Reg. No: 201256449
Issue No: 2026
Case No: [REDACTED]
Hearing Date: July 24, 2012
Wayne County DHS

ADMINISTRATIVE LAW JUDGE: Kevin Scully

HEARING DECISION

This matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9 and MCL 400.37 following Claimant's request for a hearing. After due notice, a telephone hearing was held on July 24, 2012 from Lansing, Michigan. Participants on behalf of Claimant included [REDACTED]. Participants on behalf of Department of Human Services (Department) included [REDACTED].

ISSUE

Whether the Department of Human Services (Department) properly determined the Claimant's Medical Assistance (MA) eligibility?

FINDINGS OF FACT

The Administrative Law Judge, based upon the competent, material and substantial evidence on the whole record, finds as material fact:

1. The Claimant is an ongoing recipient of Medical Assistance (MA) benefits.
2. On May 1, 2012, the Department completed a routine redetermination of the Claimant's eligibility to receive assistance.
3. The Claimant receives monthly Retirement, Survivors, and Disability Insurance (RSDI) in the gross monthly amount of [REDACTED].
4. The Department completed a MA budget that determined the Claimant was eligible for MA benefits with a [REDACTED] deductible.
5. The Department received the Claimant's request for a hearing on May 31, 2012, protesting her Medical Assistance deductible.

CONCLUSIONS OF LAW

The Medical Assistance (MA) program is established by Title XIX of the Social Security Act and is implemented by Title 42 of the Code of Federal Regulations (CFR). The

Department of Human Services (DHS or Department) administers the MA program pursuant to MCL 400.10, et seq., and MCL 400.105. Department policies are found in the Bridges Administrative Manual (BAM), the Bridges Eligibility Manual (BEM), Reference Table Manual (RFT), and the Bridges Reference Manual (BRM).

The goal of the Medicaid program is to ensure that essential health care services are made available to those who otherwise could not afford them. Medicaid is also known as Medical Assistance (MA). BEM 105.

The State of Michigan has set guidelines for income, which determine if an MA group is eligible. Income eligibility exists for the calendar month tested when:

- There is no excess income, or
- Allowable medical expenses equal or exceed the excess income. BEM 545.

Net income (countable income minus allowable income deductions) must be at or below a certain income limit for eligibility to exist. BEM 105. Income eligibility exists when net income does not exceed the Group 2 needs in BEM 544. BEM 166. The protected income level is a set allowance for non-medical need items such as shelter, food and incidental expenses. RFT 240 lists the Group 2 MA protected income levels based on shelter area and fiscal group size. BEM 544. An eligible Medical Assistance group (Group 2 MA) has income the same as or less than the “protected income level” as set forth in the policy contained in the Program Reference Table (RFT). An individual or MA group whose income is in excess of the monthly protected income level is ineligible to receive MA. However, a MA group may become eligible for assistance under the deductible program. The deductible program is a process, which allows a client with excess income to be eligible for MA, if sufficient allowable medical expenses are incurred. Each calendar month is a separate deductible period. The fiscal group’s monthly excess income is called the deductible amount. Meeting a deductible means reporting and verifying allowable medical expenses that equal or exceed the deductible amount for the calendar month. The MA group must report expenses by the last day of the third month following the month it wants medical coverage. BEM 545; 42 CFR 435.831.

A review of claimant’s case reveals that the Department budgeted correct amount of income received by the Claimant. Claimant’s “protected income level” is [REDACTED], and this amount cannot be changed either by the Department or by this Administrative Law Judge. Department’s determination that the Claimant has a [REDACTED] deductible per month she must meet in order to qualify for MA for any medical expenses above is therefore correct.

The Claimant argued that the Department does not properly record his medical expenses towards his monthly deductible.

According to Bridges Eligibility Manual Item #545, “A charge cannot be incurred until the service is provided.” Based on the evidence and testimony available during the hearing, the Department has established that it is properly accounting for the Claimant’s medical expenses as it receives verification that they have been incurred by the Claimant. The

Claimant failed to submit evidence of incurred expenses that were submitted to the Department but not applied towards his deductible.

The Department has established that it properly determined that the Claimant's Medical Assistance (MA) deductible.

DECISION AND ORDER

The Administrative Law Judge, based upon the above findings of fact and conclusions of law, decides that the Department acted in accordance with policy in determining the Claimant's MA eligibility.

The Department's MA eligibility determination is AFFIRMED. It is SO ORDERED.
