ADMINISTRATIVE HEARINGS FOR THE  
DEPARTMENT OF HUMAN SERVICES

**IN THE MATTER OF:**

[REDACTED]

Reg. No: 201257363  
Issue No: 1038  
Case No: [REDACTED]  
Hearing Date: August 1, 2012  
Allegan County DHS

**ADMINISTRATIVE LAW JUDGE:** Christopher S. Saunders

**HEARING DECISION**

This matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9 and MCL 400.37 upon claimant's request for a hearing. After due notice, a telephone hearing was held on August 1, 2012. The claimant appeared with her authorized representative, [REDACTED].

**ISSUE**

Did the department properly terminate and sanction the claimant's Family Independence Program (FIP) benefits for noncompliance with Work First/Jobs, Education and Training (WF/JET) requirements?

**FINDINGS OF FACT**

The Administrative Law Judge, based upon the competent, material and substantial evidence on the whole record, finds as material fact:

1. The claimant had applied for FIP benefits and was referred to the WF/JET program as a participant.
2. As part of her WF/JET participation, the claimant was required to participate in WF/JET activities and provide the department with documentation weekly of her participation in said activities. (Department Exhibits 14-20).
3. The claimant did not submit verification of her participation hours for the weeks of April 30, May 7, and May 14, 2012. (Department Exhibit 6).
4. Because there was no verification of participation submitted for the above-stated weeks, the claimant was deemed to have zero participation hours for those weeks. (Department Exhibits 7-10).

5. The claimant did submit job search logs to the department for the weeks of April 30, 2012 and May 14, 2012 on May 18, 2012. (Department Exhibit 7).
6. As a result of the claimant having no participation hours for three weeks, the department sent the claimant a notice of noncompliance (DHS 2444) on May 16, 2012, scheduling a triage for May 24, 2012. (Department Exhibits 2-3).
7. The claimant did not attend the triage and the department determined that the claimant did not have good cause for her noncompliance.
8. The department sent the claimant a notice of case action (DHS 1605) on May 24, 2012, stating that her FIP case would be closing for three months due to a first instance of noncompliance. (Department Exhibits 11-13).
9. The claimant submitted a request for hearing on June 1, 2012, protesting the closure of her FIP benefits.

#### **CONCLUSIONS OF LAW**

Clients have the right to contest a department decision affecting eligibility for benefit levels whenever it is believed that the decision is incorrect. BAM 600. The department provides an administrative hearing to review the decision and determine its appropriateness. BAM 600.

The regulations that govern the hearing and appeal process for applicants and recipients of public assistance in Michigan are contained in the Michigan Administrative Code (Mich Admin Code) Rules 400.901 through 400.951. An opportunity for a hearing shall be granted to a recipient who is aggrieved by an agency action resulting in suspension, reduction, discontinuance, or termination of assistance. Mich Admin Code 400.903(1).

The Family Independence Program (FIP) was established pursuant to the Personal Responsibility and Work Opportunity Reconciliation Act of 1996, Public Law 104-193, 8 USC 601, *et seq.* The Department of Human Services (DHS or department) administers the FIP program pursuant to MCL 400.10, *et seq.*, and MAC R 400.3101-3131. The FIP program replaced the Aid to Dependent Children (ADC) program effective October 1, 1996. Department policies are found in the Bridges Administrative Manual (BAM), the Bridges Eligibility Manual (BEM) and the Bridges Reference Manual (BRM).

Department policy states that clients must be made aware that public assistance is limited to 48 months to meet their family's needs and that they must take personal responsibility to achieve self-sufficiency. This message, along with information on ways

to achieve independence, direct support services, non-compliance penalties, and good cause reasons, is initially shared by the department when the client applies for cash assistance. Jobs, Education and Training (JET) program requirements, education and training opportunities, and assessments are covered by the JET case manager when a mandatory JET participant is referred at application. BEM 229.

Federal and State laws require each work eligible individual (WEI) in the FIP and Refugee Assistance Program (RAP) group to participate in the Jobs, Education and Training (JET) Program or other employment-related activities unless temporarily deferred or engaged in activities that meet participation requirements. These clients must participate in employment and/or self-sufficiency-related activities to increase their employability and obtain stable employment. JET is a program administered by the Michigan Department of Energy, Labor and Economic Growth (DELEG) through the Michigan Works Agencies (MWAs). The JET program serves employers and job seekers for employers to have skilled workers and job seekers to obtain jobs that provide economic self-sufficiency. A WEI who refuses, without good cause, to participate in assigned employment and/or self-sufficiency-related activities is subject to penalties. BEM 230A.

Noncompliance is defined by department policy as failing or refusing to do a number of activities, such as attending and participating with WF/JET, completing the FAST survey, completing job applications, participating in employment or self-sufficiency-related activities, providing legitimate documentation of work participation, etc. BEM 233A.

Department policy states:

As a condition of eligibility, all WEIs and non-WEIs must work or engage in employment and/or self-sufficiency-related activities. Noncompliance of applicants, recipients, or member adds means doing any of the following without good cause:

- Failing or refusing to:
  - Appear and participate with the work participation program or other employment service provider.
  - Complete a Family Automated Screening Tool (FAST), as assigned as the first step in the Family Self-Sufficiency Plan (FSSP) process.
  - Develop a FSSP.
  - Provide legitimate documentation of work participation.
  - Appear for a scheduled appointment or meeting related to assigned activities.

- Participate in employment and/or self-sufficiency-related activities.
- Participate in required activity.
- Accept a job referral.
- Complete a job application.
- Appear for a job interview (see the exception below).
- Stating orally or in writing a definite intent not to comply with program requirements.
- Threatening, physically abusing or otherwise behaving disruptively toward anyone conducting or participating in an employment and/ or self-sufficiency-related activity.
- Refusing employment support services if the refusal prevents participation in an employment and/or self-sufficiency-related activity. BEM 233A pages 1-2.

Good cause is a valid reason for noncompliance with employment and/or self-sufficiency-related activities that are based on factors that are beyond the control of the noncompliant person. A claim of good cause must be verified and documented for member adds and recipients. BEM 233A. Department policy defines good cause as follows:

### **GOOD CAUSE FOR NONCOMPLIANCE**

Good cause is a valid reason for noncompliance with employment and/or self-sufficiency-related activities that are based on factors that are beyond the control of the noncompliant person. A claim of good cause must be verified and documented for member adds and recipients.

#### **Good cause includes the following:**

##### **Employed 40 Hours**

The person is working at least 40 hours per week on average and earning at least state minimum wage.

##### **Client Unfit**

The client is physically or mentally unfit for the job or activity, as shown by medical evidence or other reliable information. This includes any disability-related limitations that preclude participation in a work and/or self-sufficiency-related activity. The disability-related needs or limitations may not have been identified or assessed prior to the noncompliance.

### **Illness or Injury**

The client has a debilitating illness or injury, or a spouse or child's illness or injury requires in-home care by the client.

### **Reasonable Accommodation**

The DHS, employment services provider, contractor, agency, or employer failed to make reasonable accommodations for the client's disability or the client's needs related to the disability.

### **No Child Care**

The client requested child care services from DHS, the work participation program, or other employment services provider prior to case closure for noncompliance and child care is needed for an eligible child, but none is appropriate, suitable, affordable and within reasonable distance of the client's home or work site.

- **Appropriate.** The care is appropriate to the child's age, disabilities and other conditions.
- **Reasonable distance.** The total commuting time to and from work and the child care facility does not exceed three hours per day.
- **Suitable provider.** The provider meets applicable state and local standards. Also, unlicensed providers who are NOT registered/licensed by the DHS Bureau of Children and Adult Licensing must meet DHS enrollment requirements; see BEM 704.
- **Affordable.** The child care is provided at the rate of payment or reimbursement offered by DHS.

### **No Transportation**

The client requested transportation services from DHS, the work participation closure and reasonably priced transportation is not available to the client.

### **Illegal Activities**

The employment involves illegal activities.

### **Discrimination**

The client experiences discrimination on the basis of age, race, disability, gender, color, national origin or religious beliefs.

### **Unplanned Event or Factor**

Credible information indicates an unplanned event or factor which likely prevents or significantly interferes with employment and/or self-sufficiency-related activities. Unplanned events or factors include, but are not limited to, the following:

- Domestic violence.
- Health or safety risk.
- Religion.
- Homelessness.
- Jail.
- Hospitalization.

### **Comparable Work**

The client quits to assume employment comparable in salary and hours. The new hiring must occur before the quit.

### **Long Commute**

Total commuting time exceeds:

- Two hours per day, NOT including time to and from child care facilities

**or**

- Three hours per day, including time to and from child care facilities.

### **EFIP**

EFIP unless noncompliance is job quit or voluntarily reducing hours of employment. BEM 233A pages 4-5.

JET participants will not be terminated from a JET program without first scheduling a “triage” meeting with the client to jointly discuss noncompliance and good cause. The department coordinates the process to notify the MWA case manager of triage meetings including scheduling guidelines.

The department is required to send a DHS-2444, Notice of Employment and/or Self-Sufficiency Related Noncompliance within three days after learning of the noncompliance which must include the date of noncompliance, the reason the client was determined to be noncompliant, the penalty that will be imposed and the triage date within the negative action period. BEM 233A.

Good cause should be determined based on the best information available during the triage and prior to the negative action date. Good cause may be verified by information already on file with DHS or MWA. Good cause must be considered even if the client does not attend, with particular attention to possible disabilities (including disabilities that have not been diagnosed or identified by the client) and unmet needs for accommodation. BEM 233A.

Clients can either attend a meeting or participate in a conference call if attendance at the triage meeting is not possible. If a client calls to reschedule an already scheduled triage meeting, the client is offered a telephone conference at that time. Clients must comply with triage requirement within the negative action period. If it is determined at triage that the client has good cause, and good cause issues have been resolved, the client should be sent back to JET. BEM 233A.

If the department finds that the client has been noncompliant without good cause, the department must impose penalties. Department policy clearly states the penalties that must be imposed for noncompliance without good cause and for the action to be taken should the department determine that good cause has been established:

#### **NONCOMPLIANCE PENALTIES FOR ACTIVE FIP INDIVIDUALS AND MEMBER ADDS**

The penalty for noncompliance without good cause is FIP EDG closure. Effective October 1, 2011, the following minimum penalties apply:

- For the individual's first occurrence of noncompliance, Bridges closes the FIP EDG for not less than three calendar months.
- For the individual's second occurrence of noncompliance, Bridges closes the FIP EDG for not less than six calendar months.
- For the individual's third occurrence of noncompliance, Bridges closes the FIP EDG for a lifetime sanction.

The individual penalty counter begins April 1, 2007. Individual penalties served after October 1, 2011 will be added to the individual's existing penalty count.

### **Good Cause Established**

If the client establishes good cause within the negative action period, do **NOT** impose a penalty. See "Good Cause for Noncompliance" earlier in this item. Send the client back to JET, if applicable, after resolving transportation, CDC, or other factors which may have contributed to the good cause. Do not enter a new referral on ASSIST. Enter the good cause reason on the DHS-71 and on the FSSP under the "Participation and Compliance" tab.

### **Good Cause NOT Established**

If the client does NOT provide a good cause reason within the negative action period, determine good cause based on the best information available. If no good cause exists, allow the case to close. If good cause is determined to exist, delete the negative action. BEM 233A, pp. 10-11.

In the case at hand, the Administrative Law Judge finds that the claimant was noncompliant with the WF/JET program by not completing her required hours of activities and submitting verification of such to the department for the week of May 7, 2012.

At the hearing, the claimant's authorized representative (AR) argued that the claimant did in fact submit her activity logs for the week in question. The claimant's AR provided fax cover sheets that are alleged to have accompanied the claimant's activity logs which the claimant asserts were faxed to the department. The cover sheets provided do not show specifically which dates the sheets allegedly faxed cover, nor do they show that the sheets were actually faxed or that there was a confirmation of the faxes. The claimant has not provided evidence to show that the sheets for the week of May 7, 2012 were submitted to the department.

The claimant's AR also asserted a claim for good cause on behalf of the claimant. The claimant's AR argued that the claimant has good cause for her noncompliance based on the claimant being homeless and a victim of domestic violence. The claimant had been residing at a domestic violence shelter since March 24, 2012. The claimant's AR stated that the shelter is not a homeless shelter, but is specifically a shelter for victims of domestic violence. Policy does indicate that homelessness is an unplanned event or factor that may be used to establish good cause. The Bridges Policy Glossary (BPG) defines homelessness as follows:

## HOMELESS

Persons that do not reside in a permanent dwelling or have a fixed mailing address. A homeless person is an individual who lacks a fixed and regular nighttime residence or whose nighttime residence is:

- A supervised public or private shelter designed to provide temporary accommodations for the homeless.

**Exception:** For FAP, a client is considered homeless only for the first 90 days.

- A halfway house or similar accommodation which provides a temporary residence for individuals released from institutions.

- Home of another person.

**Exception:** For FAP, a client is considered homeless only for the first 90 days.

- Place not designed or ordinarily used as a dwelling (e.g., building entrance or hallway, bus station, park, campsite, vehicle).

**Exception:** For FAP, a client is considered homeless only for the first 90 days. BPG page 21.

In the case at hand, the claimant did in fact have a fixed mailing address; that of the domestic violence shelter. Additionally, a domestic violence shelter is not included in the definition of homelessness. The Administrative Law Judge does not find that the shelter the claimant was residing in falls within the definition of homelessness as per policy. Additionally, the claimant was still able to complete her requirements for two of the three weeks in question, even while residing in the same shelter.

The claimant also asserts that she has good cause as being a victim of domestic violence. The claimant was not able to provide any documentation pertaining to the specific instance of domestic violence and as no police report or charges were filed, she did not have to be in court for any legal proceedings. Furthermore, the claimant moved into the domestic violence shelter March 24, 2012 and her instance of noncompliance took place May 7, 2012. Therefore, the instance of domestic violence was too far removed in time to affect the claimant's ability to participate in WF/JET during the time period in question. Accordingly, the Administrative Law Judge finds that the claimant has not presented good cause or documentation thereof. The department therefore acted properly in accordance with policy in terminating and sanctioning the claimant's FIP case.

**DECISION AND ORDER**

The Administrative Law Judge, based upon the above findings of fact and conclusions of law, decides that the department properly terminated and sanctioned the claimant's Family Independence Program (FIP) benefits for noncompliance with WF/JET requirements.

Accordingly, the department's actions are **AFFIRMED**. SO ORDERED.
