CONCLUSIONS OF LAW

Department policies are contained in the Bridges Administrative Manual (BAM), the Bridges Eligibility Manual (BEM), and the Reference Tables Manual (RFT).

The Adult Medical Program (AMP) is established by 42 USC 1315, and is administered by the Department pursuant to MCL 400.10, *et seq.*

The Family Independence Program (FIP) was established pursuant to the Personal Responsibility and Work Opportunity Reconciliation Act of 1996, Public Law 104-193, 42 USC 601, *et seq.* The Department (formerly known as the Family Independence Agency) administers FIP pursuant to MCL 400.10, *et seq.*, and 1999 AC, R 400.3101 through Rule 400.3131. FIP replaced the Aid to Dependent Children (ADC) program effective October 1, 1996.

The Food Assistance Program (FAP) [formerly known as the Food Stamp (FS) program] is established by the Food Stamp Act of 1977, as amended, and is implemented by the federal regulations contained in Title 7 of the Code of Federal Regulations (CFR). The Department (formerly known as the Family Independence Agency) administers FAP pursuant to MCL 400.10, *et seq.*, and 1999 AC, R 400.3001 through Rule 400.3015.

The Medical Assistance (MA) program is established by the Title XIX of the Social Security Act and is implemented by Title 42 of the Code of Federal Regulations (CFR). The Department (formerly known as the Family Independence Agency) administers the MA program pursuant to MCL 400.10, *et seq.*, and MCL 400.105.

The State Disability Assistance (SDA) program, which provides financial assistance for disabled persons, is established by 2004 PA 344. The Department (formerly known as the Family Independence Agency) administers the SDA program pursuant to MCL 400.10, *et seq.*, and 2000 AACS, R 400.3151 through Rule 400.3180.

The Child Development and Care (CDC) program is established by Titles IVA, IVE and XX of the Social Security Act, the Child Care and Development Block Grant of 1990, and the Personal Responsibility and Work Opportunity Reconciliation Act of 1996.

The program is implemented by Title 45 of the Code of Federal Regulations, Parts 98 and 99. The Department provides services to adults and children pursuant to MCL 400.14(1) and 1999 AC, R 400.5001 through Rule 400.5015.

Additionally, at the hearing, the claimant testified that he had submitted an application for MA benefits after he was no longer able to work due to his alleged disability. The claimant testified that he had been working previously and that after he became unable to work, he submitted an application for MA benefits. Therefore, the claimant argued that he could not have been over the income limit as he was no longer working and receiving income. At the hearing, the department was not able to produce the claimant's MA application so the actual date of the application could not be determined, nor could the information provided by the claimant as to his employment status be determined. Additionally, although it was not produced, the department representative testified that the claimant was sent a notice of case action denying his MA application on March 14, 2012. However, the claimant was sent a verification checklist on March 13, 2012, requesting verification of loss of employment (see Department Exhibit 7) with a due date of March 23, 2012. The department was not able to articulate a reason for the discrepancy in dates and was not able to state why the claimant's application was unable to be located. Accordingly, this Administrative Law Judge determines that the department has not met their burden of going forward to show that the claimant's application was denied in accordance with policy.

Based upon the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, the Administrative Law Judge concludes that, due to excess income, the Department properly improperly

- denied Claimant's application
- reduced Claimant's benefits
- closed Claimant's case

for: AMP FIP FAP MA SDA CDC.

DECISION AND ORDER

The Administrative Law Judge, based upon the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, finds that the Department did act properly did not act properly.

Accordingly, the Department's AMP FIP FAP MA SDA CDC decision is AFFIRMED REVERSED for the reasons stated on the record.

THE DEPARTMENT IS ORDERED TO DO THE FOLLOWING WITHIN 10 DAYS OF THE DATE OF MAILING OF THIS DECISION AND ORDER:

If necessary, allow the claimant to submit a new application for MA benefits and initiate a redetermination of eligibility as of March 12, 2012. If the claimant is found to be

otherwise eligible, the department shall issue benefits in accordance with policy and, if applicable, issue any past due benefits due and owing that the claimant is otherwise eligible to receive.
