CONCLUSIONS OF LAW

Department policies are contained in the Bridges Administrative Manual (BAM), the Bridges Eligibility Manual (BEM), and the Reference Tables Manual (RFT).

The Adult Medical Program (AMP) is established by 42 USC 1315, and is administered by the Department pursuant to MCL 400.10, *et seq.*

The Family Independence Program (FIP) was established pursuant to the Personal Responsibility and Work Opportunity Reconciliation Act of 1996, Public Law 104-193, 42 USC 601, *et seq.* The Department (formerly known as the Family Independence Agency) administers FIP pursuant to MCL 400.10, *et seq.*, and 1999 AC, Rule 400.3101 through Rule 400.3131. FIP replaced the Aid to Dependent Children (ADC) program effective October 1, 1996.

The Food Assistance Program (FAP) [formerly known as the Food Stamp (FS) program] is established by the Food Stamp Act of 1977, as amended, and is implemented by the federal regulations contained in Title 7 of the Code of Federal Regulations (CFR). The Department (formerly known as the Family Independence Agency) administers FAP pursuant to MCL 400.10, *et seq.*, and 1999 AC, Rule 400.3001 through Rule 400.3015.

The Medical Assistance (MA) program is established by the Title XIX of the Social Security Act and is implemented by Title 42 of the Code of Federal Regulations (CFR). The Department (formerly known as the Family Independence Agency) administers the MA program pursuant to MCL 400.10, *et seq.*, and MCL 400.105.

The State Disability Assistance (SDA) program, which provides financial assistance for disabled persons, is established by 2004 PA 344. The Department (formerly known as the Family Independence Agency) administers the SDA program pursuant to MCL 400.10, *et seq.*, and 2000 AAC, Rule 400.3151 through Rule 400.3180.

The State Emergency Relief (SER) program is established by 2004 PA 344. The SER program is administered pursuant to MCL 400.10, *et seq.*, and by 1999 AC, Rule

400.7001 through Rule 400.7049. Department policies are found in the State Emergency Relief Manual (ERM).

Additionally, when determining eligibility for FAP benefits, the household's total income must be evaluated. All earned and unearned income of each household member must be included unless specifically excluded. BEM, Item 500. A standard deduction from income of \$146 is allowed for certain households. Certain non-reimbursable medical expenses above \$35 a month may be deducted for senior/disabled/veteran group members. Another deduction from income is provided if monthly shelter costs are in excess of 50% of the household's income after all of the other deductions have been allowed, up to a maximum of \$459 for non-senior/disabled/veteran households. BEM, Items 500 and 554; RFT 255; 7 CFR 273.2. Only heat, electricity, sewer, trash and telephone are allowed deductions. BEM 554. Any other expenses are considered non-critical and, thus, not allowed to be deducted from gross income. Furthermore, RFT 255 states exactly how much is allowed to be claimed for each deduction.

In this case, the Administrative Law Judge has reviewed the FAP budget and finds that the Department properly computed Claimant's gross income. The gross income amount must be counted as income. The federal regulations at 7 CFR 273.10 provide standards for the amount of a household's benefits. The Department, in compliance with the federal regulations, has prepared issuance tables which are set forth at Bridges Reference Manual, Table 260. The issuance table provides that a household with household size and net income as that of Claimant is not eligible for FAP benefits. Claimant is far above the gross income limits for a household size of two. The Administrative Law Judge has reviewed the budget and found no significant errors. Claimant was unable to point out specifically what parts of the budget she felt were in error, other than a general statement that the calculations were incorrect.

With regard to the SER case, a benefit can only be paid if the claimant's required copayment is less than the total need. ERM 301. In the current case, Claimant's copayment exceeds the need; therefore, no SER benefit can be paid. The Administrative Law Judge has reviewed the law and policy in the current case and found that the Department correctly applied policy. Claimant's income was correctly calculated, and the Department considered all expenses allowed by policy. Claimant's income calculations exceed the limit for SER payments.

Based upon the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, the Administrative Law Judge concludes that, due to excess income, the Department properly improperly

- denied Claimant's application
- reduced Claimant's benefits
- closed Claimant's case

for: AMP FIP FAP MA SDA SER.

DECISION AND ORDER

The Administrative Law Judge, based upon the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, finds that the Department did act properly did not act properly.

Accordingly, the Department's AMP FIP FAP MA SDA CDC decision is AFFIRMED REVERSED for the reasons stated on the record.
