IN THE MATTER OF:

Docket No. 2012-69594 EDW
Case No. [REDACTED]

[REDACTED]

Appellant

_____ /

DECISION AND ORDER

This matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9 upon the Appellant's request for a hearing.

After due notice, a hearing was held on [REDACTED] Appellan [REDACTED] [REDACTED] appeared and testified on her own behalf.

[REDACTED] LBSW, Waiver Services Manager, Region II Area Agency on Aging, appeared and testified on behalf of the Department's Waiver Agency. [REDACTED] LMSW, Appellant's Social Work Supports Coordinator, also testified for the Department's Waiver Agency.

ISSUE

Did the Waiver Agency properly reduce the Appellant's Community Living Supports services to 10 hours per week?

FINDINGS OF FACT

The Administrative Law Judge, based upon the competent, material and substantial evidence on the whole record, finds as material fact:

1. The Appellant is a Medicaid beneficiary who has been enrolled in the MI Choice Waiver program since [REDACTED] (Exhibit D and testimony).
2. The Appellant is a [REDACTED] (Testimony).
3. On [REDACTED] a reassessment was conducted for the Appellant by [REDACTED] [REDACTED], LMSW, Appellant's Social Work Supports Coordinator and Appellant's Nurse Supports Coordinator, [REDACTED] RN, in the Appellant's home. A Care Plan Worksheet was filled out that indicated the need for 9.01 hours of

care. Therefore, it was determined Appellant's Community Living Supports (CLS) hours would be reduced from 15 to 10 hours per week. (Exhibit D and testimony).

4. On [REDACTED] the Waiver Agency sent the Appellant a Notice stating her CLS would be reduced to 10 hours per week effective [REDACTED]. (Exhibit B).
5. On [REDACTED] MAHS received the Appellant's request for an Administrative Hearing. (Exhibit 1).

CONCLUSIONS OF LAW

The Medical Assistance Program is established pursuant to Title XIX of the Social Security Act and is implemented by Title 42 of the Code of Federal Regulations (CFR). It is administered in accordance with state statute, the Social Welfare Act, the Administrative Code, and the State Plan under Title XIX of the Social Security Act Medical Assistance Program.

This Appellant is claiming services through the Department's Home and Community Based Services for Elderly and Disabled (HCBS/ED). The waiver is called MIChoice in Michigan. The program is funded through the federal Centers for Medicare and Medicaid (formerly HCFA) to the Michigan Department of Community Health (Department). Regional agencies function as the Department's administrative agency.

Waivers are intended to provide the flexibility needed to enable States to try new or different approaches to the efficient and cost-effective delivery of health care services, or to adapt their programs to the special needs of particular areas or groups of recipients. Waivers allow exceptions to State plan requirements and permit a State to implement innovative programs or activities on a time-limited basis, and subject to specific safeguards for the protection of recipients and the program. Detailed rules for waivers are set forth in subpart B of part 431, subpart A of part 440 and subpart G of part 441 of this chapter. *42 CFR 430.25(b)*

A waiver under section 1915(c) of the [Social Security] Act allows a State to include as "medical assistance" under its plan, home and community based services furnished to recipients who would otherwise need inpatient care that is furnished in a hospital, SNF [Skilled Nursing Facility], ICF [Intermediate Care Facility], or ICF/MR [Intermediate Care Facility/Mentally Retarded], and is reimbursable under the State Plan. *42 CFR 430.25(c)(2)*

Home and community based services means services not otherwise furnished under the State's Medicaid plan, that are furnished under a waiver granted under the provisions of part 441, subpart G of this subchapter. *42 CFR 440.180(a)*.

Home or community-based services may include the following services, as they are defined by the agency and approved by CMS:

- Case management services.
- Homemaker services.
- Home health aide services.
- Personal care services.
- Adult day health services
- Habilitation services.
- Respite care services.
- Day treatment or other partial hospitalization services, psychosocial rehabilitation services and clinic services (whether or not furnished in a facility) for individuals with chronic mental illness, subject to the conditions specified in paragraph (d) of this section.

Other services requested by the agency and approved by CMS as cost effective and necessary to avoid institutionalization. 42 CFR 440.180(b).

The *Medicaid Provider Manual, MI Choice Waiver*, October 1, 2012, provides in part:

SECTION 1 – GENERAL INFORMATION

MI Choice is a waiver program operated by the Michigan Department of Community Health (MDCH) to deliver home and community-based services to elderly persons and persons with physical disabilities who meet the Michigan nursing facility level of care criteria that supports required long-term care (as opposed to rehabilitative or limited term stay) provided in a nursing facility. The waiver is approved by the Centers for Medicare and Medicaid Service (CMS) under section 1915(c) of the Social Security Act. MDCH carries out its waiver obligations through a network of enrolled providers that operate as organized health care delivery systems (OHCDS). These entities are commonly referred to as waiver agencies. MDCH and its waiver agencies must abide by the terms and conditions set forth in the waiver.

MI Choice services are available to qualified participants throughout the state and all provisions of the program are available to each qualified participant unless otherwise noted in this policy and approved by CMS. (p. 1).

* * *

2.3.B. REASSESSMENT OF PARTICIPANTS

Reassessments are conducted by either a properly licensed registered nurse

or a social worker, whichever is most appropriate to address the circumstances of the participant. A team approach that includes both disciplines is encouraged whenever feasible or necessary. Reassessments are done in person with the participant at the participant's home. (p. 4).

* * *

4.1 COVERED WAIVER SERVICES

In addition to regular State Plan coverage, MI Choice participants may receive services outlined in the following subsections. (p. 9).

* * *

4.1.I. COMMUNITY LIVING SUPPORTS

Community Living Supports (CLS) services facilitate an individual's independence and promote reasonable participation in the community. Services can be provided in the participant's residence or in a community setting to meet support and service needs.

CLS may include assisting, reminding, cueing, observing, guiding, or training with meal preparation, laundry, household care and maintenance, shopping for food and other necessities, and activities of daily living such as bathing, eating, dressing, or personal hygiene. It may provide assistance with such activities as money management, non-medical care (not requiring nurse or physician intervention), social participation, relationship maintenance and building community connections to reduce personal isolation, non-medical transportation from the participant's residence to community activities, participation in regular community activities incidental to meeting the individual's community living preferences, attendance at medical appointments, and acquiring or procuring goods and services necessary for home and community living.

CLS staff may provide other assistance necessary to preserve the health and safety of the individual so they may reside and be supported in the most integrated independent community setting.

CLS services cannot be authorized in circumstances where there would be a duplication of services available elsewhere or under the State Plan. CLS services may not be authorized in lieu of, as a duplication of, or as a supplement to similar authorized waiver services. The distinction must be apparent by unique hours and units in the individual's plan of service. Tasks that address personal care needs differ in scope, nature, supervision arrangements or provider type (including provider training and qualifications) from personal care service in the State Plan. The differences between the waiver coverage and the State Plan are that the provider qualifications and training requirements are more stringent for CLS tasks as provided under the

waiver than the requirements for these types of services under the State Plan.

When transportation incidental to the provision of CLS is included, it must not also be authorized as a separate waiver service. Transportation to medical appointments is covered by Medicaid through the State Plan.

Community Living Supports do not include the cost associated with room and board. (pp. 12-13).

The issue appealed is whether the Waiver Agency properly reduced the CLS hours. Appellant appealed the reduction in hours and stated she was afraid her condition and the condition of her home might deteriorate with a reduction in her CLS hours.

The Waiver Agency's witnesses testified that an in-person reassessment for MI Choice Waiver services was conducted with the Appellant on July 26, 2012. (See Exhibit D) ██████████, LMSW, Appellant's Social Work Supports Coordinator stated he completed the Social Work portion of the reassessment along with the Nurse Supports Coordinator, ██████████ RN. As part of the reassessment a Care Plan Worksheet was completed that showed Appellant only needed 9.01 hours of care and, therefore, 10 CLS hours per week were to be authorized for the Appellant.

██████████ stated Appellant needed limited assistance for food preparation and cleanup, she was totally dependent for house work and laundry, she was independent with her medications, for shopping and errands she needed maximum assistance, and she was independent in transferring, locomotion, eating, toileting, and personal hygiene. Appellant required limited assistance with bathing. This assessment found that the Appellant needed 9.01 CLS hours per week resulting in a proposed authorization of 10 CLS hours per week. ██████████ added that a new assessment was done in October and the proposed authorization was for an increase in CLS hours to 11 hours per week. (See Exhibit C).

Appellant stated she was still receiving the 15 CLS hours while her appeal was pending. Appellant stated her caregiver Amber goes above and beyond what is required. She encourages the Appellant to go to the store otherwise she would just stay in her house. The caregiver makes food for her, washes her, takes her shopping, and takes her to pick up her medications. Appellant stated she does not know what she will do if they cut her caregiver's hours.

The Appellant bears the burden of proving by a preponderance of the evidence that additional hours of CLS services are necessary. The Appellant was given the opportunity to prove why additional CLS hours were necessary. The testimony of the Appellant did not establish the need for additional CLS hours above what the Waiver Agency determined were necessary in accordance with the Medicaid policy. The Waiver Agency demonstrated that it reassesses the Appellant's needs every 90 days to ensure that the services authorized are sufficient to meet her needs. The preponderance of the evidence in this case shows that the CLS hours to be authorized are sufficient to meet the Appellant's needs.

Docket No. 2012-69594 EDW
Hearing Decision & Order

DECISION AND ORDER

The Administrative Law Judge, based on the above findings of fact and conclusions of law, decides that the Waiver Agency acted properly when it authorized Appellant's CLS hours at 10 hours per week.

IT IS THEREFORE ORDERED that:

The Department's decision is AFFIRMED.

William D Bond

William D. Bond
Administrative Law Judge
for James K. Haveman, Director
Michigan Department of Community Health
