CONCLUSIONS OF LAW

Department policies are contained in the Bridges Administrative Manual (BAM), the Bridges Eligibility Manual (BEM), and the Reference Tables Manual (RFT).

The Family Independence Program (FIP) was established pursuant to the Personal Responsibility and Work Opportunity Reconciliation Act of 1996, Public Law 104-193, 42 USC 601, *et seq.* The Department (formerly known as the Family Independence Agency) administers FIP pursuant to MCL 400.10, *et seq.*, and 1999 AC, Rule 400.3101 through Rule 400.3131. FIP replaced the Aid to Dependent Children (ADC) program effective October 1, 1996.

The Food Assistance Program (FAP) [formerly known as the Food Stamp (FS) program] is established by the Food Stamp Act of 1977, as amended, and is implemented by the federal regulations contained in Title 7 of the Code of Federal Regulations (CFR). The Department (formerly known as the Family Independence Agency) administers FAP pursuant to MCL 400.10, *et seq.*, and 1999 AC, Rule 400.3001 through Rule 400.3015.

The Medical Assistance (MA) program is established by the Title XIX of the Social Security Act and is implemented by Title 42 of the Code of Federal Regulations (CFR). The Department of Human Services (formerly known as the Family Independence Agency) administers the MA program pursuant to MCL 400.10, *et seq.*, and MCL 400.105.

The Adult Medical Program (AMP) is established by 42 USC 1315, and is administered by the Department pursuant to MCL 400.10, *et seq.*

The State Disability Assistance (SDA) program, which provides financial assistance for disabled persons, is established by 2004 PA 344. The Department of Human Services (formerly known as the Family Independence Agency) administers the SDA program pursuant to MCL 400.10, *et seq.*, and 2000 AACS, Rule 400.3151 through Rule 400.3180.

The Child Development and Care (CDC) program is established by Titles IVA, IVE and XX of the Social Security Act, the Child Care and Development Block Grant of 1990, and the Personal Responsibility and Work Opportunity Reconciliation Act of 1996. The program is implemented by Title 45 of the Code of Federal Regulations, Parts 98 and 99. The Department provides services to adults and children pursuant to MCL 400.14(1) and 1999 AC, Rule 400.5001 through Rule 400.5015.

In the instant case, Claimant was receiving MA and SDA benefits. Claimant's medical benefits were due a review in November 2011. The Department sent new medical to the Medical Review Team (MRT) on January 3, 2012. The DHS-49A indicated a case review of November 1, 2011, and the only program checked was SDA. On January 18, 2012, MRT determined that Claimant was no longer eligible for SDA based upon a finding of no physical impairment lasting 90 days or more. MRT failed to make a determination on Claimant's eligibility for MA. On January 20, 2012, the Department issued a notice of case closure for both MA and SDA based upon this MRT determination. Claimant filed a timely hearing request on January 27, 2012, and requested his benefits continue. The Department properly removed the negative action and reinstated Claimant's benefits.

At hearing, the medical packet submitted for consideration only contained new medical documentation and failed to contain the prior MRT or other Department approval medical documentation. This is the same file reviewed by the State Hearing and Review Team (SHRT) who found the Claimant not disabled for both MA and SDA programs. SHRT failed to indicate the case was a review case nor did SHRT indicate in their finding any analysis regarding medical improvement. However, since the medical packet submitted to SHRT failed to have any prior medical documents or prior determinations, this determination or analysis would be impossible.

The Department representative testified the packet sent to MRT originally contained the original medical approval and records. However, this evidence was not submitted with the hearing request and was, therefore, not considered by SHRT.

Since the Department rendered a decision without having an MRT determination on the MA and since it is unclear as to whether or not MRT had the prior medical documentation when determining SDA eligibility, this Administrative Law Judge must conclude the decision to close Claimant's MA and SDA case was done contrary to policy.

Based upon the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, the Administrative Law Judge concludes that the Department

properly denied Claimant's application improperly denied Claimant's application
 properly closed Claimant's case improperly closed Claimant's case

for: AMP FIP FAP MA SDA CDC.

DECISION AND ORDER

The Administrative Law Judge, based upon the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, finds that the Department did act properly. did not act properly.

Accordingly, the Department's AMP FIP FAP MA SDA CDC decision is AFFIRMED REVERSED for the reasons stated on the record.

THE DEPARTMENT IS ORDERED TO DO THE FOLLOWING WITHIN 10 DAYS OF THE DATE OF MAILING OF THIS DECISION AND ORDER:

2. Initiate a medical review of Claimant's MA and SDA case sending a complete medical record as required by policy to MRT requesting a medical review of both MA and SDA eligibility;
