DEPARTMENT OF HUMAN SERVICES

IN THE MATTER OF:

[REDACTED]

Reg. No: 2011-2390

Issue No: 1038, 3029

[REDACTED]

Hearing Date:

November 17, 2010

Clare County DHS

ADMINISTRATIVE LAW JUDGE: Suzanne L. Morris

**ORDER OF DISMISSAL**

This matter is before the undersigned Administrative Law Judge by authority of MCL 400.9; and MCL 400.37 upon claimant's request for a hearing filed on October 1, 2010. After due notice, a hearing was held on November 17, 2010.

Prior to the closure of the hearing record, the department testified that the claimant was not in compliance with WF/JET requirements when the application for Family Independence Program (FIP) benefits was processed. The department worker explained that she had denied the FIP application for this reason, but that the claimant could reapply, since she was not sanctioned for noncompliance. The department worker also testified that there may be a problem with the FAP benefits. The department worker testified that she had entered the claimant as compliant with work activities for the FAP program on August 23, 2010. However, for some reason, the claimant's FAP group size is still showing as three (although there is four group members). This could be an error due to an issue with the Bridges computer system. The department worker agreed to investigate the issue further. The department worker agreed that if the claimant is due retroactive FAP benefits due to an error, the error will be corrected and she will receive any retroactive benefits she is entitled to receive. The claimant testified that this resolved her hearing issue.

Therefore, it is not necessary for the Administrative Law Judge to decide the matter that was in dispute. Pursuant to MAC R 400.906 and 400.903, claimant's hearing request is HEREBY DISMISSED, because claimant is no longer aggrieved by a department action.
