2. From April 2010 through December 2010, the claimant's SSI payments were suspended.
3. The claimant's SSI payments were reinstated in December 2010, in the amount of [REDACTED]. (Department Exhibits 10-12).
4. Based on the suspension of the claimant's SSI benefits, the claimant's SSP payments were suspended and began again as of February 2011. (Department Hearing Summary).
5. The claimant did not receive a SSP payment for the month of January 2011.

6. The claimant filed a request for hearing on July 19, 2011 due to not receiving a SSP payment for the month of January 2011 on his quarterly check.

The State Supplementary Security Income program was established pursuant to Title XVI of the Social Security Act in 42 USC 1381, *et seq.*, and implemented by the provisions of Title 20 of the Code of Federal Regulations (CFR). The Department of Human Services (DHS or department) administers the State SSI program pursuant to 2002 PA 529, MCL 400.10, *et seq.*, and by agreement between the State of Michigan and the United States Secretary of Health and Human Services (Secretary). Department policies are contained in the Bridges Administrative Manual (BAM), the Bridges Eligibility Manual (BEM) and the Program Reference Manual (PRM).

#### **SSI BENEFITS**

Supplemental Security Income (SSI) is a cash benefit to needy persons who are aged (at least 65), blind or disabled. It is a federal program administered by the Social Security Administration (SSA). States are allowed the option to supplement the federal benefit with state funds. In Michigan, SSI benefits include a basic federal benefit and an additional amount paid with State funds. The amount of the state benefit varies by living arrangement. BEM, Item 660, p. 1.

Payments are made for only those months the recipient received a regular monthly federal benefit. SSPs are NOT issued for retroactive or supplemental federal benefits. BEM, Item 660, p. 1.

In the case at hand, the claimant was receiving SSI benefits, but those benefits were suspended for the months of April through December 2010. The department was allowed to speak to an individual from the Social Security Administration to determine

whether or not the claimant had in fact received an SSI payment for the month of January, 2011. The information provided by the department indicates that yes, the claimant did in fact receive an SSI payment for the month of January, 2011 (see Department Exhibit 7). In this communication, the department representative stated that because the claimant did receive his regular SSI payment for the month of January, 2011, the department should have issued a SSP payment for that month. Based on the information and statements provided by the department, this Administrative Law Judge finds that the claimant should have received an SSP payment for the month of January, 2011.

**DECISION AND ORDER**

The Administrative Law Judge, based upon the above findings of fact and conclusions of law, decides that the department improperly withheld the claimant's SSP payment for the month of January, 2011 due to the claimant not receiving a regular SSI payment.

Accordingly, the department's actions are **REVERSED**. The department shall issue a SSP payment to the claimant for the month of January, 2011 if the claimant is otherwise eligible to receive such.
