DEPARTMENT OF HUMAN SERVICES

IN THE MATTER OF:

Reg. No: 2012255
Issue No: 4070
Case No: [REDACTED]
Hearing Date:
December 20, 2011
Wayne County DHS

ADMINISTRATIVE LAW JUDGE: Christopher S. Saunders

HEARING DECISION

This matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9 and MCL 400.37 upon the claimant's request for a hearing. After due notice, a telephone hearing was held on December 20, 2011. The claimant personally appeared and provided testimony.

ISSUE

Whether the department properly cancelled Claimant's State Supplemental Payments (SSP)?

FINDINGS OF FACT

The Administrative Law Judge, based upon the competent, material and substantial evidence on the whole record, finds as material fact:

1. The claimant is a recipient of SSI benefits.
2. On August 23, 2011, the claimant received notice that his State Supplemental Payments would be decreasing due to him not receiving a regular SSI payment.
3. The claimant filed a request for hearing on August 29, 2011 protesting the reduction of his SSP payment.

CONCLUSIONS OF LAW

The regulations governing the hearing and appeal process for applicants and recipients of public assistance in Michigan are found in the Michigan Administrative Code, MAC R

400.901-400.951. An opportunity for a hearing shall be granted to an applicant who requests a hearing because his claim for assistance is denied. MAC R 400.903(1).

Clients have the right to contest a department decision affecting eligibility or benefit levels whenever it is believed that the decision is incorrect. BAM 600. The department will provide an administrative hearing to review the decision and determine the appropriateness. BAM 600.

The State Supplementary Security Income program was established pursuant to Title XVI of the Social Security Act in 42 USC 1381, *et seq.*, and implemented by the provisions of Title 20 of the Code of Federal Regulations (CFR). The Department of Human Services (DHS or department) administers the State SSI program pursuant to 2002 PA 529, MCL 400.10, *et seq.*, and by agreement between the State of Michigan and the United States Secretary of Health and Human Services (Secretary). Department policies are contained in the Bridges Administrative Manual (BAM), the Bridges Eligibility Manual (BEM) and the Program Reference Manual (PRM).

Department policy states:

SSI BENEFITS

Supplemental Security Income (SSI) is a cash benefit to needy persons who are aged (at least 65), blind or disabled. It is a federal program administered by the Social Security Administration (SSA). States are allowed the option to supplement the federal benefit with state funds. In Michigan, SSI benefits include a basic federal benefit and an additional amount paid with State funds. The amount of the state benefit varies by living arrangement. BEM, Item 660, p. 1.

Payments are made for only those months the recipient received a regular monthly federal benefit. SSPs are NOT issued for retroactive or supplemental federal benefits. BEM, Item 660, p. 1.

In the case at hand, the claimant was received a reduced SSP check for the month of September 12, 2011. The reason given was because the claimant did not receive a regular SSI check during the time period in question. However, the department did not provide any evidence indicating that the claimant did not receive a SSI payment during the relevant time period. Furthermore, at the hearing the claimant testified that he did continue to receive SSI payments from January 1, 2011 through October 31, 2011. The evidence of record does not show that the claimant failed to receive a SSI payment during the time period in question. Therefore, because the claimant continued to receive regular SSI payments, he should have received SSP payments during the time period in question. The department therefore erroneously reduced the claimant's SSP check issued in the month of September 2011.

DECISION AND ORDER

The Administrative Law Judge, based upon the above findings of fact and conclusions of law, decides that the department improperly reduced the claimant's SSP payment for the month of September, 2011 due to the claimant not receiving a regular SSI payment.

Accordingly, the department's actions are **REVERSED**. If the claimant is otherwise eligible to receive such, the department shall issue any supplemental SSP benefits that the claimant is otherwise eligible to receive for the SSP check issued in September 2011.
