CONCLUSIONS OF LAW

Department policies are found in the Bridges Administrative Manual (BAM), the Bridges Eligibility Manual (BEM) and the Reference Tables Manual (RFT).

The Family Independence Program (FIP) was established pursuant to the Personal Responsibility and Work Opportunity Reconciliation Act of 1996, Public Law 104-193, 42 USC 601, *et seq.* The Department (formerly known as the Family Independence Agency) administers FIP pursuant to MCL 400.10, *et seq.*, and 1997 AACS R 400.3101-3131. FIP replaced the Aid to Dependent Children (ADC) program effective October 1, 1996.

The Food Assistance Program (FAP) [formerly known as the Food Stamp (FS) program] is established by the Food Stamp Act of 1977, as amended, and is implemented by the federal regulations contained in Title 7 of the Code of Federal Regulations (CFR). The Department (formerly known as the Family Independence Agency) administers FAP pursuant to MCL 400.10, *et seq.*, and 1997 AACS R 400.3001-3015

The Medical Assistance (MA) program is established by the Title XIX of the Social Security Act and is implemented by Title 42 of the Code of Federal Regulations (CFR). The Department (formerly known as the Family Independence Agency) administers the MA program pursuant to MCL 400.10, *et seq.*, and MCL 400.105.

The State Disability Assistance (SDA) program which provides financial assistance for disabled persons is established by 2004 PA 344. The Department (formerly known as the Family Independence Agency) administers the SDA program pursuant to MCL 400.10, *et seq.*, and 1998-2000 AACS R 400.3151-400.3180.

The Child Development and Care (CDC) program is established by Titles IVA, IVE and XX of the Social Security Act, the Child Care and Development Block Grant of 1990, and the Personal Responsibility and Work Opportunity Reconciliation Act of 1996. The program is implemented by Title 45 of the Code of Federal Regulations, Parts 98 and 99. The Department provides services to adults and children pursuant to MCL 400.14(1) and 1997 AACS R 400.5001-5015.

Claimant had requested a member add to the group at her redetermination on January 30, 2012. While the Department alleges that claimant never returned verification of this member add, there is no evidence submitted by the Department that claimant was ever sent a verification request. If the Department requires information to determine

eligibility, the Department must do so through a request for verification. The only verification request submitted by the Department during the hearing was dated March 28, 2012, which was after the request for hearing. The Department must request verifications for eligibility determinations. BAM 130.

Therefore, as there is no evidence that the Department requested verifications, and that the only reason that the claimed group member was not added was because of failure to provide verifications, and because there is no evidence that the Department requested those verifications, the Administrative Law Judge must hold that the Department erred when it made an eligibility determination without requesting verifications.

Based upon the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, the Administrative Law Judge concludes that the Department

properly improperly

closed claimant's case

denied claimant's application

reduced claimant's benefits

DECISION AND ORDER

The Administrative Law Judge, based upon the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, finds that the Department

did act properly did not act properly.

Accordingly, the Department's decision is AFFIRMED REVERSED for the reasons stated on the record.

THE DEPARTMENT IS ORDERED TO DO THE FOLLOWING WITHIN 10 DAYS OF THE DATE OF MAILING OF THIS DECISION AND ORDER:

1. Reprocess claimant's redetermination paperwork of January 30, 2012. If verification is still required for the claimed member add in question, the Department may request appropriate verification of the member add in accordance with policy found in BAM 130.
