HEARING DECISION

This matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9; and MCL 400.37 upon claimant's request for a hearing. After due notice, a hearing was held on March 30, 2011.

ISSUE

Were claimant's AMP benefits properly placed into closure?

FINDINGS OF FACT

The Administrative Law Judge, based upon the competent, material and substantial evidence on the whole record, finds as material fact:

- (1) Claimant was an AMP recipient in Wayne County.
- (2) Claimant's AMP benefits were closed on January 1, 2011, without redetermination.
- (3) The Department agreed to reopen claimant's AMP case retroactive to January 1, 2011, and then conduct a proper redetermination of claimant's AMP case.

- (4) As a result of this agreement, claimant indicated that she no longer wished to proceed with the hearing.

#### CONCLUSIONS OF LAW

The Medical Assistance (MA) program is established by Title XIX of the Social Security Act and is implemented by Title 42 of the Code of Federal Regulations (CFR). The Department of Human Services (DHS or Department) administers the MA program pursuant to MCL 400.10, *et seq.*, and MCL 400.105. Department policies are found in the Bridges Administrative Manual (BAM), the Bridges Eligibility Manual (BEM) and the Bridges Reference Manual (BRM) and Reference Tables (RFT).

Under Bridges Administrative Manual Item 600, clients have the right to contest any agency decision affecting eligibility or benefit levels whenever they believe the decision is illegal. The agency provides an Administrative Hearing to review the decision and determine if it is appropriate. Agency policy includes procedures to meet the minimal requirements for a fair hearing. Efforts to clarify and resolve the client's concerns start when the agency receives a hearing request and continues through the day of the hearing.

In the present case, the Department agreed to reopen claimant's AMP case retroactive to January 1, 2011, and then conduct a proper redetermination of claimant's AMP case. As a result of the agreement, claimant agreed that she no longer wished to proceed with the hearing.

Therefore, as a result of the settlement, it is unnecessary for the Administrative Law Judge to render a decision.

DECISION AND ORDER

The Administrative Law Judge, based upon the above findings of fact and conclusions of law, decides that the Department and the claimant have reached a settlement in the current case. Therefore, it is unnecessary for the Administrative Law Judge to render a decision.

The Department is ORDERED to reopen claimant's AMP case retroactive to January 1, 2011, and then conduct a proper redetermination of claimant's AMP case.
