	CONCLUSIONS OF LAW				
	artment policies are contained in the Bridges Administrative Manual (BAM), the ges Eligibility Manual (BEM), and the Reference Tables Manual (RFT).				
☐ The Family Independence Program (FIP) was established pursuant to the Personal Responsibility and Work Opportunity Reconciliation Act of 1996, Public Law 104-193, 42 USC 601, <i>et seq.</i> The Department (formerly known as the Family Independence Agency) administers FIP pursuant to MCL 400.10, <i>et seq.</i> , and 1999 AC, Rule 400.3101 through Rule 400.3131. FIP replaced the Aid to Dependent Children (ADC) program effective October 1, 1996.					
☐ The Food Assistance Program (FAP) [formerly known as the Food Stamp (FS) program] is established by the Food Stamp Act of 1977, as amended, and is implemented by the federal regulations contained in Title 7 of the Code of Federal Regulations (CFR). The Department (formerly known as the Family Independence Agency) administers FAP pursuant to MCL 400.10, et seq., and 1999 AC, Rule 400.3001 through Rule 400.3015.					
☐ The Medical Assistance (MA) program is established by the Title XIX of the Social Security Act and is implemented by Title 42 of the Code of Federal Regulations (CFR). The Department of Human Services (formerly known as the Family Independence Agency) administers the MA program pursuant to MCL 400.10, et seq., and MCL 400.105.					
	The Adult Medical Program (AMP) is established by 42 USC 1315, and is inistered by the Department pursuant to MCL 400.10, et seq.				
☐ The State Disability Assistance (SDA) program, which provides financial assistance for disabled persons, is established by 2004 PA 344. The Department of Human Services (formerly known as the Family Independence Agency) administers the SDA program pursuant to MCL 400.10, et seq., and 2000 AACS, Rule 400.3151 through Rule 400.3180.					

☐ The Child Development and Care (CDC) program is established by Titles IVA, IV
and XX of the Social Security Act, the Child Care and Development Block Grant
1990, and the Personal Responsibility and Work Opportunity Reconciliation Act of 1990
The program is implemented by Title 45 of the Code of Federal Regulations, Parts 9
and 99. The Department provides services to adults and children pursuant to MC
400.14(1) and 1999 AC, Rule 400.5001 through Rule 400.5015.

Additionally, the Department requires clients to participate in employment and self-sufficiency related activities and to accept employment when offered. BEM 233A. All Work Eligible Individuals ("WEI") are required to participate in the development of a Family Self-Sufficiency Plan ("FSSP") unless good cause exists. BEM 228 As a condition of eligibility, all WEIs must engage in employment and/or self-sufficiency related activities. BEM 233A Failure by a client to participate fully in assigned activities while the FIP application is pending will result in denial of FIP benefits. BEM 229.

Clients requesting a deferral from the work participation program due to pregnancy complications must provide verification that indicates that they are unable to participate.BEM 230A. The verification must be in the form of a doctor's note or a medical needs form. BEM 230A. If the Department does not grant the deferral, it must (1) advise the Claimant and schedule an appointment with the work participation program, and (2) refer the client to the work participation program, providing information on any limitations to full participation using additional information and case notes when sending the referral. BEM 230A.

In this case, the Claimant provided medical documentation that, due to pregnancy complications, she was unable to attend the JET program once she reached thirty weeks of pregnancy. The Claimant submitted this information with her application. The Department testified that it scheduled the Claimant for a JET orienatation for November 2, 2011. The Claimant submitted a second medical needs form that established that she was unable to work as of November 4, 2011. The Claimant was never going to be able to complete the JET requirements, however, the Claimant was on notice that her medical needs deferral was not granted when the Department gave her the November 2, 2011 JET appointment. What is more, the Claimant testified that she appeared at the JET appointment on the scheduled day approximately two hours prior to the appointment time, but she did not stay for the orientation. Based on the above facts, the Department has established that it acted in accordance with Department policy when it denied the Claimant's application for refusal to cooperate.

Based upon the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, the Administrative Law Judge concludes that the Department

| Properly denied Claimant's application | improperly denied Claimant's application | improperly closed Claimant's case | improperly closed Claimant's case | for: | AMP | FIP | FAP | MA | SDA | CDC.
