CONCLUSIONS OF LAW

Department policies are found in the Bridges Administrative Manual (BAM), the Bridges Eligibility Manual (BEM) and the Reference Tables Manual (RFT).

The Family Independence Program (FIP) was established pursuant to the Personal Responsibility and Work Opportunity Reconciliation Act of 1996, Public Law 104-193, 42 USC 601, *et seq.* The Department (formerly known as the Family Independence Agency) administers FIP pursuant to MCL 400.10, *et seq.*, and 1997 AACS R 400.3101-3131. FIP replaced the Aid to Dependent Children (ADC) program effective October 1, 1996.

The Food Assistance Program (FAP) [formerly known as the Food Stamp (FS) program] is established by the Food Stamp Act of 1977, as amended, and is implemented by the federal regulations contained in Title 7 of the Code of Federal Regulations (CFR). The Department (formerly known as the Family Independence Agency) administers FAP pursuant to MCL 400.10, *et seq.*, and 1997 AACS R 400.3001-3015

The Medical Assistance (MA) program is established by the Title XIX of the Social Security Act and is implemented by Title 42 of the Code of Federal Regulations (CFR). The Department (formerly known as the Family Independence Agency) administers the MA program pursuant to MCL 400.10, *et seq.*, and MCL 400.105.

The State Disability Assistance (SDA) program which provides financial assistance for disabled persons is established by 2004 PA 344. The Department (formerly known as the Family Independence Agency) administers the SDA program pursuant to MCL 400.10, *et seq.*, and 1998-2000 AACS R 400.3151-400.3180.

The Child Development and Care (CDC) program is established by Titles IVA, IVE and XX of the Social Security Act, the Child Care and Development Block Grant of 1990, and the Personal Responsibility and Work Opportunity Reconciliation Act of 1996. The program is implemented by Title 45 of the Code of Federal Regulations, Parts 98 and 99. The Department provides services to adults and children pursuant to MCL 400.14(1) and 1997 AACS R 400.5001-5015.

Additionally, Claimant's provider was mistakenly denied clearance and was expunged on December 2, 2011, through administrative review. The Department admitted that the provider and Claimant had provided all necessary documentation, but did not believe that they could extend payment retroactive to the date of application. Policy found at BEM 704 states that the service date that payment can begin is the date of application,

as long as all necessary documents were received timely after expungement. In the current case, Claimant returned an application on April 6, 2011. All necessary documentation was returned per Department testimony. Claimant is, therefore, eligible for CDC as of that date, and provider payments must be made retroactive to that date

While Claimant alleged that she had a January 2011 application, no such application could be found, and no signature could be found in the log book to verify claimant's testimony. Therefore, as no evidence could be provided for this alleged application, the Administrative Law Judge cannot hold that an application was submitted on this date. The only confirmed application on file is for April 6, 2011, and the Department can only proceed with processing that application.

Based upon the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, the Administrative Law Judge concludes that the Department
 properly improperly

- closed Claimant's case.
- denied Claimant's application.
- reduced Claimant's benefits.

DECISION AND ORDER

The Administrative Law Judge, based upon the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, finds that the Department
 did act properly did not act properly.

Accordingly, the Department's decision is AFFIRMED REVERSED for the reasons stated on the record.

THE DEPARTMENT IS ORDERED TO DO THE FOLLOWING WITHIN 10 DAYS OF THE DATE OF MAILING OF THIS DECISION AND ORDER:

1. Process claimant's CDC application of April 6, 2011, and award benefits retroactive to that date.
