STATE OFFICE OF ADMINISTRATIVE HEARINGS AND RULES  
ADMINISTRATIVE HEARINGS FOR THE  
DEPARTMENT OF HUMAN SERVICES

IN THE MATTER OF:

Reg. No: 201113704  
Issue No: [REDACTED]  
Case No: [REDACTED]  
Hearing Date:  
March 24, 2011  
Saginaw County DHS

ADMINISTRATIVE LAW JUDGE: Vicki L. Armstrong

**HEARING DECISION**

This matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9 and MCL 400.37 upon Claimant's request for a hearing received on December 4, 2010. After due notice, a telephone hearing was held on March 24, 2011. Claimant personally appeared and provided testimony.

**ISSUE**

Did the department properly terminate and sanction Claimant's Family Independence Program (FIP) benefits for noncompliance with Work First/Jobs, Education and Training (WF/JET) requirements?

**FINDINGS OF FACT**

The Administrative Law Judge, based upon the competent, material and substantial evidence on the whole record, finds as material fact:

1. At the time relevant to this matter, Claimant was a recipient of FIP benefits and a mandatory WF/JET participant.
2. On October 20, 2010, and November 4, 2010, WF/JET documented Claimant's failure to participate as required in job search and community service activities for the month of October 2010, and her failure to attend her appointments scheduled on November 1 and 4, 2010. (Department Exhibits 3-4, 6).
3. On November 19, 2010, the department mailed Claimant a Notice of Noncompliance (DHS 2444), for her failure to participate as required in employment and/or self-sufficiency related activities and her failure to attend scheduled appointments. The Notice indicated that this was at least the third time that a member of Claimant's FIP group was non-compliant and scheduled a Triage appointment for Claimant for December 2, 2010 at 11:20 A.M. (Department Exhibit 1-2).

4. Claimant attended her December 2, 2010 Triage appointment by telephone, during which the department concluded that Claimant did not establish good cause for her failure to participate as required in employment and/or self-sufficiency related activities and her failure to attend scheduled appointments. (Department Exhibits 3, 5).
5. On December 2, 2010, the department mailed Claimant a Notice of Case Action (DHS 1605), indicating that her FIP case would be closed and sanctioned from January 1, 2011 through December 31, 2011, due to Claimant's failure, for at least the third time, to participate in employment and/or self-sufficiency related activities without good cause. (Department Exhibits 7-10).
6. On December 4, 2010, Claimant submitted a hearing request protesting the closure of her FIP case and sanctions.

### **CONCLUSIONS OF LAW**

The regulations governing the hearing and appeal process for applicants and recipients of public assistance in Michigan are found in the Michigan Administrative Code, MAC R 400.901-400.951. An opportunity for a hearing shall be granted to an applicant who requests a hearing because his claim for assistance is denied. MAC R 400.903(1).

Clients have the right to contest a department decision affecting eligibility or benefit levels whenever it is believed that the decision is incorrect. The department will provide an administrative hearing to review the decision and determine the appropriateness of that decision. BAM 600.

The Family Independence Program (FIP) was established pursuant to the Personal Responsibility and Work Opportunity Reconciliation Act of 1996, Public Law 104-193, 8 USC 601, et seq. The Department of Human Services (DHS or Department) administers the FIP program pursuant to MCL 400.10, et seq., and MAC R 400.3101-3131. The FIP program replaced the Aid to Dependent Children (ADC) program effective October 1, 1996. Department policies are found in the Bridges Administrative Manual (BAM), the Bridges Eligibility Manual (BEM), Reference Table Manual (RFT), and the Bridges Reference Manual (BRM).

Department policy states that clients must be made aware that public assistance is limited to 48 months to meet their family's needs and that they must take personal responsibility to achieve self-sufficiency. This message, along with information on ways to achieve independence, direct support services, non-compliance penalties, and good cause reasons, is initially shared by the department when the client applies for cash assistance. Jobs, Education and Training (JET) program requirements, education and training opportunities, and assessments are covered by the JET case manager when a mandatory JET participant is referred at application. BEM 229.

Federal and State laws require each work eligible individual (WEI) in the FIP and RAP group to participate in the Jobs, Education and Training (JET) Program or other employment-related activities unless temporarily deferred or engaged in activities that meet participation requirements. These clients must participate in employment and/or self-sufficiency-related activities to increase their employability and obtain stable employment. JET is a program administered by the Michigan Department of Energy, Labor and Economic Growth (DELEG) through the Michigan Works Agencies (MWAs). The JET program serves employers and job seekers for employers to have skilled workers and job seekers to obtain jobs that provide

economic self-sufficiency. A WEI who refuses, without good cause, to participate in assigned employment and/or self-sufficiency-related activities is subject to penalties. BEM 230A.

Noncompliance of applicants, recipients, or member adds means doing any of the following without good cause:

- . Failing or refusing to:
  - .. Appear and participate with the Jobs, Education and Training (JET) Program or other employment service provider.
  - .. Complete a Family Automated Screening Tool (FAST), as assigned as the first step in the FSSP process.
  - .. Develop a Family Self-Sufficiency Plan (FSSP) or a Personal Responsibility Plan and Family Contract (PRPFC).
  - .. Comply with activities assigned to on the Family Self-Sufficiency Plan (FSSP).
  - .. Provide legitimate documentation of work participation.
  - .. Appear for a scheduled appointment or meeting related to assigned activities.
  - .. Participate in employment and/or self-sufficiency-related activities.
  - .. Accept a job referral.
  - .. Complete a job application.
  - .. Appear for a job interview (see the exception below).
- . Stating orally or in writing a definite intent not to comply with program requirements.
- . Threatening, physically abusing or otherwise behaving disruptively toward anyone conducting or participating in an employment and/or self-sufficiency-related activity.
- . Refusing employment support services if the refusal prevents participation in an employment and/or self-sufficiency-related activity. BEM 233A.

JET participants will not be terminated from a JET program without first scheduling a “triage” meeting with the client to jointly discuss noncompliance and good cause. The department coordinates the process to notify the MWA case manager of triage meetings including scheduling guidelines.

Clients can either attend a meeting or participate in a conference call if attendance at the triage meeting is not possible. If a client calls to reschedule an already scheduled triage meeting, the

client is offered a telephone conference at that time. Clients must comply with triage requirement within the negative action period.

The department is required to send a DHS-2444, Notice of Employment and/or Self-Sufficiency Related Noncompliance within three days after learning of the noncompliance which must include the date of noncompliance, the reason the client was determined to be noncompliant, the penalty that will be imposed and the triage date within the negative action period. BEM 233A.

Good cause is a valid reason for noncompliance with employment and/or self-sufficiency-related activities that are based on factors that are beyond the control of the noncompliant person. A claim of good cause must be verified and documented for member adds and recipients. If it is determined at triage that the client has good cause, and good cause issues have been resolved, the client should be sent back to JET. BEM 233A.

Good cause should be determined based on the best information available during the triage and prior to the negative action date. Good cause may be verified by information already on file with DHS or MWA. Good cause must be considered even if the client does not attend, with particular attention to possible disabilities (including disabilities that have not been diagnosed or identified by the client) and unmet needs for accommodation. BEM 233A.

The penalty for noncompliance without good cause is FIP closure. Effective April 1, 2007, the following minimum penalties apply:

- . For the first occurrence on the FIP case, close the FIP for not less than 3 calendar months unless the client is excused from the noncompliance as noted in "First Case Noncompliance Without Loss of Benefits" below.
- . For the second occurrence on the FIP case, close the FIP for not less than 3 calendar months.
- . For the third and subsequent occurrence on the FIP case, close the FIP for not less than 12 calendar months.
- . The penalty counter also begins April 1, 2007 regardless of the previous number of noncompliance penalties. BEM 233A.

In this case, Claimant was required to participate in the JET/Work First program as a condition of receiving her FIP benefits. The department found that Claimant was noncompliant for having failed to participate as required in employment and/or self-sufficiency related activities and for having failed to attend scheduled appointments without good cause. At the hearing, Claimant admitted that she did not attend the required activities during the time period in question but claimed that she lacked transportation. Claimant further admitted, however, that the department had provided her with bus passes but she indicated that she was unwilling to walk the necessary distance to the bus stop and unwilling to wait the length of time that it took for the arrival of the bus.

This Administrative Law Judge finds that, based on the material and substantial evidence presented during the hearing, Claimant has failed to show good cause for her failure to participate in employment and/or self-sufficiency related activities and her failure to attend scheduled appointments pursuant to the JET/Work First program. Therefore, the department properly closed Claimant's FIP case for non-compliance.

**DECISION AND ORDER**

The Administrative Law Judge, based upon the above findings of fact and conclusions of law, decides that the department properly closed Claimant's FIP case for non-compliance with WF/JET requirements and the 12-month sanction is AFFIRMED.

It is SO ORDERED.
