CONCLUSIONS OF LAW

Department policies are contained in the Bridges Administrative Manual (BAM), the Bridges Eligibility Manual (BEM), and the Reference Tables Manual (RFT).

The Family Independence Program (FIP) was established pursuant to the Personal Responsibility and Work Opportunity Reconciliation Act of 1996, Public Law 104-193, 42 USC 601, *et seq.* The Department (formerly known as the Family Independence Agency) administers FIP pursuant to MCL 400.10, *et seq.*, and 1999 AC, Rule 400.3101 through Rule 400.3131. FIP replaced the Aid to Dependent Children (ADC) program effective October 1, 1996.

The Food Assistance Program (FAP) [formerly known as the Food Stamp (FS) program] is established by the Food Stamp Act of 1977, as amended, and is implemented by the federal regulations contained in Title 7 of the Code of Federal Regulations (CFR). The Department (formerly known as the Family Independence Agency) administers FAP pursuant to MCL 400.10, *et seq.*, and 1999 AC, Rule 400.3001 through Rule 400.3015.

The Medical Assistance (MA) program is established by the Title XIX of the Social Security Act and is implemented by Title 42 of the Code of Federal Regulations (CFR). The Department of Human Services (formerly known as the Family Independence Agency) administers the MA program pursuant to MCL 400.10, *et seq.*, and MCL 400.105.

The Adult Medical Program (AMP) is established by 42 USC 1315, and is administered by the Department pursuant to MCL 400.10, *et seq.*

The State Disability Assistance (SDA) program, which provides financial assistance for disabled persons, is established by 2004 PA 344. The Department of Human Services (formerly known as the Family Independence Agency) administers the SDA program pursuant to MCL 400.10, *et seq.*, and 2000 AACS, Rule 400.3151 through Rule 400.3180.

The Child Development and Care (CDC) program is established by Titles IVA, IVE and XX of the Social Security Act, the Child Care and Development Block Grant of 1990, and the Personal Responsibility and Work Opportunity Reconciliation Act of 1996. The program is implemented by Title 45 of the Code of Federal Regulations, Parts 98 and 99. The Department provides services to adults and children pursuant to MCL 400.14(1) and 1999 AC, Rule 400.5001 through Rule 400.5015.

Additionally, the Department requires clients to participate in employment and self-sufficiency related activities and to accept employment when offered. BEM 233A. All Work Eligible Individuals (“WEI”) are required to participate in the development of a Family Self-Sufficiency Plan (“FSSP”) unless good cause exists. BEM 228 As a condition of eligibility, all WEIs must engage in employment and/or self-sufficiency related activities. BEM 233A The WEI is considered non-compliant for failing or refusing to appear and participate with the Jobs, Education, and Training Program (JET) or other employment service provider. BEM 233A Good cause is a valid reason for noncompliance with employment and/or self-sufficiency related activities that are based on factors that are beyond the control of the noncompliant person. BEM 233A Failure to comply without good cause results in FIP closure. BEM 233A The first and second occurrences of non-compliance results in a 3 month FIP closure. BEM 233A The third occurrence results in a 12 month sanction.

JET participants will not be terminated from a JET program without first scheduling a triage meeting with the client to jointly discuss noncompliance and good cause. BEM 233A In processing a FIP closure, the Department is required to send the client a notice of non-compliance, DHS-2444, which must include the date(s) of the non-compliance; the reason the client was determined to be non-compliant; and the penalty duration. BEM 233A Additionally, a triage must be held within the negative action period. BEM 233A A good cause determination is made during the triage and prior to the negative action effective date. BEM 233A. The Department is required to make a determination as to whether Claimant had good cause for her noncompliance with the JET program based on the best information available to it. BEM 233A. Good cause may be verified by information already on file with DHS or the work participation program. Good cause must be considered even if the client does not attend. BEM 233A.

In this case, the testimony and evidence reveal that a triage was conducted on August 4, 2011 and the Claimant appeared to present her good cause for noncompliance. The Department granted the Claimant a forgiveness and scheduled her to return to the JET program on August 15, 2011. The Claimant testified that she called the Department after the triage and left a message that she had to attend a family member's funeral on August 15, 2011. The Department did not receive the message, however, there was some testimony that different workers were involved and that the message could have reached the wrong person at the Department. The Claimant was therefore deemed a no show on August 15, 2011. Even if the Claimant received an excused absence for August 15, 2011, the credible and un rebutted evidence shows that the Claimant was a no show for the rest of the week. There is no good cause for the Claimant's failure to

appear for the other days of that week, and there is no testimony that an excused absence was sought.

Failure to comply without good cause results in FIP closure. BEM 233A. The first and second occurrences of noncompliance result in a three-month FIP closure. BEM 233A. The third occurrence results in a twelve-month sanction. BEM 233A. The goal of The FIP penalty policy is to bring the client into compliance. BEM 233A. Because the current occurrence of noncompliance was Claimant's second, the Department properly closed her FIP case for three months.

Accordingly, the action taken by the Department is AFFIRMED.

DECISION AND ORDER

The Administrative Law Judge, based upon the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, finds that the Department did act properly. did not act properly.

Accordingly, the Department's AMP FIP FAP MA SDA CDC decision is AFFIRMED REVERSED for the reasons stated on the record.
