ADMINISTRATIVE HEARINGS FOR THE
DEPARTMENT OF HUMAN SERVICES

IN THE MATTER OF:

[REDACTED]

Reg. No: 2011-8072

Issue No: 1038

[REDACTED]

ADMINISTRATIVE LAW JUDGE: Gary F. Heisler

HEARING DECISION

This matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9; and MCL 400.37 upon claimant's request for a hearing. After due notice, a hearing was held on February 8, 2011. Claimant appeared and testified.

ISSUE

Did the Department of Human Services properly sanction Claimant's Family Independence Program (FIP) case for failure to participate in employment and/or self-sufficiency related activities?

FINDINGS OF FACT

The Administrative Law Judge, based upon the competent, material and substantial evidence on the whole record, finds as material fact:

- (1) Claimant was an ongoing recipient of Family Independence Program (FIP) benefits. Claimant was a mandatory participant in the Michigan Works Agency/Jobs Education and Training Program (JET).
- (2) On July 1, 2010 Claimant gained employment.
- (3) On October 7, 2010 JET confirmed Claimant was still employed.
- (4) On October 25, 2010 Claimant was fired from her employment.
- (5) On November 3, 2010 the Department received a Verification of

Employment (DHS Form 38) which stated Claimant had been fired. There are no details of the circumstances on the form.

- (6) On November 12, 2010 Claimant participated in a triage meeting. The Department determined there was no good cause for Claimant's failure to participate in employment and/or self-sufficiency related activities. Claimant was sent a Notice of Case Action (DHS-1605) stating that her Family Independence Program (FIP) case would be sanctioned.
- (7) On November 18, 2010 Claimant submitted a timely request for hearing.

CONCLUSIONS OF LAW

The Family Independence Program (FIP) was established pursuant to the Personal Responsibility and Work Opportunity Reconciliation Act of 1996, Public Law 104-193, 8 USC 601, *et seq.* The Department of Human Services (formerly known as the Family Independence Agency) administers the FIP program pursuant to MCL 400.10, *et seq.*, and MAC R 400.3101-3131. The FIP program replaced the Aid to Dependent Children (ADC) program effective October 1, 1996. Department policies are found in the Bridges Administrative Manual (BAM), the Bridges Eligibility Manual (BEM) and the Program Reference Manual (PRM).

Department policy provides the following guidance for case workers. The Department's policies are available on the internet through the Department's website.

BEM 233A FAILURE TO MEET EMPLOYMENT AND/OR SELFSUFFICIENCY-RELATED REQUIREMENTS: FIP

DEPARTMENT PHILOSOPHY

FIP

DHS requires clients to participate in employment and self-sufficiency related activities and to accept employment when offered. Our focus is to assist clients in removing barriers so they can participate in activities which lead to self-sufficiency. However, there are consequences for a client who refuses to participate, without good cause.

The goal of the FIP penalty policy is to obtain client compliance with appropriate work and/or self-sufficiency related assignments and to ensure that barriers to such compliance have been identified and removed. The goal is to bring the client into compliance.

Noncompliance may be an indicator of possible disabilities. Consider further exploration of any barriers.

DEPARTMENT POLICY

FIP

All Work Eligible Individual (WEI) and adult non-WEIs (except ineligible grantees, clients deferred for lack of child care (DC) and disqualified aliens), see BEM 228, who fail, without good cause, to participate in employment or self-sufficiency-related activities, must be penalized.

Depending on the case situation, penalties include the following:

- Delay in eligibility at application.
- Ineligibility (denial or termination of FIP with no minimum penalty period).
- Case closure for a minimum of three or 12 months.

See BEM 233B for the Food Assistance Program (FAP) policy when the FIP penalty is closure. For the Refugee Assistance Program (RAP) penalty policy, see BEM 233C.

NONCOMPLIANCE WITH EMPLOYMENT AND/OR SELSUFFICIENCY RELATED ACTIVITIES

As a condition of eligibility, all WEIs and non-WEIs must work or engage in employment and/or self-sufficiency-related activities.

Noncompliance of applicants, recipients, or member adds means doing **any** of the following **without** good cause:

Exception: Do not apply the three or 12 month penalty to ineligible caretakers, clients deferred for lack of child care and disqualified aliens.

Failure to complete a FAST or FSSP results in closure due to failure to provide requested verification. Clients can reapply at any time.

- Failing or refusing to:
 - Appear and participate with the Jobs, Education and Training (JET) Program or other employment service provider.
 - Complete a Family Automated Screening Tool (FAST), as assigned as the first step in the FSSP process.

Note: FIS should clear any alerts relating to rejected JET refunds and any FAST confirmation information the client has obtained before considering a client noncompliant for FAST completion.
 - Develop a Family Self-Sufficiency Plan (FSSP).

Note: FIS must have scheduled a FSSP completion appointment with the client and the client failed to attend before considering a client noncompliant for FSSP completion.
 - Comply with activities assigned on the FSSP.
 - Provide legitimate documentation of work participation.
 - Appear for a scheduled appointment or meeting related to assigned activities.
 - Participate in employment and/or self-sufficiency-related activities.
 - Accept a job referral.
 - Complete a job application.
 - Appear for a job interview (see the exception below).
- Stating orally or in writing a definite intent not to comply with program requirements.

- Threatening, physically abusing or otherwise behaving disruptively toward anyone conducting or participating in an employment and/or self-sufficiency-related activity.
- Refusing employment support services if the refusal prevents participation in an employment and/or self-sufficiency-related activity.

Refusing Suitable Employment

Refusing suitable employment means doing **any** of the following:

- Voluntarily reducing hours or otherwise reducing earnings.
- Quitting a job (see exception below).

Exception: This does NOT apply if:

- The MWA verifies the client changed jobs or reduced hours in order to participate in an MWA approved education and training program.
- A teen parent or dependent child quits a seasonal job to return to a high school or GED program.
- Firing for misconduct or absenteeism (not for incompetence).

Note: Misconduct sufficient to warrant firing includes any action by an employee or other adult group member that is harmful to the interest of the employer, and is done intentionally or in disregard of the employer's interest, or is due to gross negligence. It includes but is not limited to drug or alcohol influence at work, physical violence, and theft or willful destruction of property connected with the individual's work.

- Refusing a bona fide offer of employment or additional hours **up to** 40 hours per week. A bona fide offer of employment means a definite offer paying wages of at least the applicable state minimum wage. The employment may be on a shift; full or part time **up to** 40 hours per week; and temporary, seasonal or permanent.

GOOD CAUSE FOR NONCOMPLIANCE

Good cause is a valid reason for noncompliance with employment and/or self-sufficiency-related activities that are based on factors that are beyond the control of the noncompliant person. A claim of good cause must be verified and documented for member adds and recipients.

NONCOMPLIANCE PENALTIES FOR ACTIVE FIP CASES AND MEMBER ADDS

The penalty for noncompliance without good cause is FIP closure.

Effective April 1, 2007, the following minimum penalties apply:

- For the first occurrence on the FIP case, close the FIP for 3 calendar months unless the client is excused from the noncompliance as noted in “First Case Noncompliance Without Loss of Benefits” below.
- For the second occurrence on the FIP case, close the FIP for 3 calendar months.
- For the third and subsequent occurrence on the FIP case, close the FIP for 12 calendar months.

The penalty counter also begins April 1, 2007 regardless of the previous number of noncompliance penalties.

Begin the sanction period with the first pay period of a month. Penalties are automatically calculated by the entry of noncompliance without good cause on the FSSP. This applies to active FIP cases, including those with a member add who is a WEI JET participant.

TRIAGE

JET participants will not be terminated from a JET program without first scheduling a “triage” meeting with the client to jointly discuss noncompliance and good cause. Locally coordinate a process to notify the MWA case manager of triage meetings including scheduling guidelines.

Clients can either attend a meeting or participate in a conference call if attendance at the triage meeting is not possible. If a client calls to reschedule an already scheduled triage meeting, offer a phone conference at that time. Clients must comply with triage requirements within the negative action period.

When a phone triage is conducted for a first noncompliance and the client agrees to comply, complete the DHS-754, First Noncompliance Letter, as you would complete in a triage meeting. Note in the client signature box "Client Agreed by Phone". Immediately send a copy of the DHS-754 to the client and phone the JET case manager if the compliance activity is to attend JET.

Determine good cause based on the best information available during the triage and prior to the negative action date. Good cause may be verified by information already on file with DHS or MWA.

In this case Jet requested a triage based on their signed contract with Claimant which states that if she is fired she is in non-compliance and will be terminated from JET. The Department of Human Services policy cited above controls whether or not Claimant will be sanctioned. That policy does define firing for misconduct or absenteeism as non-compliance and a valid basis for sanction.

There is no information from the employer on the reason that Claimant was fired. Claimant reported more than one thing which she feels were the reasons for the discharge. Those include: receiving a low audit score on her work performance; being off work for 3 days due to a knee injury she sustained on the way to work one day; a complaint she made about a vacuum cleaner cord she felt was unsafe; and the fact that she was the only African American working there.

The record does not contain sufficient evidence to determine the reason that Claimant was fired. In the absence of evidence sufficient to establish that Claimant was fired for misconduct or absenteeism, the Department has failed its evidentiary burden of showing Claimant was non-compliant. In the absence of established non-compliance Claimant cannot be sanctioned.

DECISION AND ORDER

The Administrative Law Judge, based upon the above findings of fact and conclusions of law, decides the Department of Human Services DID NOT properly sanction Claimant's Family Independence Program (FIP) case for failure to participate in employment and/or self-sufficiency related activities.
