### **CONCLUSIONS OF LAW**

Department policies are contained in the Bridges Administrative Manual (BAM), the Bridges Eligibility Manual (BEM), and the Reference Tables Manual (RFT).

The Family Independence Program (FIP) was established pursuant to the Personal Responsibility and Work Opportunity Reconciliation Act of 1996, Public Law 104-193, 42 USC 601, *et seq.* The Department (formerly known as the Family Independence Agency) administers FIP pursuant to MCL 400.10, *et seq.*, and 1999 AC, Rule 400.3101 through Rule 400.3131. FIP replaced the Aid to Dependent Children (ADC) program effective October 1, 1996.

The Food Assistance Program (FAP) [formerly known as the Food Stamp (FS) program] is established by the Food Stamp Act of 1977, as amended, and is implemented by the federal regulations contained in Title 7 of the Code of Federal Regulations (CFR). The Department (formerly known as the Family Independence Agency) administers FAP pursuant to MCL 400.10, *et seq.*, and 1999 AC, Rule 400.3001 through Rule 400.3015.

The Medical Assistance (MA) program is established by the Title XIX of the Social Security Act and is implemented by Title 42 of the Code of Federal Regulations (CFR). The Department of Human Services (formerly known as the Family Independence Agency) administers the MA program pursuant to MCL 400.10, *et seq.*, and MCL 400.105.

The Adult Medical Program (AMP) is established by 42 USC 1315, and is administered by the Department pursuant to MCL 400.10, *et seq.*

The State Disability Assistance (SDA) program, which provides financial assistance for disabled persons, is established by 2004 PA 344. The Department of Human Services (formerly known as the Family Independence Agency) administers the SDA program pursuant to MCL 400.10, *et seq.*, and 2000 AACS, Rule 400.3151 through Rule 400.3180.

The Child Development and Care (CDC) program is established by Titles IVA, IVE and XX of the Social Security Act, the Child Care and Development Block Grant of 1990, and the Personal Responsibility and Work Opportunity Reconciliation Act of 1996. The program is implemented by Title 45 of the Code of Federal Regulations, Parts 98 and 99. The Department provides services to adults and children pursuant to MCL 400.14(1) and 1999 AC, Rule 400.5001 through Rule 400.5015.

The State SSI Payments (SSP) program is established by 20 CFR 416 and the Social Security Act, 616 [42 USC 1382e]. The Department administers the program pursuant to MCL 400.10, *et seq.*

Additionally, Claimant was an ongoing recipient of CDC benefits. In January 2011, Claimant got a new provider for day care services for her children. Claimant credibly testified that her provider has not been paid CDC benefits for the period January 30, 2011 to March 27, 2011.

The Department concedes that Claimant's provider was properly certified and Claimant was entitled to CDC benefits for January 30, 2011 to March 27, 2011, for five of her children: [REDACTED]. The Department attempted to manually issue the CDC payments to Claimant's provider pursuant to a June 24, 2011 Child Development and Care Client Certificate/Notice of Authorization. While the Department believed this Notice had resulted in a manual issuance of benefits and resolved the issue in this case, it produced no evidence that Claimant's provider was paid for the period at issue.

While the Notice of Authorization listed another of Claimant's children, [REDACTED], as an eligible child, the Department acknowledged that, although [REDACTED] was not entitled to benefits because he was more than thirteen years old during the period at issue, the Notice should have listed [REDACTED], who was only ten. Thus, Claimant continued to be eligible for five children, the same number of children as provided in the Notice. Further, although the Notice indicated that [REDACTED] was only entitled to benefits until February 12, 2011, the Department agreed that [REDACTED] should have been covered for the entire period at issue.

At the hearing, Claimant also contended that her granddaughter, [REDACTED], should have been included in her CDC case. However, although [REDACTED] mother (Claimant's daughter) and [REDACTED] lived in Claimant's home for some period of time, [REDACTED] mother is over 18 years old and should be in her own CDC group. BEM 205. Thus, the Department did not err in failing to include [REDACTED] in Claimant's CDC group.

Based upon the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, the Administrative Law Judge concludes that the Department

did  did not properly process Claimant's  application  case for:  AMP  FIP  FAP  MA  SDA  CDC  SSP.

### **DECISION AND ORDER**

The Administrative Law Judge, based upon the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, finds that the Department
