The Medical Assistance (MA) program is established by the Title XIX of the Social Security Act and is implemented by Title 42 of the Code of Federal Regulations (CFR). The Department of Human Services (formerly known as the Family Independence Agency) administers the MA program pursuant to MCL 400.10, *et seq.*, and MCL 400.105.

The Adult Medical Program (AMP) is established by 42 USC 1315, and is administered by the Department pursuant to MCL 400.10, *et seq.*

The State Disability Assistance (SDA) program, which provides financial assistance for disabled persons, is established by 2004 PA 344. The Department of Human Services (formerly known as the Family Independence Agency) administers the SDA program pursuant to MCL 400.10, *et seq.*, and 1998-2000 AACS R 400.3151-400.3180.

The Child Development and Care (CDC) program is established by Titles IVA, IVE and XX of the Social Security Act, the Child Care and Development Block Grant of 1990, and the Personal Responsibility and Work Opportunity Reconciliation Act of 1996. Effective April 1, 2011, clients in student status are no longer eligible to receive FAP benefits based solely on an approved education plan. A person is in student status if the person is 18 through 49 years old and enrolled half-time or more in a: (i) vocational, trade, business, or technical school that normally requires a high school diploma or an equivalency certificate; or a regular curriculum at a college or university that offers degree programs regardless of whether a diploma is required. BEM 245.

In order for a person in student status to be eligible for FAP benefits, they must meet **one** of the following criteria:

- (1) Receiving FIP benefits;
- (2) Enrolled in an institution of higher education as a result of participation in an approved employment-related activities, a JTPA program, a program under Section 236 of the Trade Readjustment Act of 1974, or another State or local government employment and training program;
- (3) Physically or mentally unfit for employment;
- (4) Employed for at least 20 hours per week and paid for such employment;
- (5) Self-employed for at least 20 hours per week and earning weekly income at least equivalent to the federal minimum wage multiplied by 20 hours;
- (6) Participating in an on-the-job training program;<sup>1</sup>
- (7) Participating in a state or federally-funded work study program (funded in full or in part under Title IV-C of the Higher Education Act of 1965, as amended) during the regular school year;<sup>2</sup>
- (8) Providing more than half of the physical care of a group member under the age of six;

---

<sup>1</sup> A person is considered to be participating in an on-the-job training program only during the period of time the person is being trained by the employer. BEM 245.

<sup>2</sup> To qualify under this student status eligibility provision, the student must be approved for work study during the school term and anticipate actually working during that time, unless exempted because the student: (i) starts the month the school term begins or the month work study is approved, whichever is later; (ii) continues until the end of the month in which the school term ends, or when you become aware that the student has refused a work-study assignment; (iii) remains between terms or semesters when the break is less than a full month, or the student is still participating in work study during the break. BEM 245.

- (9) Providing more than half of the physical care of a group member age six through eleven and the local office has determined adequate child care is not available to enable the person to attend class and work at least 20 hours per week or participate in a state or federally-financed work study program during the regular school year;
- (10) A single parent enrolled full-time in an institution of higher education who cares for a dependent under age 12. This includes a person who does not live with his or her spouse, who has parental control over a child who does **not** live with his or her natural, adoptive or stepparent. BEM 245.

For the care of a child under age six, the department shall consider the student to be providing physical care as long as he or she claims primary responsibility for such care, even though another adult may be in the FAP group. Moreover, when determining the availability of adequate child care for a child between the ages of six and 11, another person in the home, over 18 years of age, need not be a FAP group member to provide care. BEM 245.

A person remains in student status while attending classes regularly. Student status continues during official school vacations and periods of extended illness. Student status does not continue if the student is suspended or does not intend to register for the next school term (excluding summer term). BEM 245.

Based upon the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, the Administrative Law Judge concludes that the Department

- properly denied Claimant's application       improperly denied Claimant's application
- properly closed Claimant's case               improperly closed Claimant's case

for:    AMP    FIP    FAP    MA    SDA    CDC.
