### **CONCLUSIONS OF LAW**

Department policies are contained in the Bridges Administrative Manual (BAM), the Bridges Eligibility Manual (BEM), and the Reference Tables Manual (RFT).

The Food Assistance Program (FAP) [formerly known as the Food Stamp (FS) program] is established by the Food Stamp Act of 1977, as amended, and is implemented by the federal regulations contained in Title 7 of the Code of Federal Regulations (CFR). The Department (formerly known as the Family Independence Agency) administers FAP pursuant to MCL 400.10, *et seq.*, and 1999 AC, Rule 400.3001 through Rule 400.3015.

BEM 400 states that as of October 1, 2011, FAP recipients are subject to a \$5,000.00 asset limit.

In the present case, Claimant admits that one of his checking accounts was in excess of \$5,000.00 from August 19, 2011 to September 21, 2011. Claimant says that he also has a large credit card debt, but that does not negate the countable asset. Claimant also argues that since he was approved for FAP on September 28, 2011, his case should remain open until a six month review. However, policy does not allow for a case to be open when Claimant is otherwise ineligible for FAP and such ineligibility is discovered and acted upon by the Department.

Claimant also argued that an application he made on or about June 30, 2011 should be processed, as the Department misplaced the application. However, Claimant's request for hearing exceeded ninety days from the time Claimant claims he submitted the application. See BAM 600, p. 4, which provides in relevant part as follows:

The client or authorized hearing representative has *90 calendar days from the date of the written notice of case action to request a hearing*. The request must be received anywhere in DHS within the 90 days. [Emphasis added.]

Although Claimant did not receive a written notice of case action regarding the June 30, 2011 FAP application, it is logical to conclude that Claimant should have known that his

FAP application was not being processed, as Claimant stated he had received FAP in the past.

Based upon the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, the Administrative Law Judge concludes that the Department

properly denied Claimant's application     improperly denied Claimant's application  
 properly closed Claimant's case             improperly closed Claimant's case

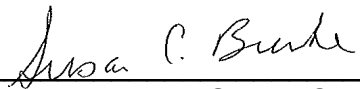

for:    AMP    FIP    FAP    MA    SDA    CDC.

**DECISION AND ORDER**

The Administrative Law Judge, based upon the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, finds that the Department

did act properly.     did not act properly.

Accordingly, the Department's  AMP    FIP    FAP    MA    SDA    CDC decision is  AFFIRMED    REVERSED for the reasons stated on the record.
