### **CONCLUSIONS OF LAW**

Department policies are contained in the Bridges Administrative Manual (BAM), the Bridges Eligibility Manual (BEM), and the Reference Tables Manual (RFT).

The Adult Medical Program (AMP) is established by 42 USC 1315, and is administered by the Department pursuant to MCL 400.10, *et seq.*

The Family Independence Program (FIP) was established pursuant to the Personal Responsibility and Work Opportunity Reconciliation Act of 1996, Public Law 104-193, 42 USC 601, *et seq.* The Department (formerly known as the Family Independence Agency) administers FIP pursuant to MCL 400.10, *et seq.*, and 1999 AC, Rule 400.3101 through Rule 400.3131. FIP replaced the Aid to Dependent Children (ADC) program effective October 1, 1996.

The Food Assistance Program (FAP) [formerly known as the Food Stamp (FS) program] is established by the Food Stamp Act of 1977, as amended, and is implemented by the federal regulations contained in Title 7 of the Code of Federal Regulations (CFR). The Department (formerly known as the Family Independence Agency) administers FAP pursuant to MCL 400.10, *et seq.*, and 1999 AC, Rule 400.3001 through Rule 400.3015.

The Medical Assistance (MA) program is established by the Title XIX of the Social Security Act and is implemented by Title 42 of the Code of Federal Regulations (CFR). The Department (formerly known as the Family Independence Agency) administers the MA program pursuant to MCL 400.10, *et seq.*, and MCL 400.105.

The State Disability Assistance (SDA) program, which provides financial assistance for disabled persons, is established by 2004 PA 344. The Department (formerly known as the Family Independence Agency) administers the SDA program pursuant to MCL 400.10, *et seq.*, and 2000 AACCS, Rule 400.3151 through Rule 400.3180.

The Child Development and Care (CDC) program is established by Titles IVA, IVE and XX of the Social Security Act, the Child Care and Development Block Grant of

1990, and the Personal Responsibility and Work Opportunity Reconciliation Act of 1996. The program is implemented by Title 45 of the Code of Federal Regulations, Parts 98 and 99. The Department provides services to adults and children pursuant to MCL 400.14(1) and 1999 AC, Rule 400.5001 through Rule 400.5015.

Additionally, at the hearing, the Department testified that Claimant's monthly FAP benefits for December 2011 and January 2012 decreased from the prior months due to an increase in the amount of child support Claimant received during those months. Court-ordered child support may be either certified or direct. BEM 503. Certified support is retained by the State due to the child's FIP activity, while direct support is paid to the client. BEM 503.

The evidence produced by the Department in this case showed fluctuating amounts for certified child support. However, while there was a change in the amount of certified child support retained by the State, Claimant received a consistent amount of \$45 in direct child support in October 2011, November 2011, and December 2011. (Exhibits 12 and 18). In calculating a client's unearned income, BEM 503 provides that the Department *exclude* certified support. BEM 503. Because there was no change in the amount of direct child support Claimant received that would support a change in Claimant's monthly FAP benefits, the Department failed to satisfy its burden of showing that it calculated Claimant's FAP budget in accordance with Department policy. It should further be noted that the Department's Bridges Unearned Income Budget - Summary (Exhibit 3) showing that the Department budgeted \$125.04 in monthly direct child support for the months at issue was inconsistent with, and not supported by, the Bridges Child Support Search showing monthly direct child support payments to Claimant of \$45 (Exhibits 12 and 18).

Based upon the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, the Administrative Law Judge concludes that, due to excess income, the Department  properly  improperly

- denied Claimant's application
- reduced Claimant's benefits
- closed Claimant's case

for:  AMP  FIP  FAP  MA  SDA  CDC.

### **DECISION AND ORDER**

The Administrative Law Judge, based upon the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, finds that the Department  did act properly  did not act properly.

Accordingly, the Department's  AMP  FIP  FAP  MA  SDA  CDC decision is  AFFIRMED  REVERSED for the reasons stated above and on the record.
