DEPARTMENT OF HUMAN SERVICES

IN THE MATTER OF:

[REDACTED]

Reg. No: 2012-18007
Issue No: 2014
Case No: [REDACTED]
Hearing Date:
February 8, 2012
Grand Traverse County DHS

ADMINISTRATIVE LAW JUDGE: Vicki L. Armstrong

HEARING DECISION

This matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9 and MCL 400.37 upon Claimant's request for a hearing received on November 28, 2011. After due notice, a telephone hearing was held on February 8, 2012. Claimant personally appeared and provided testimony.

ISSUE

Whether the department properly denied Claimant's application for Medical Assistance (MA) also known as Medicaid, Additional Low-Income Medicare Beneficiaries (ALMB) supplement program for excess income?

FINDINGS OF FACT

The Administrative Law Judge, based upon the competent, material and substantial evidence on the whole record, finds as material fact:

1. Claimant applied for Medicaid Additional Low-Income Medicare Beneficiaries (ALMB) supplement.
2. On November 17, 2011 the department notified Claimant that her application for Additional Low-Income Medicare Beneficiaries (ALMB) was denied because she was not eligible due to excess income. (Department Exhibits 7-9).
3. Claimant testified that she received [REDACTED] (RSDI) in the amount of [REDACTED] a month.
4. Claimant submitted a hearing request on November 28, 2011, protesting the denial of her ALMB benefits. (Request for a Hearing).

CONCLUSIONS OF LAW

The regulations governing the hearing and appeal process for applicants and recipients of public assistance in Michigan are found in the Michigan Administrative Code, Rules 400.901-400.951. An opportunity for a hearing shall be granted to an applicant who requests a hearing because his claim for assistance is denied. Mich Admin Code, Rule 400.903(1).

Clients have the right to contest a department decision affecting eligibility or benefit levels whenever it is believed that the decision is incorrect. The department will provide an administrative hearing to review the decision and determine the appropriateness. BAM 600.

The Medical Assistance (MA) program is established by Title XIX of the Social Security Act and is implemented by Title 42 of the Code of Federal Regulations (CFR). The Department of Human Services (DHS or department) administers the MA program pursuant to MCL 400.10, et seq., and MCL 400.105. Department policies are found in the Bridges Administrative Manual (BAM), the Bridges Eligibility Manual (BEM) and the Reference Tables Manual (RFT).

The goal of the Medicaid program is to ensure that essential health care services are made available to those who otherwise could not afford them. Medicaid is also known as Medical Assistance (MA). The local office is responsible for determining a Client's eligibility, calculating their level of benefits and protecting their rights. BAM 105.

Medicare Savings Programs are SSI-related MA categories. They are neither Group 1 nor Group 2. This item describes the three categories that make up the Medicare Savings Programs. The three categories are:

1. Qualified Medicare Beneficiaries, also called full-coverage QMB and just QMB. Program group type is QMB.
2. Specified Low-Income Medicare Beneficiaries, also called limited-coverage QMB and SLMB. Program group type is SLMB.
3. Q1 Additional Low-Income Medicare Beneficiaries, also referred to as ALMB and as just Q1. Program group type is ALMB. BEM 165.

There are both similarities and differences between eligibility policies for the three categories. Benefits among the three categories also differ. Income is the major determiner of category. A person who is eligible for one of these categories **cannot** choose to receive a different Medicare Savings Program category. For example, a person eligible for QMB cannot choose SLMB instead. All eligibility factors must be met in the calendar month being tested. BEM 165.

Benefits of Medicare Savings Programs differ depending on the program. QMB Benefits pay Medicare premiums and Medicare coinsurances and Medicare deductibles. SLMB Benefits pay Medicare Part B premiums. While ALMB Benefits pay Medicare Part B premiums provided funding is available. The Department of Community Health decides whether funding is available. BEM 165. General information about Medicare and information about the Buy-In program is available in BAM 180.

The department makes separate Medicare Savings Programs determination for the following clients if they are entitled to Medicare Part A:

- Medicare Savings Programs-only.
- Group 2 MA (FIP-related and SSI-related).
- Extended Care (BEM 164).
- Healthy Kids.
- TMA-Plus.

Automatic QMB Person's receiving MA under the following categories and entitled to Medicare Part A are considered QMB eligible without a separate QMB determination. The QMB coverage date begins the calendar month after the processing month. The processing month is the month during which you make the eligibility determination. QMB is not available for past months or the processing month.

SLMB coverage is available for retro MA months and later months. Note: SLMB is only available for months income exceeds the QMB limit. A person cannot choose SLMB in place of QMB in order for coverage to start sooner (example, to get retro MA).

ALMB coverage is available for retro MA months and later months; however, not for time in a previous calendar year. ALMB is not approved for any month that is in a previous calendar year, even if application was made in the previous calendar year.

If person wishes to know whether MA will pay their Medicare premiums before enrolling in Medicare, that person may contact the Department before reaching age 65 (example, during the three months before the person's 65th birthday). The department may advise persons listed under "Automatic QMB" above that MA will pay their Medicare premium. The department will do a determination of eligibility for all other persons. In doing this determination the department will:

- Explain the nonfinancial eligibility factors. Assume they will be met.
- Use current information to determine financial eligibility. Do not ask for verification.
- Explain that changes may affect the actual determination of eligibility.

The department must discuss asset policy thoroughly with the Client if the person's assets exceed the limit. Nonfinancial eligibility factors include that the person must be entitled to Medicare Part A. That means something different for QMB than it does for SLMB and ALMB.

For QMB, entitled to Medicare Part A means the person meets condition 1, 2 or 3:

1. Is receiving Medicare Part A with no premium being charged.
2. Refused premium-free Medicare Part A.
3. Is eligible for, or receiving, Premium HI (Hospital Insurance).
Premium HI is what the Social Security Administration calls Medicare

For SLMB and ALMB, entitled to Medicare Part A means the person is receiving Medicare Part A with no premium being charged.

In this case, Claimant's application for Additional Low-Income Medicare Beneficiaries (ALMB) was denied as a result of excess income. Claimant testified that she was receiving over [REDACTED] a month in RSDI.

Federal Regulations at 42 CFR 435.831 provide standards for the determination of the Medical Assistance monthly protected income levels. The department, in this case, is in compliance with the Bridges Reference Manual, tables, charts and schedules, table 242. Table 242 indicates that Claimant's monthly protected income level for a person in Claimant's fiscal group in Claimant's situation for a group of 1 is [REDACTED]. Because Claimant received [REDACTED] during the time period pertinent to this hearing, the department's determination that Claimant had excess income for purposes of the ALMB supplement eligibility is correct.

In addition, after the close of the hearing, this Administrative Law Judge received a voice mail from the department requesting transportation expense reimbursement for Claimant. Clients may request reimbursement of transportation costs at the hearing. Clients must make the request on the hearing record and provide and Administrative Law Judge with their name and address and the number of miles traveled round trip for the hearing. BAM 600. Because Claimant did not make the request for transportation expense reimbursement on the record in accord with departmental policy, her request after the hearing is denied.

DECISION AND ORDER

The Administrative Law Judge, based upon the above findings of fact and conclusions of law, decides that the department properly denied Claimant's eligibility for the Medicaid Additional Low-Income Medicare Beneficiaries (ALMB) supplement program due to excess income.

Accordingly, the department's decision is AFFIRMED.

It is SO ORDERED.
