#### CONCLUSIONS OF LAW

The Medical Assistance (MA) program is established by Title XIX of the Social Security Act and is implemented by Title 42 of the Code of Federal Regulations (CFR). The Department of Human Services (formerly known as the Family Independence Agency) administers the MA program pursuant to MCL 400.10, *et seq.*, and MCL 400.105. Department policies are found in the Bridges Administrative Manual (BAM), the Bridges Eligibility Manual (BEM) and the Program Reference Manual (PRM). The Medical Assistance program was designed to assist needy persons with medical expenses.

Under Bridges Administrative Manual Item 600, clients have the right to contest any agency decision affecting eligibility or benefit levels whenever they believe the decision is illegal. The agency provides an Administrative Hearing to review the decision and determine if it is appropriate. Agency policy includes procedures to meet the minimal requirements for a fair hearing. Efforts to clarify and resolve the client's concerns start when the agency receives a hearing request and continues through the day of the hearing.

In the present case, the parties reached an agreement whereby the Department agreed to reinstate Claimant's MA benefits back to the date of closure and reprocess medical bills. Since the Claimant and the Department have come to an agreement it is

unnecessary for this Administrative Law Judge to make a decision regarding the facts and issues in this case.

DECISION AND ORDER

The Department and Claimant have come to a settlement regarding Claimant's request for a hearing. Therefore it is ORDERED that the Department reinstate Claimant's MA benefits back to the date of closure and reprocess medical bills, in accordance with this settlement agreement.
