MICHIGAN ADMINISTRATIVE HEARING SYSTEM  
ADMINISTRATIVE HEARINGS FOR THE  
DEPARTMENT OF HUMAN SERVICES

IN THE MATTER OF:

Reg. No: 2011-48132  
Issue No: 1038  
Case No: [REDACTED]  
Hearing Date: September 14, 2011  
Kent County DHS

**ADMINISTRATIVE LAW JUDGE:** Christopher S. Saunders

**HEARING DECISION**

This matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9 and MCL 400.37 upon claimant's request for a hearing. After due notice, a telephone hearing was held on September 14, 2011. The claimant appeared and provided testimony.

**ISSUE**

Did the department properly terminate and sanction the claimant's Family Independence Program (FIP) benefits for noncompliance with Work First/Jobs, Education and Training (WF/JET) requirements?

**FINDINGS OF FACT**

The Administrative Law Judge, based upon the competent, material and substantial evidence on the whole record, finds as material fact:

1. The claimant applied for FIP benefits and was referred to the WF/JET program. (Department Hearing Summary).
2. Because the claimant was working 15 hours per week, she was required to complete 25 hours of job search activities for a total of 40 hours. (Department Exhibit 4).
3. On July 18, 2011, the claimant was sent a notice of noncompliance because she had failed to meet her hourly requirements and a triage was scheduled for July 27, 2011. (Department Exhibit 2).
4. The claimant attended the triage and no good cause was found for her noncompliance. (Department Exit 4).
5. The claimant was not offered the opportunity at the triage to sign a DHS 754, acknowledge her noncompliance, and re-engage WF/JET without sanction. (Department Exhibit 4).

6. The claimant was mailed a notice of case action (DHS 1605) on July 27, 2011 informing her that her FIP case would be closing for a period of three months due to a second instance of noncompliance. (Department Exhibit 1).
7. The department erred on the 1605 in indicating that this was the claimant's second instance of noncompliance as this is her first instance of noncompliance. (Department Hearing Summary).
8. The claimant submitted a hearing request on August 1, 2011.

### **CONCLUSIONS OF LAW**

Clients have the right to contest a department decision affecting eligibility for benefit levels whenever it is believed that the decision is incorrect. BAM 600. The department provides an administrative hearing to review the decision and determine its appropriateness. BAM 600.

The regulations that govern the hearing and appeal process for applicants and recipients of public assistance in Michigan are contained in the Michigan Administrative Code (Mich Admin Code) Rules 400.901 through 400.951. An opportunity for a hearing shall be granted to a recipient who is aggrieved by an agency action resulting in suspension, reduction, discontinuance, or termination of assistance. Mich Admin Code 400.903(1).

The Family Independence Program (FIP) was established pursuant to the Personal Responsibility and Work Opportunity Reconciliation Act of 1996, Public Law 104-193, 8 USC 601, *et seq.* The Department of Human Services (DHS or department) administers the FIP program pursuant to MCL 400.10, *et seq.*, and MAC R 400.3101-3131. The FIP program replaced the Aid to Dependent Children (ADC) program effective October 1, 1996. Department policies are found in the Bridges Administrative Manual (BAM), the Bridges Eligibility Manual (BEM) and the Program Reference Manual (PRM).

Department policy states that clients must be made aware that public assistance is limited to 48 months to meet their family's needs and that they must take personal responsibility to achieve self-sufficiency. This message, along with information on ways to achieve independence, direct support services, non-compliance penalties, and good cause reasons, is initially shared by the department when the client applies for cash assistance. Jobs, Education and Training (JET) program requirements, education and training opportunities, and assessments are covered by the JET case manager when a mandatory JET participant is referred at application. BEM 229.

Federal and State laws require each work eligible individual (WEI) in the FIP and Refugee Assistance Program (RAP) group to participate in the Jobs, Education and Training (JET) Program or other employment-related activities unless temporarily deferred or engaged in activities that meet participation requirements. These clients must participate in employment and/or self-sufficiency-related activities to increase their employability and obtain stable employment. JET is a program administered by the Michigan Department of Energy, Labor and Economic Growth (DELEG) through the

Michigan Works Agencies (MWAs). The JET program serves employers and job seekers for employers to have skilled workers and job seekers to obtain jobs that provide economic self-sufficiency. A WEI who refuses, without good cause, to participate in assigned employment and/or self-sufficiency-related activities is subject to penalties. BEM 230A.

Noncompliance is defined by department policy as failing or refusing to do a number of activities, such as attending and participating with WF/JET, completing the FAST survey, completing job applications, participating in employment or self-sufficiency-related activities, providing legitimate documentation of work participation, etc. BEM 233A.

Department policy states:

As a condition of eligibility, all WEIs and non-WEIs must work or engage in employment and/or self-sufficiency-related activities. Noncompliance of applicants, recipients, or member adds means doing any of the following without good cause:

- . Failing or refusing to:
  - .. Appear and participate with the Jobs, Education and Training (JET) Program or other employment service provider.
  - .. Complete a Family Automated Screening Tool (FAST), as assigned as the first step in the FSSP process.
  - .. Develop a Family Self-Sufficiency Plan (FSSP) or a Personal Responsibility Plan and Family Contract (PRPFC).
  - .. Comply with activities assigned to on the Family Self-Sufficiency Plan (FSSP) or PRPFC.
  - .. Appear for a scheduled appointment or meeting related to assigned activities.
  - .. Provide legitimate documentation of work participation.
  - .. Participate in employment and/or self-sufficiency-related activities.
  - .. Accept a job referral.
  - .. Complete a job application.

- .. Appear for a job interview (see the exception below).
- . Stating orally or in writing a definite intent not to comply with program requirements.
- . Threatening, physically abusing or otherwise behaving disruptively toward anyone conducting or participating in an employment and/or self-sufficiency-related activity.
- . Refusing employment support services if the refusal prevents participation in an employment and/or self-sufficiency-related activity. BEM 233A, pp. 1-2.

Good cause is a valid reason for noncompliance with employment and/or self-sufficiency-related activities that are based on factors that are beyond the control of the noncompliant person. A claim of good cause must be verified and documented for member adds and recipients. BEM 233A. Department policy defines good cause as follows:

### **GOOD CAUSE FOR NONCOMPLIANCE**

Good cause is a valid reason for noncompliance with employment and/or self-sufficiency-related activities that are based on factors that are beyond the control of the noncompliant person. A claim of good cause must be verified and documented for member adds and recipients.

#### **Good cause includes the following:**

- . The person is working at least 40 hours per week on average and earning at least state minimum wage.
- . The client is physically or mentally unfit for the job or activity, as shown by medical evidence or other reliable information. This includes any disability-related limitations that preclude participation in a work and/or self-sufficiency-related activity. The disability-related needs or limitations may not have been identified or assessed prior to the noncompliance.

#### **Illness or Injury**

The client has a debilitating illness or injury, or an immediate family member's illness or injury requires in-home care by the client.

### **Reasonable Accommodation**

The DHS, employment services provider, contractor, agency, or employer failed to make reasonable accommodations for the client's disability or the client's needs related to the disability. BEM 233A, pp. 3-4.

### **No Child Care**

The client requested Child Day Care Services (CDC) from DHS, the MWA, or other employment services provider prior to case closure for noncompliance and CDC is needed for a CDC-eligible child, but none is appropriate, suitable, affordable and within reasonable distance of the client's home or work site.

- . **Appropriate.** The care is appropriate to the child's age, disabilities and other conditions.
- . **Reasonable distance.** The total commuting time to and from work and child care facilities does not exceed three hours per day.
- . **Suitable provider.** The provider meets applicable state and local standards. Also, providers (e.g., relatives) who are NOT registered/licensed by the DHS Office of Child and Adult Services must meet DHS enrollment requirements for day care aides or relative care providers. See BEM 704.
- . **Affordable.** The child care is provided at the rate of payment or reimbursement offered by DHS.

### **No Transportation**

The client requested transportation services from DHS, the MWA, or other employment services provider prior to case closure and reasonably priced transportation is not available to the client.

### **Illegal Activities**

The employment involves illegal activities.

### **Discrimination**

The client experiences discrimination on the basis of age, race, disability, gender, color, national origin, religious beliefs, etc. BEM 233A, p. 4.

### **Unplanned Event or Factor**

Credible information indicates an unplanned event or factor which likely prevents or significantly interferes with employment and/or self-sufficiency-related activities. Unplanned events or factors include, but are not limited to the following:

- . Domestic violence.
- . Health or safety risk.
- . Religion.
- . Homelessness.
- . Jail.
- . Hospitalization.

### **Comparable Work**

The client quits to assume employment comparable in salary and hours. The new hiring must occur before the quit.

### **Long Commute**

Total commuting time exceeds:

- . Two hours per day, NOT including time to and from child care facilities, or
- . Three hours per day, including time to and from child care facilities. BEM 233A, pp.4-5.

JET participants will not be terminated from a JET program without first scheduling a “triage” meeting with the client to jointly discuss noncompliance and good cause. The department coordinates the process to notify the MWA case manager of triage meetings including scheduling guidelines.

The department is required to send a DHS-2444, Notice of Employment and/or Self-Sufficiency Related Noncompliance within three days after learning of the noncompliance which must include the date of noncompliance, the reason the client was determined to be noncompliant, the penalty that will be imposed and the triage date within the negative action period. BEM 233A.

Good cause should be determined based on the best information available during the triage and prior to the negative action date. Good cause may be verified by information already on file with DHS or MWA. Good cause must be considered even if the client

2011-48132/CSS

does not attend, with particular attention to possible disabilities (including disabilities that have not been diagnosed or identified by the client) and unmet needs for accommodation. BEM 233A.

Clients can either attend a meeting or participate in a conference call if attendance at the triage meeting is not possible. If a client calls to reschedule an already scheduled triage meeting, the client is offered a telephone conference at that time. Clients must comply with triage requirement within the negative action period. If it is determined at triage that the client has good cause, and good cause issues have been resolved, the client should be sent back to JET. BEM 233A.

If the department finds that the client has been noncompliant without good cause, the department must impose penalties. Department policy clearly states the penalties that must be imposed for noncompliance without good cause and for the action to be taken should the department determine that good cause has been established:

### **NONCOMPLIANCE PENALTIES FOR ACTIVE FIP CASES AND MEMBER ADDS**

The penalty for noncompliance without good cause is FIP closure. Effective April 1, 2007, the following minimum penalties apply:

- . For the first occurrence on the FIP case, close the FIP for 3 calendar months unless the client is excused from the noncompliance as noted in "First Case Noncompliance Without Loss of Benefits" below.
- . For the second occurrence on the FIP case, close the FIP for 3 calendar months.
- . For the third and subsequent occurrence on the FIP case, close the FIP for 12 calendar months.
- . The penalty counter also begins April 1, 2007 regardless of the previous number of noncompliance penalties. BEM 233A, pp. 6.

### **Good Cause Established**

If the client establishes good cause within the negative action period, do **NOT** impose a penalty. See "Good Cause for Noncompliance" earlier in this item. Send the client back to JET, if applicable, after resolving transportation, CDC, or other factors which may have contributed to the good cause. Do not enter a new referral on ASSIST. Enter the good cause reason on the DHS-71 and on the FSSP under the "Participation and Compliance" tab.

**Good Cause NOT Established**

If the client does NOT provide a good cause reason within the negative action period, determine good cause based on the best information available. If no good cause exists, allow the case to close. If good cause is determined to exist, delete the negative action. BEM 233A, pp. 10-11.

This Administrative Law Judge finds that the claimant was noncompliant with WF/JET program requirements by not meeting her hourly requirements.

The claimant testified that she did not meet her hourly requirements because she was working more and because of her schedule, she was not able to perform her job search activities at JET. However, the claimant testified that she worked 54.54 hours between the weeks of July 5, 2011 and July 18, 2011, which averages roughly 28 hours per week. Based on this amount of hours, the claimant would still have to participate in 12 hours of job search activities for the JET program. Policy provides that working at least 40 hours per week and making the state minimum wage will constitute good cause. Because of the number of hours the claimant was working, her work hours do not constitute good cause for her noncompliance.

However, at the hearing, the department representative testified that she believed that it was an error that the claimant was listed as being noncompliant for a second time. The department could not provide any evidence showing that this was the claimant's second instance of noncompliance and the department representative further stated that the individual who prepared the hearing summary had indicated that it was in fact the claimant's first instance of noncompliance, as evidenced by the department's hearing summary. Policy states that if it is the claimant's first instance of noncompliance, the department is to offer the claimant the opportunity to admit to the noncompliance without good cause without a loss of benefits through a DHS 754. BEM 233A. The case notes indicate that the claimant was not offered a 754 because it was not her first instance of noncompliance (see Department Exhibit 4). Based on the evidence presented and the testimony of the department representative pertaining to the claimant's instance of noncompliance, the claimant should have been offered the opportunity to sign a DHS 754 and admit to a first instance of noncompliance without loss of benefits.

**DECISION AND ORDER**

The Administrative Law Judge, based upon the above findings of fact and conclusions of law, decides that the department properly determined that the claimant was noncompliant with WF/JET requirements.

Accordingly, the department's actions are **AFFIRMED** in part.

However, the Administrative Law Judge finds that the department did not properly determine the instance of noncompliance for the claimant, and therefore, the department's actions pertaining to the sanctions imposed on the claimant are **REVERSED**.

It is HEREBY ORDERED that the department shall offer the claimant the opportunity to sign the DHS 754 and admit noncompliance without loss of benefits OR if the claimant refuses, impose the sanctions associated with a first instance of noncompliance.
