CONCLUSIONS OF LAW

Department policies are found in the Bridges Administrative Manual (BAM), the Bridges Eligibility Manual (BEM) and the Reference Tables Manual (RFT).

The Family Independence Program (FIP) was established pursuant to the Personal Responsibility and Work Opportunity Reconciliation Act of 1996, Public Law 104-193, 42 USC 601, *et seq.* The Department (formerly known as the Family Independence Agency) administers FIP pursuant to MCL 400.10, *et seq.*, and 1999 AC, Rule 400.3101 through Rule 400.3131. FIP replaced the Aid to Dependent Children (ADC) program effective October 1, 1996.

The Food Assistance Program (FAP) [formerly known as the Food Stamp (FS) program] is established by the Food Stamp Act of 1977, as amended, and is implemented by the federal regulations contained in Title 7 of the Code of Federal Regulations (CFR). The Department (formerly known as the Family Independence Agency) administers FAP pursuant to MCL 400.10, *et seq.*, and 1999 AC, Rule 400.3001 through Rule 400.3015.

The Medical Assistance (MA) program is established by the Title XIX of the Social Security Act and is implemented by Title 42 of the Code of Federal Regulations (CFR). The Department (formerly known as the Family Independence Agency) administers the MA program pursuant to MCL 400.10, *et seq.*, and MCL 400.105.

The State Disability Assistance (SDA) program which provides financial assistance for disabled persons is established by 2004 PA 344. The Department (formerly known as the Family Independence Agency) administers the SDA program pursuant to MCL 400.10, *et seq.*, and 2000 AAC, Rule 400.3151 through Rule 400.3180.

The Child Development and Care (CDC) program is established by Titles IVA, IVE and XX of the Social Security Act, the Child Care and Development Block Grant of

1990, and the Personal Responsibility and Work Opportunity Reconciliation Act of 1996. The program is implemented by Title 45 of the Code of Federal Regulations, Parts 98 and 99. The Department provides services to adults and children pursuant to MCL 400.14(1) and 1999 AC, Rule 400.5001 through Rule 400.5015.

Additionally, Claimant was sent a Redetermination form (DHS 1010) on March 15, 2011, in connection with her CDC case. The completed form, and any requested verifications, were due on April 1, 2011. In an April 18, 2011, Notice of Case Action, the Department notified Claimant that her CDC case would close effective May 9, 2011, based on Claimant's failure to return the completed redetermination form and provide requested proofs.

At the hearing, Claimant did not deny receiving the redetermination form. She testified that she was certain that she had completed the form but could not specify the manner in which she had returned the material. The Department testified that it had reviewed Claimant's file for the period from March 15, 2011, when the redetermination form was sent, to April 1, 2011, when it was due, but had not found the completed form. Because the Department did not have the requested documentation in its file and Claimant could provide no support for her contention that she had timely submitted it, the evidence establishes that the Department acted in accordance with Department policy when it closed Claimant's CDC case based on Claimant's failure to provide requested information.

Based upon the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, the Administrative Law Judge concludes that the Department properly improperly

- closed Claimant's case.
- denied Claimant's application.
- reduced Claimant's benefits.
