DEPARTMENT OF HUMAN SERVICES

IN THE MATTER OF:

Reg. No: 201136691
Issue No: 4070
Case No: [REDACTED]
Hearing Date: July 7, 2011
Midland County DHS

ADMINISTRATIVE LAW JUDGE: Christopher S. Saunders

HEARING DECISION

This matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9 and MCL 400.37 upon Claimant's request for a hearing. After due notice, a telephone hearing was held on July 7, 2011. Claimant personally appeared and provided testimony.

ISSUE

Whether the department properly cancelled Claimant's State Supplemental Payments (SSP)?

FINDINGS OF FACT

The Administrative Law Judge, based upon the competent, material and substantial evidence on the whole record, finds as material fact:

1. Claimant was receiving State Supplemental Payments (SSP) prior to this hearing. (Department Exhibit 2).
2. The department's SOLQ report shows Claimant receiving a recurring Supplemental Security Income (SSI) payment beginning February 1, 2003 and continuing as of March 1, 2011. (Department Exhibits 4-6).
3. On May 24, 2011, the department mailed Claimant a Notice of State SSI Payment Change (DHS 430), informing Claimant that her quarterly State SSI payment had been canceled because the Social Security Administration notified the department that Claimant had not received a regular first of the month SSI check for three months. (Department Exhibit 2).
4. Claimant submitted a hearing request on June 2, 2011 protesting the cancellation of her State Supplemental Payment. (Department Exhibit 2).

CONCLUSIONS OF LAW

The regulations governing the hearing and appeal process for applicants and recipients of public assistance in Michigan are found in the Michigan Administrative Code, MAC R 400.901-400.951. An opportunity for a hearing shall be granted to an applicant who requests a hearing because his claim for assistance is denied. MAC R 400.903(1).

Clients have the right to contest a department decision affecting eligibility or benefit levels whenever it is believed that the decision is incorrect. BAM 600. The department will provide an administrative hearing to review the decision and determine the appropriateness. BAM 600.

The State Supplementary Security Income program was established pursuant to Title XVI of the Social Security Act in 42 USC 1381, *et seq.*, and implemented by the provisions of Title 20 of the Code of Federal Regulations (CFR). The Department of Human Services (DHS or department) administers the State SSI program pursuant to 2002 PA 529, MCL 400.10, *et seq.*, and by agreement between the State of Michigan and the United States Secretary of Health and Human Services (Secretary). Department policies are contained in the Bridges Administrative Manual (BAM), the Bridges Eligibility Manual (BEM) and the Program Reference Manual (PRM).

Department policy states:

SSI BENEFITS

Supplemental Security Income (SSI) is a cash benefit to needy persons who are aged (at least 65), blind or disabled. It is a federal program administered by the Social Security Administration (SSA). States are allowed the option to supplement the federal benefit with state funds. In Michigan, SSI benefits include a basic federal benefit and an additional amount paid with State funds. The amount of the state benefit varies by living arrangement. BEM, Item 660, p. 1.

Payments are made for only those months the recipient received a regular monthly federal benefit. SSPs are NOT issued for retroactive or supplemental federal benefits. BEM, Item 660, p. 1.

In this case, the department representative testified that she could not explain why the department canceled Claimant's SSP, as it appeared there had no interruption in the Claimant's SSI payments. In addition, the department's SOLQ shows Claimant began receiving monthly SSI benefits February 1, 2003 and that those payments are still continuing as of March 1, 2011. The Claimant testified that she had continuously been receiving SSI benefits and that there had been no interruption in her monthly payments. The department was unable to provide any documentation showing that the Claimant's benefits had been discontinued, and in fact indicated that it appeared the Claimant was still receiving said benefits.

Department policy indicates that clients will receive SSP for those months that the clients receive a regular monthly benefit. The documentation from the department as well as the testimony provided by the Claimant show that there has not been an interruption in the Claimant's SSI payments and that she is still currently receiving such. Based on the foregoing, the Administrative Law Judge cannot uphold the department's action of cancelling Claimant's SSP benefits.

DECISION AND ORDER

The Administrative Law Judge, based upon the above findings of fact and conclusions of law, decides that the department improperly cancelled Claimant's SSP benefits.

Accordingly, the department's actions are REVERSED. The department shall reinstate Claimant's State Supplemental Payments (SSP) and the department shall issue any supplement SSP that Claimant is otherwise eligible to receive.
