ADMINISTRATIVE HEARINGS FOR THE
DEPARTMENT OF HUMAN SERVICES

IN THE MATTER OF:

[REDACTED]

Reg. No: 201238122
Issue No: 1038
Case No: [REDACTED]
Hearing Date: April 5, 2012
County: Kent County DHS

ADMINISTRATIVE LAW JUDGE: COREY A. ARENDT

HEARING DECISION

This matter is before me pursuant to MCL 400.9 and MCL 400.37 upon Claimant's request for a hearing. After due notice, a hearing was held on April 5, 2012. The Claimant and Agency appeared by telephone and provided testimony.

ISSUE

Did the Department properly terminate and sanction the Claimant's Family Independence Program (FIP) benefits for noncompliance with Work First/Jobs, Education and Training (WF/JET) requirements?

FINDINGS OF FACT

I find as material fact, based upon the competent, material and substantial evidence on the whole record:

1. As of December 2011, the Claimant participated in WF/JET.
2. Sometime in early December of 2011, the Claimant was terminated by her employer for insubordination.
3. On December 19, 2011, the Department sent the Claimant a notice of noncompliance. The notice indicated a triage was to take place on December 28, 2011. The Department sent the notice to the Claimant's last known address (711 Spencer St NE Grand Rapids, MI).
4. Around December 19, 2011, the Claimant became transient and did not have an official mailing address. The Claimant did not notify the Department of her transient status or update the Department with a proper mailing address.

5. On December 28, 2011, a triage took place in the absence of the Claimant. The Department determined the Claimant did not have good cause for her termination from United Commercial Services (UCS).
6. On December 28, 2011, the Department issued the Claimant a notice of case action. The notice indicated the Department was closing the Claimant's FIP benefits on February 1, 2011.
7. On February 29, 2012, the Claimant filed a request for hearing protesting the December 28, 2011 notice of case action.
8. This is the second time, the Claimant has been found to be noncompliant.

CONCLUSIONS OF LAW

The FIP was established pursuant to the Personal Responsibility and Work Opportunity Reconciliation Act of 1996, Public Law 104-193, 8 USC 601, *et seq.* The Department administers the FIP program pursuant to MCL 400.10, *et seq.*, and MAC R 400.3101-3131. The FIP program replaced the Aid to Dependent Children (ADC) program effective October 1, 1996. Department policies are found in the Bridges Administrative Manual (BAM), the Bridges Eligibility Manual (BEM) and the Program Reference Manual (PRM).

DHS requires clients to participate in employment and self-sufficiency-related activities and to accept employment when offered. Our focus is to assist clients in removing barriers so they can participate in activities which lead to self-sufficiency. However, there are consequences for a client who refuses to participate, without good cause.

The goal of the FIP penalty policy is to obtain client compliance with appropriate work and/or self-sufficiency-related assignments and to ensure that barriers to such compliance have been identified and removed. The goal is to bring the client into compliance.

A Work Eligible Individual (WEI), see BEM 228, who fails, without good cause, to participate in employment or self-sufficiency-related activities, must be penalized.

See BEM 233B for the Food Assistance Program (FAP) policy when the FIP penalty is closure. For the Refugee Assistance Program (RAP) penalty policy, see BEM 233C. BEM 233A, p. 1.

As a condition of eligibility, all WEIs and non-WEIs must work or engage in employment and/or self-sufficiency-related activities. Noncompliance of applicants, recipients, or member adds means doing any of the following without good cause:

- Failing or refusing to:
- Appear and participate with the Jobs, Education and Training (JET) Program or other employment service provider.

- Complete a Family Automated Screening Tool (FAST), as assigned as the first step in the FSSP process.
 - Develop a Family Self-Sufficiency Plan (FSSP) or a Personal Responsibility Plan and Family Contract (PRPFC).
 - Comply with activities assigned to on the Family Self-Sufficiency Plan (FSSP) or PRPFC.
 - Appear for a scheduled appointment or meeting related to assigned activities.
 - Provide legitimate documentation of work participation.
 - Participate in employment and/or self-sufficiency-related activities.
 - Accept a job referral.
 - Complete a job application.
 - Appear for a job interview (see the exception below).
- Stating orally or in writing a definite intent not to comply with program requirements.
 - Threatening, physically abusing or otherwise behaving disruptively toward anyone conducting or participating in an employment and/or self-sufficiency-related activity.
 - Refusing employment support services if the refusal prevents participation in an employment and/or self-sufficiency-related activity. BEM 233A, pp. 1-2.

Good cause is a valid reason for noncompliance with employment and/or self-sufficiency-related activities that are based on factors that are beyond the control of the noncompliant person. A claim of good cause must be verified and documented for member adds and recipients. Document the good cause determination in Bridges and the FSSP under the "Participation and Compliance" tab.

The penalty for noncompliance without good cause is FIP closure. Effective April 1, 2007, the following minimum penalties apply:

- For the first occurrence on the FIP case, close the FIP for 3 calendar months unless the client is excused from the noncompliance as noted in "First Case Noncompliance Without Loss of Benefits" below.

- For the second occurrence on the FIP case, close the FIP for 3 calendar months.
- For the third and subsequent occurrence on the FIP case, close the FIP for 12 calendar months.
- The penalty counter also begins April 1, 2007 regardless of the previous number of noncompliance penalties.

JET participants will not be terminated from a JET program without first scheduling a “triage” meeting with the client to jointly discuss noncompliance and good cause. Locally coordinate a process to notify the MWA case manager of triage meetings including scheduling guidelines.

Clients can either attend a meeting or participate in a conference call if attendance at the triage meeting is not possible. If a client calls to reschedule an already scheduled triage meeting, offer a phone conference at that time. Clients must comply with triage requirement within the negative action period.

Determine good cause based on the best information available during the triage and prior to the negative action date. Good cause may be verified by information already on file with DHS or MWA.

If the FIS, JET case manager, or MRS counselor do not agree as to whether “good cause” exists for a noncompliance, the case must be forwarded to the immediate supervisors of each party involved to reach an agreement.

DHS must be involved with all triage appointment/phone calls due to program requirements, documentation and tracking.

If the client establishes good cause within the negative action period, do NOT impose a penalty. See “Good Cause for Noncompliance” earlier in this item. Send the client back to JET, if applicable, after resolving transportation, CDC, or other factors which may have contributed to the good cause. Do not enter a new referral on ASSIST. Enter the good cause reason on the DHS-71 and on the FSSP under the “Participation and Compliance” tab.

If the client does NOT provide a good cause reason within the negative action period, determine good cause based on the best information available. If no good cause exists, allow the case to close. If good cause is determined to exist, delete the negative action. BEM 233A, pp. 10-11.

Disqualify a FAP group member for noncompliance when:

- The client was active both FIP and FAP on the date of the FIP noncompliance, and

201238122/CAA

- The client did not comply with FIP employment requirements, and
- The client is not deferred from FAP work requirements (see DEFERRALS in BEM 230B), and the client did not have good cause for the noncompliance. BEM 233B, p. 1.

Noncompliance is defined by department policy as failing or refusing to do a number of activities, such as attending and participating with WF/JET, completing the FAST survey, completing job applications, participating in employment or self-sufficiency-related activities, providing legitimate documentation of work participation, etc. BEM 233A.

Based on the unrebutted testimony and the evidence presented, I find the Claimant was discharged from UCS for insubordination and lacked a good cause reason as to why she was terminated. Furthermore, I find the Department provided the Claimant with proper notice regarding the triage. The Department sent the notice to the Claimant's last known address. The Claimant did not update her address or notify the Department of any changes in her address as she is required to do.

Accordingly, I find the Department acted in accordance with the applicable laws and policy and therefore affirm their actions.

DECISION AND ORDER

I find, based upon the above findings of fact and conclusions of law, decide that:

1. The Department properly terminated and sanctioned the Claimant's Family Independence Program (FIP) benefits for noncompliance with WF/JET requirements.

Accordingly, the Department's actions are **AFFIRMED**.
