CONCLUSIONS OF LAW

Department policies are contained in the Bridges Administrative Manual (BAM), the Bridges Eligibility Manual (BEM), and the Reference Tables Manual (RFT).

The Family Independence Program (FIP) was established pursuant to the Personal Responsibility and Work Opportunity Reconciliation Act of 1996, Public Law 104-193, 42 USC 601, *et seq.* The Department (formerly known as the Family Independence Agency) administers FIP pursuant to MCL 400.10, *et seq.*, and 1999 AC, Rule 400.3101 through Rule 400.3131. FIP replaced the Aid to Dependent Children (ADC) program effective October 1, 1996.

The Food Assistance Program (FAP) [formerly known as the Food Stamp (FS) program] is established by the Food Stamp Act of 1977, as amended, and is implemented by the federal regulations contained in Title 7 of the Code of Federal Regulations (CFR). The Department (formerly known as the Family Independence Agency) administers FAP pursuant to MCL 400.10, *et seq.*, and 1999 AC, Rule 400.3001 through Rule 400.3015.

The Medical Assistance (MA) program is established by the Title XIX of the Social Security Act and is implemented by Title 42 of the Code of Federal Regulations (CFR). The Department of Human Services (formerly known as the Family Independence Agency) administers the MA program pursuant to MCL 400.10, *et seq.*, and MCL 400.105.

The Adult Medical Program (AMP) is established by 42 USC 1315, and is administered by the Department pursuant to MCL 400.10, *et seq.*

The State Disability Assistance (SDA) program, which provides financial assistance for disabled persons, is established by 2004 PA 344. The Department of Human Services (formerly known as the Family Independence Agency) administers the SDA

program pursuant to MCL 400.10, *et seq.*, and 2000 AACS, Rule 400.3151 through Rule 400.3180.

The Child Development and Care (CDC) program is established by Titles IVA, IVE and XX of the Social Security Act, the Child Care and Development Block Grant of 1990, and the Personal Responsibility and Work Opportunity Reconciliation Act of 1996. The program is implemented by Title 45 of the Code of Federal Regulations, Parts 98 and 99. The Department provides services to adults and children pursuant to MCL 400.14(1) and 1999 AC, Rule 400.5001 through Rule 400.5015.

Additionally, the Department, based upon the application completed by the Claimant, denied her request for medical assistance due to the fact that the Claimant (as an adult) was not eligible for medical assistance. The Adult Medical Program was not open to new applicants, as the program was closed.

The Department also correctly determined, based on the application filed by the Claimant, that the Claimant was not considered for the Group 2 Caretaker program as the primary caretaker of her children, as she did not demonstrate that she had care and custody of her children the requisite amount of time per month as the primary caretaker. The Claimant's application provided that her children lived with her in her home 12 days out of the month and somewhere else for 18 days.

In order to be considered a primary caretaker, the applicant must demonstrate that they provide the home where the child sleeps more than half of the days in a month, averaged over a twelve month period. BEM135, p. 4. Exhibit 1 p. D and E. Based on the information available to the Department provided by the Claimant at the time of the application, the Department correctly concluded that the Claimant was not the primary caretaker. Thus, the Claimant was not eligible to receive medical assistance as a Group 2 caretaker. Also at the time of the application, the Claimant's children were receiving medical assistance on another case. Unfortunately, the Claimant incorrectly filled out the application, and the hours she provided a home were reversed, but that fact does not change the outcome of the Department's decision based upon all the information available to it. The Department correctly denied the Claimant's application.

Based upon the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, the Administrative Law Judge concludes that the Department

properly denied Claimant's application improperly denied Claimant's application
 properly closed Claimant's case improperly closed Claimant's case

for: AMP FIP FAP MA SDA CDC.

DECISION AND ORDER
