed to communicate with the Department regarding her WF/JET responsibilities.

Testimony and other evidence must be weighed and considered according to its reasonableness. *Gardiner v Courtright*, 165 Mich 54, 62; 130 NW 322 (1911); *Dep't of Community Health v Risch*, 274 Mich App 365, 372; 733 NW2d 403 (2007). Moreover, the weight and credibility of this evidence is generally for the fact-finder to determine. *Dep't of Community Health*, 274 Mich App at 372; *People v Terry*, 224 Mich App 447, 452; 569 NW2d 641 (1997).

Although not dispositive of the present dispute, it is noted that this is not Claimant's first determination of noncompliance. Here, viewing the testimony and other evidence in its entirety, it cannot be reasonably concluded that Claimant met her burden of demonstrating good cause for her third noncompliance with assigned WF/JET program requirements for the time period in issue.

DECISION AND ORDER

Based on the above findings of fact and conclusions of law, the Administrative Law Judge decides that the Department properly determined that Claimant was noncompliant with WF/JET community service requirements without good cause. Based on this determination, the agency properly terminated and sanctioned Claimant's FIP benefits for at least a twelve-month period, beginning June 1, 2011.

Therefore, the Department's action in this matter is UPHeld.

It is SO ORDERED.
