CONCLUSIONS OF LAW

Department policies are contained in the Bridges Administrative Manual (BAM), the Bridges Eligibility Manual (BEM), and the Reference Tables Manual (RFT).

The Adult Medical Program (AMP) is established by 42 USC 1315, and is administered by the Department pursuant to MCL 400.10, *et seq.*

The Family Independence Program (FIP) was established pursuant to the Personal Responsibility and Work Opportunity Reconciliation Act of 1996, Public Law 104-193, 42 USC 601, *et seq.* The Department (formerly known as the Family Independence Agency) administers FIP pursuant to MCL 400.10, *et seq.*, and 1999 AC, Rule 400.3101 through Rule 400.3131. FIP replaced the Aid to Dependent Children (ADC) program effective October 1, 1996.

The Food Assistance Program (FAP) [formerly known as the Food Stamp (FS) program] is established by the Food Stamp Act of 1977, as amended, and is implemented by the federal regulations contained in Title 7 of the Code of Federal Regulations (CFR). The Department (formerly known as the Family Independence Agency) administers FAP pursuant to MCL 400.10, *et seq.*, and 1999 AC, Rule 400.3001 through Rule 400.3015.

The Medical Assistance (MA) program is established by the Title XIX of the Social Security Act and is implemented by Title 42 of the Code of Federal Regulations (CFR). The Department (formerly known as the Family Independence Agency) administers the MA program pursuant to MCL 400.10, *et seq.*, and MCL 400.105.

The State Disability Assistance (SDA) program, which provides financial assistance for disabled persons, is established by 2004 PA 344. The Department (formerly known as the Family Independence Agency) administers the SDA program pursuant to MCL 400.10, *et seq.*, and 2000 AACS, Rule 400.3151 through Rule 400.3180.

The Child Development and Care (CDC) program is established by Titles IVA, IVE and XX of the Social Security Act, the Child Care and Development Block Grant of 1990, and the Personal Responsibility and Work Opportunity Reconciliation Act of 1996.

The program is implemented by Title 45 of the Code of Federal Regulations, Parts 98 and 99. The Department provides services to adults and children pursuant to MCL 400.14(1) and 1999 AC, Rule 400.5001 through Rule 400.5015.

Additionally, in this case, the Department's position is that the net income limit for a family group of one person is \$908. RFT 250 (2011). Because Claimant's net income was more than this amount, the Department denied FAP benefits to him.

However, having reviewed the Reference Table in its entirety after the hearing was concluded, and having considered all of the evidence taken as a whole, it appears that the decision announced on the record at the hearing is incorrect, and the following shall be ordered in its place: it is found and determined that the Department improperly applied the FAP income limit requirements of RFT 250. It is found and determined that the Department should have used the monthly categorical income (200%) limit of \$1,816 as the income limit in this case. The Department erred in using the "Monthly Net Income (100%) Limit" column of RFT 250. It is, therefore, found and determined that Claimant may qualify under the monthly categorical income limit of \$1,816.

Also, in this case, while Claimant's employment verification states he works twenty-eight hours per week, at the hearing Claimant testified he works in the construction industry and does not always work so many hours. No records of other, lesser earnings were produced at the hearing. It is found and determined that should more accurate income information be submitted, the Department shall take it under consideration at the time Claimant submits it.

Based upon the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, the Administrative Law Judge concludes that, due to excess income, the Department properly improperly

- denied Claimant's application
- reduced Claimant's benefits
- closed Claimant's case

for: AMP FIP FAP MA SDA CDC.

DECISION AND ORDER

The Administrative Law Judge, based upon the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, finds that the Department did act properly did not act properly.

Accordingly, the Department's AMP FIP FAP MA SDA CDC decision is AFFIRMED REVERSED for the reasons stated on the record and in this Decision and Order.

THE DEPARTMENT IS ORDERED TO DO THE FOLLOWING WITHIN 10 DAYS OF THE DATE OF MAILING OF THIS DECISION AND ORDER:

1. Reinstate Claimant's FAP application.
2. Initiate procedures to recalculate Claimant's eligibility for FAP benefits using the monthly categorical income (200%) limit set forth in RFT 250, "FAP Income Limits."
3. Initiate procedures to determine if Claimant is eligible for FAP benefits, and the benefit level to which he is entitled.
4. Initiate procedures to provide retroactive and ongoing FAP benefits to Claimant at the benefit level to which he is entitled.
5. All steps shall be taken in accordance with Department policy and procedure.
