CONCLUSIONS OF LAW

Department policies are contained in the Bridges Administrative Manual (BAM), the Bridges Eligibility Manual (BEM), and the Reference Tables Manual (RFT).

The Adult Medical Program (AMP) is established by 42 USC 1315, and is administered by the Department pursuant to MCL 400.10, *et seq.*

The Family Independence Program (FIP) was established pursuant to the Personal Responsibility and Work Opportunity Reconciliation Act of 1996, Public Law 104-193, 42 USC 601, *et seq.* The Department (formerly known as the Family Independence Agency) administers FIP pursuant to MCL 400.10, *et seq.*, and 1997 AACS R 400.3101-3131. FIP replaced the Aid to Dependent Children (ADC) program effective October 1, 1996.

The Food Assistance Program (FAP) [formerly known as the Food Stamp (FS) program] is established by the Food Stamp Act of 1977, as amended, and is implemented by the federal regulations contained in Title 7 of the Code of Federal Regulations (CFR). The Department (formerly known as the Family Independence Agency) administers FAP pursuant to MCL 400.10, *et seq.*, and 1997 AACS R 400.3001-3015.

The Medical Assistance (MA) program is established by the Title XIX of the Social Security Act and is implemented by Title 42 of the Code of Federal Regulations (CFR). The Department (formerly known as the Family Independence Agency) administers the MA program pursuant to MCL 400.10, *et seq.*, and MCL 400.105.

The State Disability Assistance (SDA) program, which provides financial assistance for disabled persons, is established by 2004 PA 344. The Department (formerly known as the Family Independence Agency) administers the SDA program pursuant to MCL 400.10, *et seq.*, and 1998-2000 AACS R 400.3151-400.3180.

The Child Development and Care (CDC) program is established by Titles IVA, IVE and XX of the Social Security Act, the Child Care and Development Block Grant of 1990, and the Personal Responsibility and Work Opportunity Reconciliation Act of 1996. The program is implemented by Title 45 of the Code of Federal Regulations, Parts 98 and 99. The Department provides services to adults and children pursuant to MCL 400.14(1) and 1997 AACS R 400.5001-5015.

For FAP purposes, all earned and unearned income available to Claimant is countable. Earned income means income received from another person or organization or from self-employment for duties that were performed for compensation or profit. BEM 500. Unearned income means all income that is not earned, including but not limited to funds received from the Family Independence Program (FIP), State Disability Assistance (SDA), Child Development and Care (CDC), Medicaid (MA), Social Security Benefits (RSDI/SSI), Veterans Administration (VA), Unemployment Compensation Benefits (UCB), Adult Medical Program (AMP), alimony, and child support payments. The amount counted may be more than the client actually receives because the gross amount is used prior to any deductions. BEM 500.

The department determines a client's eligibility for program benefits based on the client's actual income and/or prospective income. Actual income is income that was already received. Prospective income is income not yet received but expected. Prospective budgeting is the best estimate of the client's future income. BEM 505.

All income is converted to a standard monthly amount. If the client is paid weekly, the department multiplies the average weekly amount by 4.3. If the client is paid every other week, the department multiplies the average bi-weekly amount by 2.15. BEM 505.

Claimant contends that the Department miscalculated her earned income because the paystubs she provided from [REDACTED] dated November 18, 2011 and December 2, 2011 represented an abnormally high increase in her work hours. During this period of time, Claimant had paid holidays and had some overtime hours. Claimant did not provide any other paystubs at the time. There was no dispute about Claimant's unearned income from unemployment and child support ([REDACTED]). The Department properly calculated Claimant's net earned income as [REDACTED] based on the paystubs provided during that period (November 18, 2011 and December 2, 2011). Claimant's earned income plus her unearned income [REDACTED] minus the [REDACTED] standard deduction = [REDACTED] post earned income deduction less [REDACTED] standard deduction = [REDACTED] adjusted gross income.

Claimant had a group size of 5 (five) at all relevant times. For FAP, a claimant with a group size of 5 has a maximum net income limit of \$2,181.00. See RFT 250. Because Claimant's net income of \$3,258.00 exceeded the allowable 100% net income limit of \$2,181.00, Claimant is ineligible for FAP benefits due to excess income.

With regard to MA, Claimant lives in Kent County, which is Shelter Area V. RFT 200. For a group size of 5 in Shelter Area V, the MA protected income limit is [REDACTED]. RFT 240. Because Claimant's net income of [REDACTED] exceeded the allowable 100% net income limit of [REDACTED] Claimant fails the MA income test.

Based upon the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, the Administrative Law Judge concludes that, due to excess income, the Department properly improperly

- denied Claimant's application
- reduced Claimant's benefits
- closed Claimant's case

for: AMP FIP FAP MA SDA CDC.
