Physically or mentally unfit for employment. BEM 245 page 3. Emphasis supplied

The Department confirmed at the hearing that the Claimant had indicated in her online application that she was disabled. The Department concluded, based upon the fact that the Claimant had been denied SSI, that she was not physically or mentally unfit for employment and thus did not meet the requirement that she be employed for 20 hours in order to be eligible for FAP and denied the application.

The Department erred when it denied the Claimant's FAP application. The Department is required to consider whether the Claimant can verify her lack of fitness for employment based upon a statement by a Doctor's or DO. BEM 245, page 6.

Based upon the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, the Administrative Law Judge concludes that the Department

properly denied Claimant's application       improperly denied Claimant's application  
 properly closed Claimant's case               improperly closed Claimant's case
