IN THE MATTER OF:

[REDACTED]

Reg. No.: 2011-38128
Issue No.: 2009
Case No.: [REDACTED]
Hearing Date: September 29, 2011
DHS County: Macomb (50-12)

ADMINISTRATIVE LAW JUDGE: Jonathan W. Owens

HEARING DECISION

This matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9 and MCL 400.37 upon Claimant's request for a hearing. After due notice, an in-person hearing was held on September 29, 2011, in Clinton Township, MI. Claimant appeared and testified. Claimant was represented by [REDACTED]. The Department of Human Services (Department) was represented by [REDACTED].

ISSUE

Whether the Department properly determined that Claimant is not "disabled" for purposes of the Medical Assistance (MA-P) program?

FINDINGS OF FACT

The Administrative Law Judge, based upon the competent, material and substantial evidence on the whole record, finds as material fact:

1. On December 9, 2010, Claimant applied for MA-P and retro MA-P November 2010.
2. On March 8, 2011, the Medical Review Team denied Claimant's request.
3. On June 6, 2011, Claimant submitted to the Department a request for hearing.
4. The State Hearing and Review Team (SHRT) denied Claimant's request.
5. Claimant is 35 years old.
6. Claimant completed education through high school.

7. Claimant has employment experience (last worked end of January 2011) as a factory worker. He worked for 4 months. He had started at the end of September 2010, was paid \$9 an hour and worked 40 hours a week. He missed 3 weeks during the same stretch of time; otherwise, he was working full time earning over \$1,000 a month.
8. Claimant has some limitations on physical activities involving sitting, standing, walking, bending, lifting, and stooping.
9. Claimant has some limitations on understanding, carrying out, and remembering simple instructions; use of judgment; responding appropriately to supervision, co-workers and usual work situations; and dealing with changes in a routine work setting.

CONCLUSIONS OF LAW

MA-P is established by Title XIX of the Social Security Act and is implemented by Title 42 of the Code of Federal Regulations (CFR). The Department administers MA-P pursuant to MCL 400.10 *et seq.* and MCL 400.105. Department policies are found in the Bridges Administrative Manual (BAM), the Bridges Eligibility Manual (BEM) and the Bridges Reference Manual (RFT).

Pursuant to Federal Rule 42 CFR 435.540, the Department uses the Federal Supplemental Security Income (SSI) policy in determining eligibility for disability under MA-P. Under SSI, disability is defined as:

...the inability to do any substantial gainful activity by reason of any medically determinable physical or mental impairment which can be expected to result in death or which has lasted or can be expected to last for a continuous period of not less than 12 months.... 20 CFR 416.905.

A set order is used to determine disability. Current work activity, severity of impairments, residual functional capacity, past work, age, or education and work experience are reviewed. If there is a finding that an individual is disabled or not disabled at any point in the review, there will be no further evaluation. 20 CFR 416.920.

Medical evidence may contain medical opinions. Medical opinions are statements from physicians and psychologists or other acceptable medical sources that reflect judgments about the nature and severity of the impairment(s), including symptoms, diagnosis and prognosis, what an individual can do despite impairment(s), and the physical or mental restrictions. 20 CFR 416.927(a)(2).

The Administrative Law Judge is responsible for making the determination or decision about whether the statutory definition of disability is met. The Administrative Law Judge

reviews all medical findings and other evidence that support a medical source's statement of disability. 20 CFR 416.927(e).

For mental disorders, severity is assessed in terms of the functional limitations imposed by the impairment. Functional limitations are assessed using the criteria in paragraph (B) of the listings for mental disorders (descriptions of restrictions of activities of daily living, social functioning; concentration, persistence or pace; and ability to tolerate increased mental demands associated with competitive work). 20 CFR, Part 404, Subpart P, Appendix 1, 12.00(C).

The residual functional capacity is what an individual can do despite limitations. All impairments will be considered in addition to ability to meet certain demands of jobs in the national economy. Physical demands, mental demands, sensory requirements and other functions will be evaluated. 20 CFR 416.945(a).

To determine the physical demands (exertional requirements) of work in the national economy, we classify jobs as sedentary, light, medium and heavy. These terms have the same meaning as they have in the Dictionary of Occupational Titles, published by the Department of Labor. 20 CFR 416.967.

Pursuant to 20 CFR 416.920, a five-step sequential evaluation process is used to determine disability. An individual's current work activity, the severity of the impairment, the residual functional capacity, past work, age, education and work experience are evaluated. If an individual is found disabled or not disabled at any point, no further review is made.

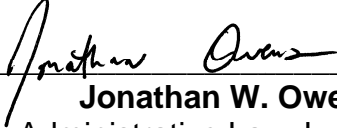

The first factor to be considered is whether the claimant can perform Substantial Gainful Activity (SGA) defined in 20 CFR 416.920(b). In this case, Claimant was working since the end of September 2010 through the end of January 2011 earning \$9 an hour working 40 hours a week. Claimant testified he missed almost 3 weeks of work during that stretch of time but was still earning over \$1,000 a month.

Claimant can be found not disabled at the first step of the analysis based upon his gross earnings exceeding the SGA amount, which demonstrates that during the time period in question, he was capable of and able to work.

DECISION AND ORDER

The Administrative Law Judge, based upon the above findings of fact and conclusions of law, decides that Claimant is not medically disabled.

Accordingly, the Department's decision is hereby UPHeld.
