ADMINISTRATIVE HEARINGS FOR THE
DEPARTMENT OF HUMAN SERVICES

IN THE MATTER OF:

Reg. No: 2011-46948
Issue No: 1038
Case No: [REDACTED]
Hearing Date: September 8, 2011
St. Clair County DHS

ADMINISTRATIVE LAW JUDGE: Christopher S. Saunders

HEARING DECISION

This matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9 and MCL 400.37 upon claimant's request for a hearing. After due notice, a telephone hearing was held on September 8, 2011. The claimant appeared and provided testimony.

ISSUE

Did the department properly terminate and sanction the claimant's Family Independence Program (FIP) benefits for noncompliance with Work First/Jobs, Education and Training (WF/JET) requirements?

FINDINGS OF FACT

The Administrative Law Judge, based upon the competent, material and substantial evidence on the whole record, finds as material fact:

1. The claimant applied for FIP benefits and was referred to the WF/JET program.
2. The claimant missed assignments on July 5, July 7, and July 15, 2011. (Department Exhibits 3-7).
3. Based upon the missed assignments, the claimant was sent a notice of noncompliance (DHS 2444) on July 18, 2011, scheduling a triage for July 28, 2011. (Department Exhibit 10).
4. No good cause was found for her noncompliance and the claimant was sent a notice of case action (DHS 1605) on July 28, 2011 informing her that her FIP case would be closing for a period of twelve months due to a third instance of noncompliance. (Department Exhibits 12-17).

5. The claimant filed a hearing request August 1, 2011.

CONCLUSIONS OF LAW

Clients have the right to contest a department decision affecting eligibility for benefit levels whenever it is believed that the decision is incorrect. BAM 600. The department provides an administrative hearing to review the decision and determine its appropriateness. BAM 600.

The regulations that govern the hearing and appeal process for applicants and recipients of public assistance in Michigan are contained in the Michigan Administrative Code (Mich Admin Code) Rules 400.901 through 400.951. An opportunity for a hearing shall be granted to a recipient who is aggrieved by an agency action resulting in suspension, reduction, discontinuance, or termination of assistance. Mich Admin Code 400.903(1).

The Family Independence Program (FIP) was established pursuant to the Personal Responsibility and Work Opportunity Reconciliation Act of 1996, Public Law 104-193, 8 USC 601, *et seq.* The Department of Human Services (DHS or department) administers the FIP program pursuant to MCL 400.10, *et seq.*, and MAC R 400.3101-3131. The FIP program replaced the Aid to Dependent Children (ADC) program effective October 1, 1996. Department policies are found in the Bridges Administrative Manual (BAM), the Bridges Eligibility Manual (BEM) and the Program Reference Manual (PRM).

Department policy states that clients must be made aware that public assistance is limited to 48 months to meet their family's needs and that they must take personal responsibility to achieve self-sufficiency. This message, along with information on ways to achieve independence, direct support services, non-compliance penalties, and good cause reasons, is initially shared by the department when the client applies for cash assistance. Jobs, Education and Training (JET) program requirements, education and training opportunities, and assessments are covered by the JET case manager when a mandatory JET participant is referred at application. BEM 229.

Federal and State laws require each work eligible individual (WEI) in the FIP and Refugee Assistance Program (RAP) group to participate in the Jobs, Education and Training (JET) Program or other employment-related activities unless temporarily deferred or engaged in activities that meet participation requirements. These clients must participate in employment and/or self-sufficiency-related activities to increase their employability and obtain stable employment. JET is a program administered by the Michigan Department of Energy, Labor and Economic Growth (DELEG) through the Michigan Works Agencies (MWAs). The JET program serves employers and job seekers for employers to have skilled workers and job seekers to obtain jobs that provide economic self-sufficiency. A WEI who refuses, without good cause, to

participate in assigned employment and/or self-sufficiency-related activities is subject to penalties. BEM 230A.

Noncompliance is defined by department policy as failing or refusing to do a number of activities, such as attending and participating with WF/JET, completing the FAST survey, completing job applications, participating in employment or self-sufficiency-related activities, providing legitimate documentation of work participation, etc. BEM 233A.

Department policy states:

As a condition of eligibility, all WEIs and non-WEIs must work or engage in employment and/or self-sufficiency-related activities. Noncompliance of applicants, recipients, or member adds means doing any of the following without good cause:

- . Failing or refusing to:
 - .. Appear and participate with the Jobs, Education and Training (JET) Program or other employment service provider.
 - .. Complete a Family Automated Screening Tool (FAST), as assigned as the first step in the FSSP process.
 - .. Develop a Family Self-Sufficiency Plan (FSSP) or a Personal Responsibility Plan and Family Contract (PRPFC).
 - .. Comply with activities assigned to on the Family Self-Sufficiency Plan (FSSP) or PRPFC.
 - .. Appear for a scheduled appointment or meeting related to assigned activities.
 - .. Provide legitimate documentation of work participation.
 - .. Participate in employment and/or self-sufficiency-related activities.
 - .. Accept a job referral.
 - .. Complete a job application.

- .. Appear for a job interview (see the exception below).
- . Stating orally or in writing a definite intent not to comply with program requirements.
- . Threatening, physically abusing or otherwise behaving disruptively toward anyone conducting or participating in an employment and/or self-sufficiency-related activity.
- . Refusing employment support services if the refusal prevents participation in an employment and/or self-sufficiency-related activity. BEM 233A, pp. 1-2.

Good cause is a valid reason for noncompliance with employment and/or self-sufficiency-related activities that are based on factors that are beyond the control of the noncompliant person. A claim of good cause must be verified and documented for member adds and recipients. BEM 233A. Department policy defines good cause as follows:

GOOD CAUSE FOR NONCOMPLIANCE

Good cause is a valid reason for noncompliance with employment and/or self-sufficiency-related activities that are based on factors that are beyond the control of the noncompliant person. A claim of good cause must be verified and documented for member adds and recipients.

Good cause includes the following:

- . The person is working at least 40 hours per week on average and earning at least state minimum wage.
- . The client is physically or mentally unfit for the job or activity, as shown by medical evidence or other reliable information. This includes any disability-related limitations that preclude participation in a work and/or self-sufficiency-related activity. The disability-related needs or limitations may not have been identified or assessed prior to the noncompliance.

Illness or Injury

The client has a debilitating illness or injury, or an immediate family member's illness or injury requires in-home care by the client.

Reasonable Accommodation

The DHS, employment services provider, contractor, agency, or employer failed to make reasonable accommodations for the client's disability or the client's needs related to the disability. BEM 233A, pp. 3-4.

No Child Care

The client requested Child Day Care Services (CDC) from DHS, the MWA, or other employment services provider prior to case closure for noncompliance and CDC is needed for a CDC-eligible child, but none is appropriate, suitable, affordable and within reasonable distance of the client's home or work site.

- . **Appropriate.** The care is appropriate to the child's age, disabilities and other conditions.
- . **Reasonable distance.** The total commuting time to and from work and child care facilities does not exceed three hours per day.
- . **Suitable provider.** The provider meets applicable state and local standards. Also, providers (e.g., relatives) who are NOT registered/licensed by the DHS Office of Child and Adult Services must meet DHS enrollment requirements for day care aides or relative care providers. See BEM 704.
- . **Affordable.** The child care is provided at the rate of payment or reimbursement offered by DHS.

No Transportation

The client requested transportation services from DHS, the MWA, or other employment services provider prior to case closure and reasonably priced transportation is not available to the client.

Illegal Activities

The employment involves illegal activities.

Discrimination

The client experiences discrimination on the basis of age, race, disability, gender, color, national origin, religious beliefs, etc. BEM 233A, p. 4.

Unplanned Event or Factor

Credible information indicates an unplanned event or factor which likely prevents or significantly interferes with employment and/or self-sufficiency-related activities. Unplanned events or factors include, but are not limited to the following:

- . Domestic violence.
- . Health or safety risk.
- . Religion.
- . Homelessness.
- . Jail.
- . Hospitalization.

Comparable Work

The client quits to assume employment comparable in salary and hours. The new hiring must occur before the quit.

Long Commute

Total commuting time exceeds:

- . Two hours per day, NOT including time to and from child care facilities, **or**
- . Three hours per day, including time to and from child care facilities. BEM 233A, pp.4-5.

JET participants will not be terminated from a JET program without first scheduling a “triage” meeting with the client to jointly discuss noncompliance and good cause. The department coordinates the process to notify the MWA case manager of triage meetings including scheduling guidelines.

The department is required to send a DHS-2444, Notice of Employment and/or Self-Sufficiency Related Noncompliance within three days after learning of the noncompliance which must include the date of noncompliance, the reason the client was determined to be noncompliant, the penalty that will be imposed and the triage date within the negative action period. BEM 233A.

Good cause should be determined based on the best information available during the triage and prior to the negative action date. Good cause may be verified by information already on file with DHS or MWA. Good cause must be considered even if the client does not attend, with particular attention to possible disabilities (including disabilities that have not been diagnosed or identified by the client) and unmet needs for accommodation. BEM 233A.

Clients can either attend a meeting or participate in a conference call if attendance at the triage meeting is not possible. If a client calls to reschedule an already scheduled triage meeting, the client is offered a telephone conference at that time. Clients must comply with triage requirement within the negative action period. If it is determined at triage that the client has good cause, and good cause issues have been resolved, the client should be sent back to JET. BEM 233A.

If the department finds that the client has been noncompliant without good cause, the department must impose penalties. Department policy clearly states the penalties that must be imposed for noncompliance without good cause and for the action to be taken should the department determine that good cause has been established:

NONCOMPLIANCE PENALTIES FOR ACTIVE FIP CASES AND MEMBER ADDS

The penalty for noncompliance without good cause is FIP closure. Effective April 1, 2007, the following minimum penalties apply:

- . For the first occurrence on the FIP case, close the FIP for 3 calendar months unless the client is excused from the noncompliance as noted in "First Case Noncompliance Without Loss of Benefits" below.
- . For the second occurrence on the FIP case, close the FIP for 3 calendar months.
- . For the third and subsequent occurrence on the FIP case, close the FIP for 12 calendar months.

- . The penalty counter also begins April 1, 2007 regardless of the previous number of noncompliance penalties. BEM 233A, pp. 6.

Good Cause Established

If the client establishes good cause within the negative action period, do **NOT** impose a penalty. See "Good Cause for Noncompliance" earlier in this item. Send the client back to JET, if applicable, after resolving transportation, CDC, or other factors which may have contributed to the good cause. Do not enter a new referral on ASSIST. Enter the good cause reason on the DHS-71 and on the FSSP under the "Participation and Compliance" tab.

Good Cause NOT Established

If the client does NOT provide a good cause reason within the negative action period, determine good cause based on the best information available. If no good cause exists, allow the case to close. If good cause is determined to exist, delete the negative action. BEM 233A, pp. 10-11.

This Administrative Law Judge finds that the claimant was noncompliant with WF/JET program requirements by missing assignments on July 5, July 7, and July 15, 2011.

The claimant testified that she missed her appointment on July 5 because she did not feel well. When questioned as to whether or not she provided documentation to the department, the claimant stated that her doctor would not excuse her from work because he felt she was able to work. The claimant then testified that she missed her appointment on July 7 because she missed the bus and could not find transportation. Additionally, the claimant testified that she missed her appointment on July 15 because she was told by her JET worker that her case had already been sent to triage. The JET worker testified that he did tell the claimant that her case had been sent to triage but that he told her this after the fifteenth. The notes from the JET worker (Department Exhibits 3-7) show that the claimant called the department on the fifteenth and stated that she would not be in attendance for her appointment because she was not feeling well. However, again there was no documentation provided to the department as to the nature or extent of the claimant's alleged illness.

Good cause is defined as a valid reason for noncompliance with employment and/or self-sufficiency-related activities that are based on factors that are beyond the control of the noncompliant person. BEM 233A. The claimant has not provided any proper documentation of good cause for her noncompliance. Therefore, the department acted
