# STATE OF MICHIGAN MICHIGAN ADMINISTRATIVE HEARING SYSTEM ADMINISTRATIVE HEARINGS FOR THE DEPARTMENT OF HUMAN SERVICES

#### IN THE MATTER OF:

Reg. No.: 2012-2036

Issue No.: 2006 Case No.:

Hearing Date: March 13, 2012 County: Macomb 12

ADMINISTRATIVE LAW JUDGE: C. Adam Purnell

### **HEARING DECISION**

This matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9 and MCL 400.37 following Claimant's request for a hearing. After due notice, a three-way telephone hearing was held on March 13, 2012, from Lansing, Michigan. Participants on behalf of Claimant included (Department). Participants on behalf of Department of Human Services (Department) included (Eligibility Specialist).

## <u>ISSUE</u>

Did the Department properly close Claimant's Medical Assistance (MA) case for failure to comply with the verification requirements?

#### FINDINGS OF FACT

The Administrative Law Judge, based on the competent, material, and substantial evidence on the whole record, finds as material fact:

- 1. On April 1, 2011, Claimant submitted an application for Medical Assistance alleging disability and also sought retro coverage back to March, 2011.
- On April 14, 2011, the Department mailed Claimant a Medical Determination Verification Checklist (DHS-3503-MRT), which requested Claimant submit all medical documentation of his disability and verification that he applied for social security disability (RSDI). The DHS-3503 indicated "This is mandatory per our policy BEM 271 . . ." The documents were due no later than April 25, 2011.

- 3. The Department extended the deadline for Claimant to provide the requested verifications on May 7, 2011; May 17, 2011 and May 28, 2011.
- 4. Claimant failed to provide verification that he had applied for disability with the Social Security Administration by the May 28, 2011 extended deadline.
- 5. On June 3, 2011, Claimant's Authorized Hearing Representative (AHR), faxed correspondence to the Department indicating that the AHR was unable to obtain verification of Claimant's Social Security disability application and that all medical records should be submitted to the MRT for determination. The letter further indicates that if the Department is "unable to verify a pending application using [the Department's] resources please go forward with the certification of Medicaid coverage for Retroactive months only . . ."
- 6. The Department was unable to verify whether Claimant had applied for disability with the Social Security Administration.
- 7. On June 28, 2011, the Department mailed Claimant a Notice of Case Action (DHS-1605) which approved his Retroactive MA coverage from March 1, 2011 through March 31, 2011, but denied MA coverage following April 1, 2011. The stated reason for denial was Claimant "failed to verify or allow the Department to verify information necessary to determine eligibility for this program [MA]".
- 8. On September 26, 2011, the Department received a Request for Hearing prepared by Claimant's AHR. The hearing request indicated that Claimant "did not apply for RSDI and does not intend to" and also provides that Claimant should have been found eligible for MA in April, 2011.

# **CONCLUSIONS OF LAW**

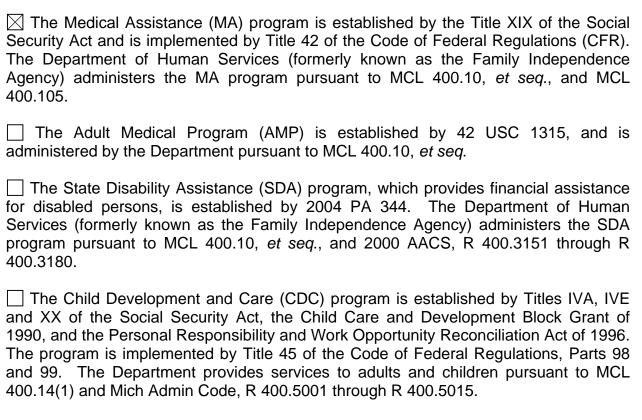

Department policies are contained in the Bridges Administrative Manual (BAM), the Bridges Eligibility Manual (BEM), and the Reference Tables Manual (RFT).

The Family Independence Program (FIP) was established pursuant to the Personal Responsibility and Work Opportunity Reconciliation Act of 1996, Public Law 104-193, 42 USC 601, et seq. The Department (formerly known as the Family Independence Agency) administers FIP pursuant to MCL 400.10, et seq., and Mich Admin Code, R 400.3101 through R 400.3131. FIP replaced the Aid to Dependent Children (ADC) program effective October 1, 1996.

The Food Assistance Program (FAP) [formerly known as the Food Stamp (FS) program] is established by the Food Stamp Act of 1977, as amended, and is implemented by the federal regulations contained in Title 7 of the Code of Federal Regulations (CFR). The Department (formerly known as the Family Independence

Agency) administers FAP pursuant to MCL 400.10, et seq., and Mich Admin Code, R

400.3001 through R 400.3015.

Additionally, Department policy provides that Retro MA coverage is available back to the first day of the third calendar month prior to: (1) the current application for FIP and MA applicants and persons applying to be added to the group; and (2) the most recent application (**not** redetermination) for FIP and MA recipients. BAM 115. Here, Claimant's Retro MA application was filed April 11, 2011. Thus, Claimant's Retro MA coverage is available back to March 1, 2011.

The standard of promptness (SOP) begins the date the department receives an application/filing form, with minimum required information. BAM 115. Here, the Department did not receive the application until April 11, 2011. When the Department mailed Claimant the Verification Checklist on April 14, 2011, the Department acted within the standard of promptness.

BEM 270 provides that state-funded FIP/SDA clients receiving disability-related MA must apply for SSI as a potential resource. Refusal to pursue a potential resource results in group ineligibility. BEM 270. For purposes of MA, refusal to pursue a potential benefit results in person ineligibility. BEM 270.

Verification is usually required upon application or redetermination and for a reported change affecting eligibility or benefit level. BAM 130. Verifications are considered timely if received by the date they are due. BAM 130. The department must allow a client 10 calendar days (or other time limit specified in policy) to provide the requested verification. BAM 130. Should the client indicate a refusal to provide a verification or, conversely, if the time period given has elapsed and the client has not made a

reasonable effort to provide it, the department may send the client a negative action notice. BAM 130.

Here, the issue concerns whether Claimant provided the verifications within the time period. BEM 270 indicates that Claimant was required to apply for disability with the Social Security Administration and provide the Department with verification of same. Per policy, Claimant was required to provide the verifications by the due date (which was extended at least three times). This Administrative Law Judge finds that Claimant could have provided the requested verifications (RSDI application) at some point before the third extended deadline, but Claimant failed to do so. Policy does not provide any reasons why Claimant should be excused from providing the Department with the requested verifications within the deadline.
