ISSUE

Whether the claimant meets the disability criteria for MA-P and retroactive MA-P?

FINDINGS OF FACT

The Administrative Law Judge, based upon the competent, material, and substantial evidence on the whole record, finds a material fact:

1. On May 13, 2010, the claimant applied for MA-P and retroactive MA-P to March 2010.
2. At the conclusion of the hearing, the record was held open at claimant's request for the submission of additional medical records. Medical records were received and submitted to the State Hearing Review Team (SHRT). SHRT approved claimant's claim of disability on November 29, 2011.

The claimant is alleges disability due to two heart stents, COPD, diabetes with back and knee problems. He is 49 years old and has a limited education with a history of workings a forklift driver.

The claimant was approved for benefits with the Disability Determination Service effective January 1, 2011. Therefore, MA-P/Retroactive MA-P is approved to January 1, 2011. The medical evidence on record indicates that the claimant retained the capacity to perform a wide range of unskilled, light work. At the medical review in November 2012, please check to see if the claimant is in current payment status or not. If not in current payment status, then a medical review is required.

3. This Administrative Law Judge finds that the claimant met criteria for disability based on the objective medical evidence of the record retroactive to March 2010.

CONCLUSIONS OF LAW

The Medical Assistance (MA) program is established by the Title XIX of the Social Security Act and is implemented by Title 42 of the Code of Federal Regulations (CFR). The Department of Human Services (formerly known as the Family Independence Agency) administers the MA program pursuant to MCL 400.10, *et seq.*, and MCL 400.105. Department policies are found in the Bridges Administrative Manual (BAM), the Bridges Eligibility Manual (BEM) and the Program Reference Manual (PRM).

Because of the SHRT determination, it is not necessary for the Administrative Law Judge to discuss the issue of disability, per Program Administrative Manual, Item 600.

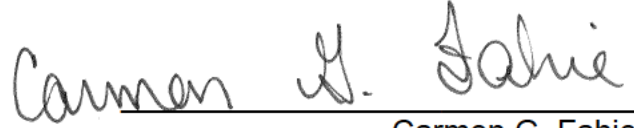

The department is required to initiate a determination of claimant's financial eligibility for the requested benefits, if not previously done. The claimant is eligible for MA-P retroactive to March 2010 with a medical review required November 2012 if the claimant is not in current payment status.

DECISION AND ORDER

The Administrative Law Judge, based upon the above findings of fact and conclusions of law decides that the claimant meets the definition of medically disabled under the Medical Assistance Program retroactive to March 2010 with a medical review required November 2012 if the claimant is not in current payment status.

Accordingly, the department is ORDERED to initiate a review of the March 13, 2010 application, if it has not already done so, to determine if all other non-medical eligibility criteria are met.

The department shall inform the claimant of the determination in writing.
