CONCLUSIONS OF LAW

Department policies are contained in the Bridges Administrative Manual (BAM), the Bridges Eligibility Manual (BEM), and the Reference Tables Manual (RFT).

The Food Assistance Program (FAP) [formerly known as the Food Stamp (FS) program] is established by the Food Stamp Act of 1977, as amended, and is implemented by the federal regulations contained in Title 7 of the Code of Federal Regulations (CFR). The Department (formerly known as the Family Independence Agency) administers FAP pursuant to MCL 400.10, *et seq.*, and 1999 AC, Rule 400.3001 through Rule 400.3015.

The Medical Assistance (MA) program is established by the Title XIX of the Social Security Act and is implemented by Title 42 of the Code of Federal Regulations (CFR). The Department of Human Services (formerly known as the Family Independence Agency) administers the MA program pursuant to MCL 400.10, *et seq.*, and MCL 400.105.

Department policy dictates that the Department must:

Re-evaluate primary caretaker status when any of the following occur:

- A new or revised court order changing custody or visitation is provided.
- There is a change in the number of days the child sleeps in another caretaker's home and the change is expected to continue, on average, for the next twelve months.
- A second caretaker disputes the first caretaker's claim that the child(ren) sleeps in their home more than half the

nights in a month, when averaged over the next 12 months.

- A second caretaker applies for assistance for the same child.

BEM 212.

In the present case, the Department failed to follow policy and procedures in processing Claimant's submissions showing that her grandson was in her legal care.

Based upon the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, the Administrative Law Judge concludes that the Department

- properly denied Claimant's application improperly denied Claimant's application
 properly closed Claimant's case improperly closed Claimant's case

for: AMP FIP FAP MA SDA CDC.
