CONCLUSIONS OF LAW

Department policies are contained in the Bridges Administrative Manual (BAM), the Bridges Eligibility Manual (BEM), and the Reference Tables Manual (RFT).

The Medical Assistance (MA) program is established by the Title XIX of the Social Security Act and is implemented by Title 42 of the Code of Federal Regulations (CFR). The Department of Human Services (formerly known as the Family Independence Agency) administers the MA program pursuant to MCL 400.10, *et seq.*, and MCL 400.105.

The State of Michigan has set guidelines for income, which determine if an MA group is eligible. Income eligibility exists for the calendar month tested when:

- There is no excess income, **or**
- Allowable medical expenses equal or exceed the excess income (under the deductible guidelines.)

BEM 545.

Net income (countable income minus allowable income deductions) must be at or below a certain income limit for eligibility to exist. BEM 105. Income eligibility exists when net income does **not** exceed the Group 2 needs in BEM 544. BEM 166. The protected income level is a set allowance for non-medical need items such as shelter, food and incidental expenses. RFT 200 and RFT 240 list the Group 2 MA protected income levels based on shelter area and fiscal group size. BEM 544. An eligible Medical Assistance group (Group II MA) has income the same as or less than the "protected income level" as set forth in the policy contained in the program reference table. An individual or MA group whose income is in excess of the monthly protected income level is ineligible to receive MA. However, an MA group may become eligible for assistance under the deductible program. A deductible is a process which allows a client with excess income to be eligible for MA, if sufficient allowable medical expenses are incurred. Each calendar month is a separate deductible period. The fiscal group's monthly excess income is called the deductible amount. Meeting a deductible means reporting and verifying allowable medical expenses that equal or exceed the deductible amount for the calendar month. The MA group must report expenses by the last day of the third month following the month it wants medical coverage. BEM 545; 42 CFR 435.831.

In the present case, Claimant lives in [REDACTED] and is in a group size of one. RFT 200 and RFT 240 show the protected income limit for a group size of one living in [REDACTED] to be \$375.00. Claimant did not disagree with the figures used by the Department in the income budget results (Exhibit 6), such as net unearned income and insurance premiums. A review of the budget found in Exhibit 6 shows that the Department's calculation of Claimant's MA deductible was consistent with Department policy.

Based upon the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, the Administrative Law Judge concludes that the Department properly calculated Claimant's MA deductible.

DECISION AND ORDER

The Administrative Law Judge, based upon the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, finds that the Department did act properly. did not act properly.

Accordingly, the Department's AMP FIP FAP MA SDA CDC decision is AFFIRMED REVERSED for the reasons stated on the record.
