CONCLUSIONS OF LAW

Department policies are contained in the Bridges Administrative Manual (BAM), the Bridges Eligibility Manual (BEM), and the Reference Tables Manual (RFT).

The Adult Medical Program (AMP) is established by 42 USC 1315, and is administered by the Department pursuant to MCL 400.10, *et seq.*

The Family Independence Program (FIP) was established pursuant to the Personal Responsibility and Work Opportunity Reconciliation Act of 1996, Public Law 104-193, 42 USC 601, *et seq.* The Department (formerly known as the Family Independence Agency) administers FIP pursuant to MCL 400.10, *et seq.*, and 1999 AC, Rule 400.3101 through Rule 400.3131. FIP replaced the Aid to Dependent Children (ADC) program effective October 1, 1996.

The Food Assistance Program (FAP) [formerly known as the Food Stamp (FS) program] is established by the Food Stamp Act of 1977, as amended, and is implemented by the federal regulations contained in Title 7 of the Code of Federal Regulations (CFR). The Department (formerly known as the Family Independence Agency) administers FAP pursuant to MCL 400.10, *et seq.*, and 1999 AC, Rule 400.3001 through Rule 400.3015.

The Medical Assistance (MA) program is established by the Title XIX of the Social Security Act and is implemented by Title 42 of the Code of Federal Regulations (CFR). The Department (formerly known as the Family Independence Agency) administers the MA program pursuant to MCL 400.10, *et seq.*, and MCL 400.105.

The State Disability Assistance (SDA) program, which provides financial assistance for disabled persons, is established by 2004 PA 344. The Department (formerly known as the Family Independence Agency) administers the SDA program pursuant to MCL 400.10, *et seq.*, and 2000 AACCS, Rule 400.3151 through Rule 400.3180.

The Child Development and Care (CDC) program is established by Titles IVA, IVE and XX of the Social Security Act, the Child Care and Development Block Grant of 1990, and the Personal Responsibility and Work Opportunity Reconciliation Act of 1996. The program is implemented by Title 45 of the Code of Federal Regulations, Parts 98 and 99. The Department provides services to adults and children pursuant to MCL 400.14(1) and 1999 AC, Rule 400.5001 through Rule 400.5015.

Additionally, the Department correctly reduced the Claimant's FAP benefits due to a change in Department policy regarding student eligibility for FAP. Recent changes to the Department policy in March 2011 no longer allows a part or full time student to receive food assistance, unless the student is employed at least 20 hours per week and is paid for their work. BEM 245. The Claimant's daughter attends college full time, but is not employed. The Department accordingly removed the Claimant's daughter from the FAP group as she is no longer eligible for FAP benefits. The Claimant's FAP budget was reviewed and it is determined that the change in the FAP groups size caused a reduction in FAP benefits.

The Department also closed the Claimant's Medical Assistance case when his daughter became 18 years old in August 2011. The Claimant was eligible for medical assistance as a caretaker of a dependant child. Once the Claimant's daughter became 18, she was no longer considered a dependent child and therefore the Claimant lost his caretaker status and his medical assistance was closed. BEM135, page 3.

Based upon the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, the Administrative Law Judge concludes that, due to excess income, the Department properly improperly

denied Claimant's application

- reduced Claimant's Food Assistance benefits
- closed Claimant's Medicinal Assistance case

for: AMP FIP FAP MA SDA CDC.
