Clinton County DHS

HEARING DECISION

This matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9 and MCL 400.37 upon the Claimant's request for a hearing. After due notice, an in-person hearing was held on Thursday, July 19, 2012. Claimant appeared and provided testimony on her behalf. Participants on behalf of the Department of Human Services (Department) included .

ISSUE

Was good cause established for non-compliance with timely eligibility redetermination requirements?

FINDINGS OF FACT

The Administrative Law Judge, based upon the competent, material, and substantial evidence on the whole record, finds as material fact:

1. On April 16, 2012, the Department of Human Services (DHS) terminated the Claimant's MA-P (LTC) based on non-compliance with timely verification requirement per BEM 220, with a hearing request on April 16, 2012.
2. On February 16, 2012, the local DHS relied on Bridges for mail-out of a redetermination form to the Claimant's hearing representative with a due-date of April 1, 2012; it was not received by the local DHS.

CONCLUSIONS OF LAW

The Medical Assistance (MA) program is established by Title XIX of the Social Security Act and is implemented by Title 42 of the Code of Federal Regulations (CFR). The Department of Human Services (DHS or department) administers the MA program

pursuant to MCL 400.10, *et seq.*, and MCL 400.105. Department policies are found in the Program Administrative Manual (BAM), the Program Eligibility Manual (BEM) and the Program Reference Manual (PRM).

Facts above are undisputed.

Good cause – A circumstance which is considered a valid reason for not complying with a requirement. BPG, Page 19.

It is the well settled law that where proof of proper mailing is shown, it will be presumed that the letter was received in the ordinary course of public mails. And when a party denies receipt, the only effect is to raise an issue of fact for the decision maker.

In this case, the presumption was not set-up because the local DHS did not introduce into evidence the documentary Bridges mail-out of the notice in question.

Therefore, this Administrative Law Judge (ALJ) finds the Hearing Representative's testimony more credible than the DHS conclusion that Bridges mailed out the notice in question; and that it was beyond the Hearing Representative's control to have timely complied with the redetermination request and, therefore, good cause.

DECISION AND ORDER

The Administrative Law Judge, based upon the above findings of fact and conclusions of law, decides good cause was established for non-compliance with eligibility redetermination requirements..

Accordingly, MA-P (LTC) termination is **REVERSED** and the Department is ORDERED to initiate a re-determination Claimant's eligibility for MA-P retro to date of closure
