Reg. No: 201245258
Issue No: 1038
Case No: [REDACTED]
Hearing Date: May 10, 2012
Saginaw County DHS

ADMINISTRATIVE LAW JUDGE: Kevin Scully

HEARING DECISION

This matter is before the undersigned Administrative Law Judge by authority of MCL 400.9 and MCL 400.37. Claimant's request for a hearing was received on April 4, 2012. After due notice, a telephone hearing was held on Thursday, May 10, 2012.

ISSUE

Whether the Department of Human Services (Department) properly sanctioned the Claimant's Family Independence Program (FIP) case for noncompliance with the Jobs, Education, and Training (JET) program?

FINDINGS OF FACT

The Administrative Law Judge, based upon the competent, material and substantial evidence on the whole record, finds as material fact:

1. The Claimant was an ongoing Family Independence Program (FIP) recipient until May 1, 2012.
2. The Department referred the Claimant to the Jobs, Education, and Training (JET) program as a condition of receiving FIP benefits.
3. On August 3, 2011, the Medical Review Team (MRT) determined that the Claimant was a work ready person with restrictions despite her scoliosis.
4. The Claimant was noncompliant with the JET program when she failed to complete her JET programming for February of 2012.
5. The Claimant provided a memorandum from her medical service provider dated February 27, 2012, which indicates that the Claimant is to be excused from further work until she is further evaluated.

6. The Claimant provided a completed Medical Needs – Jet (DHS-54E) that indicates she cannot work any job due to scoliosis and back pain.
7. The Department conducted a triage meeting on March 22, 2012.
8. On March 26, 2012, the Department notified the Claimant that it would sanction her FIP benefits as of May 1, 2012.
9. The Department received the Claimant's request for a hearing on April 5, 2012, protesting the sanctioning of her FIP benefits.

CONCLUSIONS OF LAW

The Family Independence Program (FIP) was established pursuant to the Personal Responsibility and Work Opportunity Reconciliation Act of 1996, Public Law 104-193, 8 USC 601, et seq. The Department of Human Services (DHS or Department) administers the FIP program pursuant to MCL 400.10, et seq., and MAC R 400.3101-3131. The FIP program replaced the Aid to Dependent Children (ADC) program effective October 1, 1996. Department policies are found in the Bridges Administrative Manual (BAM), the Bridges Eligibility Manual (BEM), Reference Table Manual (RFT), and the Bridges Reference Manual (BRM).

Department policy states that clients must be made aware that public assistance is limited to 48 months to meet their family's needs and that they must take personal responsibility to achieve self-sufficiency. This message, along with information on ways to achieve independence, direct support services, non-compliance penalties, and good cause reasons, is initially shared by DHS when the client applies for cash assistance. Jobs, Education and Training (JET) program requirements, education and training opportunities, and assessments will be covered by the JET case manager when a mandatory JET participant is referred at application. BEM 229.

Federal and State laws require each work eligible individual (WEI) in the FIP and RAP group to participate in the Jobs, Education and Training (JET) Program or other employment-related activities unless temporarily deferred or engaged in activities that meet participation requirements. These clients must participate in employment and/or self-sufficiency-related activities to increase their employability and obtain stable employment. JET is a program administered by the Michigan Department of Labor and Economic Growth (DLEG) through the Michigan Works Agencies (MWAs). The JET program serves employers and job seekers for employers to have skilled workers and job seekers to obtain jobs that provide economic self-sufficiency. A WEI who refuses, without good cause, to participate in assigned employment and/or self-sufficiency-related activities is subject to penalties. BEM 230A.

Noncompliance of applicants, recipients, or member adds means doing any of the following without good cause:

- Failing or refusing to:
 - Appear and participate with the Jobs, Education and Training (JET) Program or other employment service provider.
 - Complete a Family Automated Screening Tool (FAST), as assigned as the first step in the FSSP process.
 - Develop a Family Self-Sufficiency Plan (FSSP) or a Personal Responsibility Plan and Family Contract (PRPFC).
 - Comply with activities assigned to on the Family Self-Sufficiency Plan (FSSP).
 - Provide legitimate documentation of work participation.
 - Appear for a scheduled appointment or meeting related to assigned activities.
 - Participate in employment and/or self-sufficiency-related activities.
 - Accept a job referral.
 - Complete a job application.
 - Appear for a job interview (see the exception below).
- Stating orally or in writing a definite intent not to comply with program requirements.
- Threatening, physically abusing or otherwise behaving disruptively toward anyone conducting or participating in an employment and/or self-sufficiency-related activity.
- Refusing employment support services if the refusal prevents participation in an employment and/or self-sufficiency-related activity. BEM 233A.

The Department is required to send a DHS-2444, Notice of Employment and/or Self-Sufficiency Related Noncompliance within three days after learning of the noncompliance which must include the date of noncompliance, the reason the client was determined to be noncompliant, the penalty that will be imposed and the triage date within the negative action period. BEM 233A.

Good cause is a valid reason for noncompliance with employment and/or self-sufficiency-related activities that are based on factors that are beyond the control of the noncompliant person. A claim of good cause must be verified and documented for member adds and recipients. If it is determined at triage that the client has good cause, and good cause issues have been resolved, the client should be sent back to JET. BEM 233A.

Good cause should be determined based on the best information available during the triage and prior to the negative action date. Good cause may be verified by information already on file with DHS or MWA. Good cause must be considered even if the client does not attend, with particular attention to possible disabilities (including disabilities that have not been diagnosed or identified by the client) and unmet needs for accommodation. BEM 233A.

The penalty for noncompliance without good cause is FIP closure. Effective April 1, 2007, the following minimum penalties apply:

- For the first occurrence on the FIP case, close the FIP for not less than 3 calendar months unless the client is excused from the noncompliance as noted in "First Case Noncompliance Without Loss of Benefits" below.
- For the second occurrence on the FIP case, close the FIP for not less than 3 calendar months.
- For the third and subsequent occurrence on the FIP case, close the FIP for not less than 12 calendar months.
- The penalty counter also begins April 1, 2007 regardless of the previous number of noncompliance penalties. BEM, Item 233A.

Noncompliance, without good cause, with employment requirements for FIP/RAP (SEE BEM 233A) may affect FAP if both programs were active on the date of the FIP noncompliance. BEM 233b. The FAP group member should be disqualified for noncompliance when all the following exist:

- The client was active both FIP and FAP on the date of the FIP noncompliance, and

- The client did not comply with FIP/RAP employment requirements, and
- The client is subject to a penalty on the FIP/RAP program, and
- The client is not deferred from FAP work requirements, and
- The client did not have good cause for the noncompliance. BEM 233B.

The Department should budget the Last FIP grant amount on the FAP budget for the number of months that corresponds with the FIP penalty (either three months for the first two noncompliances or 12 months for the third and subsequent noncompliances) after the FIP case closes for employment and/or self sufficiency-related noncompliance. The Last FIP grant amount is the grant amount the client received immediately before the FIP case closed.

The Claimant was an ongoing Family Independence Program (FIP) recipient until May 1, 2012, and the Department had referred her to the JET program as a condition of receiving FIP benefits. On August 3, 2011, the Medical Review Team (MRT) determined that the Claimant was a work ready person with restrictions despite her scoliosis. The Claimant was noncompliant with the JET program when she failed to complete her JET programming for February of 2012. The Claimant provided a memorandum from her medical service provider dated February 27, 2012, which indicates that the Claimant is to be excused from further work until she is further evaluated. The Claimant provided a completed Medical Needs – Jet (DHS-54E) that indicates she cannot work any job due to scoliosis and back pain. The Department conducted a triage meeting on March 22, 2012, where the Claimant was given the opportunity to establish good cause for noncompliance with the JET program. The Claimant did not attend the triage meeting and the Department did not find good cause. On May 26, 2012, the Department notified the Claimant that it would sanction her FIP benefits as of May 1, 2012.

The Claimant argued that she should have been deferred from participation in the JET program due to her scoliosis. The Claimant was found to be work ready with limitations on August 3, 2012 despite her scoliosis. The Claimant argued that in 2012, she is capable of participating in the JET program due to her scoliosis.

When a Medical Review Team decision has been completed and the client states they have additional medical evidence or a new condition, the Department will gather new verification and send for an updated MRT decision. When an individual presents a doctor's note after the MRT decision but does not have new medical evidence or a new condition, the Department will send a DHS-518 to the doctor and request supporting medical evidence. If new medical evidence is not provided, the Department will not

send the case back to the Medical Review Team and the previous MRT decision stands. BEM 230A.

In this case, the Claimant was cleared for participation in the JET program by the Medical Review Team (MRT) despite her scoliosis. Later, she claimed that she was not capable of performing JET activity due to her scoliosis. The Department sent the Claimant's medical service provider an Assessment for FIP participation (DHS-518), which was not returned before the triage meeting. Therefore, this Administrative Law Judge finds that the Department acted in accordance with policy when it did not approve the Claimant for a deferral from JET participation.

The Claimant argued that she had good cause for her noncompliance with the JET program. The Claimant did not attend the triage meeting, but medical documentation dated February 27, 2012, was available during the triage meeting from the Claimant's medical service provider indicating she should be excused from work until she could be further evaluated. Whether the Claimant had good cause for her noncompliance with the JET program after February 27, 2012, is not relevant here and the Claimant's medical documentation does not excuse her noncompliance before February 27, 2012.

A claim of good cause must be verified and documented. BEM 233A. In this case, the Claimant did not attend the triage meeting, and the Department considered whether she had good cause based solely on the documents submitted by the Claimant. The Department's representative testified that the Claimant was found to be a work eligible individual by the Medical Review Team (MRT), and that no evidence of a medical condition interfering with the Claimant's ability to attend the JET program in February of 2012, was available during the triage meeting. No explanation as to why the Assessment for FIP participation (DHS-518) was not available during the triage meeting since the Department did not receive the complete form, and the Claimant was not present.

Based on the evidence and testimony available during the hearing, the Department's determination that the Claimant did not have good cause for her noncompliance with the JET program is reasonable. The Department has established that it acted properly when it sanctioned the Claimant's FIP benefits for noncompliance with the JET program.

DECISION AND ORDER

The Administrative Law Judge, based upon the above findings of fact and conclusions of law, decides that the Department acted in accordance with policy when it sanctioned the Claimant's Family Independence Program (FIP) case for noncompliance with the Jobs, Education, and Training (JET) program.

The Department's FIP sanction is **AFFIRMED**. It is SO ORDERED.
